Pre-Season Information

1. Section V will host the 2017 State Tournament. Exact site is still TBD.
2. The oil pattern for the Sectional Tournament will be the one used at the State Tournament. This includes using the pattern on the practice dates before the Sectional Tournament. All leagues are encouraged to lay out the pattern at their practices during the time leading up to the Sectional Tournament.

Continuation of Change in Sectional Competition Dates from 2015-2016:

At the July 7, 2015 meeting, the bowling committee agreed to the following modification to the Section Championship schedule:

Prior to the 2015-2016 season, the Boys and Girls Sectional Championships had been held on the Thursday and Friday prior to February break. In 2016, the tournaments were scheduled and held on the Wednesday and Thursday prior to February break, leaving the Friday as a “make-up date”.

Rationale: Postponements due to inclement weather forced past competitions to be made-up at least ten days later than the originally scheduled dates because February break immediately follows the Sectional

dates. This puts an incredible strain on athletes and sport chairs in their preparation for the State Championships (which follow shortly thereafter).

For the 2016-2017 season, we have once again scheduled Sectional competition on the Wednesday/Thursday prior to February break, leaving Friday for a “make-up date”, if necessary.

Number of “Pool” Representatives from Each League

The number of representatives from each league was changed in 2015-2016 to the following.

# of Teams in Division	# of “Pool” Representatives
5 or less	2
6 or 7	3
8 or more	4

At our July 2016 meeting, we will take another look at this chart and determine if changes are necessary.

Respectfully submitted June 30, 2016,
Section VI Co-Chairpersons:
Dan Kaplan (Boys), Ed Ventry (Girls)
