Protocol to Qualify for the State Swimming and Diving Championships

(NYSPHSAA approved August 2011)

1. Swimmers will have the opportunity to qualify for the NYSPHSAA/NYS Federation Championship Meet if they meet the event qualifying standard during the regular season.
2. Swimmers who have qualified for the NYSPHSAA/NYS Federation Championship Meet are required to participate in their respective Sectional Championship Meet. Swimmers are not required to swim the event(s) in which they have met the qualifying standard. If circumstances out of the swimmer's control, such as injury or illness, prohibited participation in the Sectional Championship Meet, the school may appeal to the Section.
3. The Section champion in each event will represent the Section in the NYSPHSAA/NYS Federation Championship Meet. If the champion chooses not to attend the State Meet, the Section may replace the swimmer with the 2nd place finisher only if no other swimmer met the qualifying standard for that event. If a Section has more than one (1) class meet, the fastest individual from the final day of competition from all the classes would be the eligible athlete to move on as well as any other swimmer who met the qualifying standard.
4. Teams who qualify relays for the NYS Meet will be permitted a TOTAL of two alternates per school team. For those teams that qualify six or more swimmers for individual events, the State Committee and Section highly recommends that individually qualified swimmers be listed as the alternates, but teams still will be allowed up to 2 nonqualified alternates if a school has two or three relays qualified.
5. FAT Timing (Fully Automatic Timing) or three (3) hand held watches must be used for the time to meet the qualifying standard. Divers must be scored by NFHS certified officials.

State Meet Admission: Swimming and diving, trials and finals: \$8.00/session, Heat sheets \$2.00/session

Regulations Regarding Senior All-Star & Outside Agency Contests

(updated October 2013 NYSPHSAA Executive Committee)

1. All Senior All-Star and Outside Agency contests MUST be approved by Section VI. In addition, Senior All-Star contests must be approved by NYSPHSAA. The forms required are posted on the section website*

3. Only seniors who have completed their secondary school eligibility in that sport may compete in these contests.
4. A contestant **may participate in any approved senior all star athlete contest in the same sport during the school year.** (approved October 24, 2013, NYSPHSAA Executive Committee Meeting).

*www.section6.e1b.org Click on *Forms Scroll down to Senior All Star*, or call the Section office 821-7581.

Contingency Plan for Sectional Competition (weather or illness)

1. Contests will be postponed only if a participating school is officially closed due to weather or illness.
2. It is the responsibility of the Athletic Director (or designee) to notify the Sport Chairperson that the school has been closed due to weather conditions (or illness) as soon as he/she becomes aware of such action. Officials and the media will be notified by the Chairperson (or designee).
3. In the event that a school is closed on the day its playoff contest is scheduled, the decision to play shall rest with the District Superintendent.
4. In the event that weather conditions reverse themselves prior to game time, the game may be played with the mutual consent of the participating Athletic Directors and the approval of the Sport Chairperson.
5. When a contest is at a non-school site; If the competition facility and the roads to that destination are open, then the competition will go on as scheduled. If either the roads or the facility are closed, then the competition will be cancelled. ***Under NO CIRCUMSTANCES is a site contracted by Section VI available for practice when a competition is cancelled.***
6. The Sport Chairperson will notify the Executive Director of any postponements.
7. **PLEASE NOTE:** It is up to the individual leagues to recognize the potential for snow days, power outages, etc. that may cause cancellations and problems. The individual leagues should schedule their last league contest at least 1 or 2 days prior to the seeding mtg., allowing for a make-up league contest(s) prior to the seeding meeting if necessary. The storm in Feb. 2006 that closed schools the day before the seeding mtg. bears this point out.

Individual Sports: The Sport chair will be responsible for reserving a block of rooms for all athletes (4 per room). The block will include rooms for coaches (2 per room) for individual sports in Group 1 (see 310.2). For individual sports in Group 2, the block will be increased by 50% to allow for coaches. (e.g.: If XC needs a block of 40 rooms for athletes and supervisors, they will now reserve a block of 60 rooms) When the qualifiers have been determined, the Sport chair will register all athletes and coaches who are using Section transportation from the block of reserved rooms. Schools that opt-out of Section transportation are responsible for registering their own athletes and coaches. They may register for the remaining rooms in the reserved block until the rooms are exhausted or choose their own lodging. Schools will be responsible for the cost of athletes' meals at state competition with the exceptions indicated in item 1,2,3 above for **2017-18**.

This plan, if used, will be listed in the sport handbook.

SECTION VI - NYSPHSAA Sportsmanship Philosophy & Code of Conduct

Philosophy

1. We believe that interscholastic athletics is an important part of education and support the ideals and values embodied in good sportsmanship.
2. We believe that sportsmanlike behavior is essential if interscholastic competition is to contribute usefully and constructively to the broad goals of education and to the quality of life of those involved.
3. We pledge ourselves individually and collectively to encourage and support the development and maintenance of a sportsmanlike atmosphere for athletic competition.

Code of Conduct

1. A genuine interest in and enjoyment of interscholastic competition requires conduct that reflects the understanding that contests as a part of an overall school program are intended to be enjoyed. Behavior that reflects a winning at all cost attitude violates this standard.
2. Interscholastic competition provides valuable lessons and learning experiences that are not possible in the regular classroom setting. All involved must support the need to develop the ability to compete with enthusiasm and to accept winning with grace and losing with dignity.
3. Coaches, players, and fans should know that participation is an honor and privilege which requires them to conduct

themselves in a manner that brings honor and pride to their school and community.

4. Respect for the cultural and ethnic diversity of one's opponents, their school, and community is a fundamental tenet of wholesome athletic competition. This standard suggests that planned activity is needed to demonstrate a warm and friendly welcome, mutual respect, and a genuine readiness to participate in a sportsmanlike manner.
5. Players should demonstrate both knowledge of the rules and respect for game officials and their decisions. Coaches and school officials have the responsibility to teach and encourage these attributes.

******* Sportsmanship Statement Reminder *******

The following statement will be read over the public address system just prior to the pledge to the flag. If there is no public address system, the statement will be read to both teams by the site chairperson or his representative:

“Welcome to Section VI (name of sport). Athletic competition can provide everyone with a sense of accomplishment and pride, if all of us - players, coaches and spectators - abide by the rules of good conduct. We ask that you enjoy the performance of our outstanding athletes in a spirit of sportsmanship and appreciation of competition.”
