## Congratulations to Wilson's State Scholar/Athlete Champions

*NYSPHSAA has announced that the Wilson Girls Volleyball Team team has achieved the State Scholar/Athlete Championship for Fall Sports!*

Wilson's 8 member Girls Volleyball Team placed first out of 231 teams in the state with a combined average of 96.972. This is Wilson's first Scholar/Athlete State Championship in the state program's 14-year history. Wilson is

the Section's 5th school to earn the Girls Volleyball S/A State title in the last 10 years. Their team GPA of 96.972 is only .028 of a point away from the state's highest average in the fourteen years of the program. They are second only to Monticello of Section 9 that won the state title in 1998 with an average of 97.0. The amazing fact is that all girls are juniors and have another chance to eclipse that

mark next year.

Not only were the Lakewomen good in the classroom, their 9 wins, 5 losses earned them a 2nd Place Finish in the competitive Niagara Orleans League and a Sectional Quarter-Final

victory over Southwestern before bowing to Falconer in the Semi-Finals. Pictured above L-R are Front Row: Charissa Kiszka, Alicia Mills, Meagan Diez and Stephanie Reagan. Back Row: Coach Karen Fawcett, H.S. Principal Daniel Johnson, Lauren Howe, Aryn Plunkett, Emily Bloom, Samantha Ketch, Athletic Director Charlie Jufer, and Section VI Executive Secretary Robert Dinse.

### *Congratulations To Wilson, State Scholar Athlete Champion!!!*

## 27 Section VI Scholar Athlete Teams Place in the State's Top 10

Of the 90 fall sports teams across the state that placed in the top 10 academically for their sport, 28 were Section VI teams! Individual team GPA's are listed on page 10-11. Congratulations are extended to these teams, and all Section VI Scholar Athlete teams for their accomplishment!!

## NEWS FROM THE STATE OFFICE

### Attention All Sectional Champions

Each year NYSPPHSAA is proud to host high school sports teams and individual athletes from across New York State at the state championships. Reaching the "states" is the reward for a sport season of hard work and dedication and it is an honor that is realized by very few.

Consider this: A sport that conducts a 5-class state tournament consists of only 20 participating teams which are essentially considered to be the best out of the Athletic Association's 760+ school membership. What an accomplishment!

If your school makes it to our state tournaments, we want to be able to accurately recognize your team in the championship program. Below are two simple procedures to follow to ensure proper recognition in our program. As soon as you capture the Sectional championship in your class:

1. E-mail a photo to the State office by sending it to: [pictures@nysphsaa.org](mailto:pictures@nysphsaa.org)
2. Enter your team's roster into the Association database by going to the website [www.nysphsaa.org](http://www.nysphsaa.org), then click on "forms", click on "roster report form" and complete the roster form.

Don't wait until you have made it to the semi-finals. By that time it is often too late if there is a problem receiving your photo and/or roster. Be sure that your teams and athletes get the recognition they deserve!

### Section VI Website Update

[www.wnyric.org/section6](http://www.wnyric.org/section6)

Winter Sports are in full swing! Keep up to date by tuning in to our website. Tournament Schedules and results are posted for Wrestling by **Linda Knuutila** of *Wrestling Review* ... look for weekly individual and team rankings ... find Schedules and Results for Indoor Track Meets and Ice Hockey ... check out the link to the boys basketball site with schedules, scores, rankings and more provided by Scoreswire ... and the minutes from Section VI meetings along with our newsletters are posted as well.

When was the last time YOU tuned in to your web site???

## Centralized Management of Assigning of Officials

In September 2004, the Section VI Athletic Council created an Ad Hoc Committee for the purpose of researching the issue of centralized management of assigning of officials, reviewing associated costs, and providing recommendations regarding the direction for this task as a section-wide initiative. The members of committee include Superintendents and representatives from each of the four BOCES and all six leagues within the Section. After several meetings, the Ad Hoc Committee's initial recommendations include:

- Move forward with centralization management of assigning of officials.
- Appoint a Technology Committee for the development of the software and hardware with an initial meeting to be held in February 2005.
- Begin centralized management of assigning with basketball and wrestling in 2005-2006, and establish a time-line to phase-in all sports.
- Hire the lead person for this new office by July 1, 2005. Hire additional personnel needed by fall 2005.
- Appoint a Management Committee with responsibility for equity, quality assurance, overall guidelines and establishing general management principles.
- House the central management office with Section VI, under the auspices of the Management Committee.
- Review the assigning portion of the Officials' Contract and make recommendations towards a more cost effective centralized management system.

Additional study is needed with regards to the specific technical aspects of the project, the creation of BOCES positions and job descriptions and overall financial ramifications to districts.

