**\*NEW → Coaches Sportsmanship Selections:**

**Report on changes in policy or practice that were implemented:** None, this past season. I will be revising at least 2 areas of the Section VI Boy's Golf Handbook for next season: a) Distance Measuring Devices – remove the spelled-out USGA rules (shorten it) and add the 2016-2017 USGA updates on the rule. b) Clarify the NYSPHSAA regulation on the use of push/pull carts for Boy's Golf. It's allowed for Girl's only as per correspondence with Doug Courtright (Section 4, State Boy's Golf Chair), Robert Zayas, and Todd Nelson. The NYSPHSAA handbook is incorrect and will be changed as per executive committee minutes (2012).

**Problems encountered/concerns:** None. I appreciate the responsive support I receive annually, from the Section VI Office between weeks 44-50 each year.

**Recommendations for next season:** The Section VI Boy's Golf Committee unanimously voted (6/14/16) in favor of the use of pull/push carts for League, Sectional and State Championship play. I've requested that the State Boy's Golf Coordinator (Doug Courtright, Section IV) place this item on the agenda for the next Boy's Golf State Committee meeting for further action.
