

MEDIA INFORMATION

Publicity is available for your teams, albeit limited to the changing space and/or time limitations imposed on each sportswriter and sportscaster on a daily basis by their respective media. **At the conclusion of each game, the coach or designated person is encouraged to contact the appropriate media as soon as possible, calling collect when necessary.** TV stations check their scoreline messages before each newscast for up to date scores on high school sports. Let's help our local media showcase Western New York High School athletes and their school programs.