The committee has been sharing information at meetings of Superintendents, Business Administrators and District Superintendents from the four BOCES since their most recent meeting on December 9, 2004. Opportunities for sharing information with additional groups will be provided as needed. The issue will be a discussion item at the January 19, 2005 meeting of the Section VI Athletic Council. Additional details of the Ad Hoc Committee's research and complete meeting notes will be forwarded to Council members in early January. It is anticipated that by the end of January there will be an opportunity to move forward with a postcard ballot due to the nature of this type of item and its potential impact to districts.

### Nominations Being Accepted

Nominations are being accepted for the following Section VI positions:

Girls Representative to the Central Committee: Pam Maryjanowski's term ends Aug. 31, 2005.

Finance Committee Chairperson: Chuck Amo will continue as Chairperson until June 30, 2005.

Current nominations include Pam Maryjanowski and Dawn Bak for Girls Rep. Please forward nominations to the Section VI office, 355 Harlem Rd. West Seneca, NY 14224 or [cszczesny@e1b.org](mailto:cszczesny@e1b.org). Thank you!

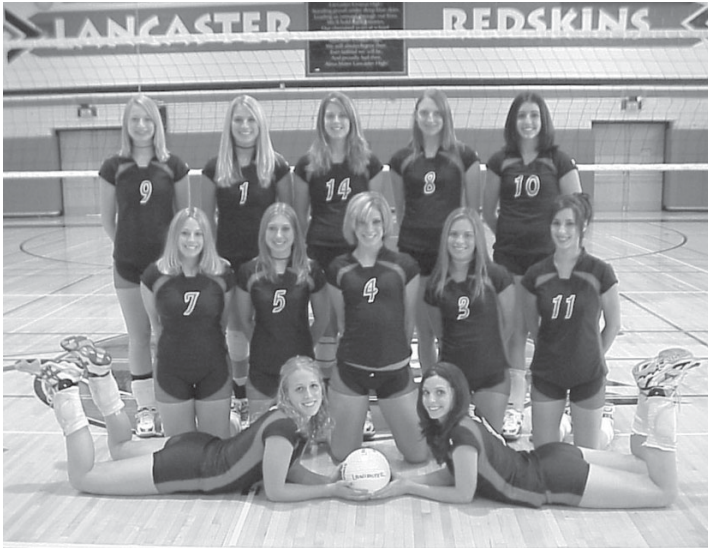

## Wrestling State Qualifier to be held at Ralph Wilson Field House

On Saturday February 19, The Section VI State Wrestling Qualifier will be hosted by the Ilio DiPaolo's Scholarship Foundation in conjunction with Section VI at the Buffalo Bills Field House in Orchard Park. Weigh in will be 8:00 - 9:00 am with the following competition schedule:

First round	10:00 am	8mats
Semi's	about noon	4mats
3rd/4th place	3:00 pm	4mats
Finals	5:00 pm	2 mats

Ilio DiPaolo's will operate a concession stand and a Super 6 club table. Many thanks are extended to Ilio DiPaolo's Foundation for their assistance, and to the Buffalo Bill's organization for their generous sponsorship of this event. The Bills are providing a not only a fantastic facility for this wrestling event, with abundant space for mats and spectators and ample parking, but they are also providing a special focus on Section VI wrestlers.

# First State Title Won by Lancaster Girls Volleyball

The Lancaster Girls' Varsity Volleyball Team clinched their first State Championship this year by beating the defending State Champions from Ward-Melville HS (Section XI). They were crowned the Class AA State Champions after 3 previous years of coming home with the 2nd place plaque. The fourth time was a charm for the 6 seniors that lead this year's team to an undefeated season with a 23-0 record.

The seniors included Stephanie Jansma, who will continue her volleyball career at UNC-Chapel Hill on a full scholarship. Kristine O'Hara, Meghan Fitzsimmons, and Val Grell are deciding on which college to play for. Lacey Severins has signed to play softball at the University of Dayton and Amanda Blando will attend Ohio State.

The underclassmen include Juniors: Amanda Dux, Kelly Jablonski, and Sara Russ. The three sophomores are Danielle Martzolf, Kristi Schrantz and Lindsey Schlegel.

This year's team, which is coached by Sue Pernick, also achieved academic recognition as a Scholar Athlete Team that posted a team high average of 96.07.

## 9th Grader Matthews Takes State Diving Title

Casey Matthews is a ninth grade Scholar Athlete at Williamsville North. She has been diving with the Spartans since seventh grade and has participated in state competition for three consecutive years. She placed 6th at the State Meet in 2002, 3rd at the State Meet in 2003 and was undefeated in all competition in 2004: 9-0 in dual meets, ECIC Champion, Section 6 Champion and State Diving Champion. Her 484.20 total at the State Meet set the Williamsville North School record. Casey was awarded the Most Valuable Athlete award for the Spartans this year. In summer competition in 2004 (US Diving), she took 1st place at Nationals in 3M diving for her age group. Casey is coached by Doug Cassidy.

