

Section VI

FOOTBALL

Questionnaire concerning your game with 5 Officials.

The purpose of this survey is to ascertain the effectiveness of your recent game using 5 on-field officials as compared to the other games where only a 4-man crew was on the field. This is not a forum on specific concerns or complaints against an individual official, but a method to help the Section and the Sports Officials Organization in determining if this change has enhanced your ball game.

RATE THE FOLLOWING STATEMENTS:

- 1) The overall the administration of the game was better with 5 officials.
 - a) Agree greatly _____
 - b) Agree somewhat _____