## Section VI Boys Volleyball Teams Tops in the State

Both Class A Hamburg and Class B Eden were victorious at the 2004 Boys Volleyball intersectional competition in Section 3.

### Hamburg

The Hamburg Boys volleyball faced off against McQuaid Jesuit of Rochester in the Class A State Regional Championships. The scores of the game were 25-23, 25-21, 22-25, 25-17. This was Hamburg's first State Intersectional title for the boys volleyball program. During the State tournament the Bulldogs went 5-1 in pool play by beating Burnt Hills (Albany) 25-22, 25-16, Central Square (Syracuse) 25-28, 25-12, and McQuaid (Rochester) 25-18, 22-25.

After starting the season 0-2, Hamburg finished on a 21 game winning streak with an overwhelming 30-3. The team, coached by Brian Carroll, won the 16-team Eden tournament, competing against teams from all over NY State, the Orchard Park tournament, and the Sweet Home Tournament. This is the most successful volleyball team Hamburg has had in its schools history.

# Jamestown High School is Recognized for Exceptional Sportsmanship

Ken Lindstrom presents Western Niagara Frontier Board of Women's Soccer Officials 2004 Coach of Year Award to Randy Anderson, girls' soccer coach at Jamestown High School.

Ken Lindstrom, the officer who monitors sportsmanship for the Niagara Frontier Board of Women's Soccer Officials (otherwise known as the Girls Soccer Referees) has announced that for the third year in a row, the WNFBOVS Varsity Sportsmanship Champion is the Jamestown Lady Red Raider Soccer Team.

All 110 WNFBOVS members rate sportsmanship for each of the 53 public and private school team at every Varsity, JV and Modified Soccer game that they officiate. The public school with highest compiled rating is awarded The WNFBOVS Varsity Sportsmanship Award. There may be 5 different public champions determined by wins and losses, but there is only one Sportsmanship

Champion! Winning this award once is a great achievement. What is amazing is that the Jamestown Varsity team won this award three times in a row, while competing against 52 other varsity teams. It is a great tribute to the girls, their teachers, coaches and parents, that such a difficult accolade was attained. Winning may be an important goal in playing sports, but to the members of WNFBOVS and many others involved in High School sports, the development of fine quality young citizens is much more significant. Playing High School sports should be a learning experience. One of the best ways to determine if a team is doing well in this learning experience, is their display of sportsmanship.

Also, for the 8th consecutive year, the Jamestown Girls Soccer team achieved the NYSPHSAA Scholar-Athlete Team Award. Seventeen of the twenty-one players on the team received the Scholar-Athlete pin in 2004. The Lady Raiders finished their season with a record of 10-6-3 in ECIC.

In addition to the Sportsmanship Team Award, WNFBOVS presents an award each year to the coach of the varsity team with the highest rating amongst both public and private schools. This year, also for the third year in a row, the Coach of the Year Award was presented to **Randy Anderson** of Jamestown High School. Two years ago when Randy won the award, the first thought was "what a wonderful choice!". Last year when he won, it

was "Lightning Strikes Twice!". When his name was announced as the winner for this year, it was obvious "Excellence is a habit!" Randy has stated "I feel very lucky to be a coach in Jamestown where I have such wonderful student-athletes, supportive parents, and strong backing from Athletic Director, Ben Drake, and Wally Huckno before him."

Every coach that truly values the success of his team, should take a long look at Randy Anderson. He does his best at coaching strategy for his team. He does his best to keep his players heads in the game. He does his best to be a class act. Randy Anderson and his Jamestown Lady Raiders are an outstanding example of what sportsmanship truly is and Section VI applauds them for their consistently outstanding efforts!! Congratulations!!

## Welcome Aboard!

Congratulations and welcome to the newly appointed Section VI Co-Sportchairs for Girls Lacrosse:

**Douglas Kohler, Clarence and Pam Maryjanowski, Medina**

Section VI is looking forward to sharing their energy and enthusiasm for interscholastic sports!

## Winter Sports Handbooks 2004-2005

All Winter Sports Handbooks, including copies for head coaches, have been distributed to Athletic Directors. The media has been sent a Media Guide for Winter Sports with pertinent information from each of the sport handbooks. The handbooks are also available in printable format on the Section VI website [www.section6.wnyric.org](http://www.section6.wnyric.org). Click on *Forms and Information* and scan down to *Handbooks*.

## Fingerprinting Update for Officials

### Photo ID's

The Section VI office will take photographs for ID Cards every Wednesday from 9:30am to 3:30 pm at the Section VI office, 355 Harlem Rd, West Seneca. No appointment is necessary. Please bring drivers license for identification and \$.50 to cover postage and handling. Wednesdays on which the office may be closed (ie Dec. 28) will be posted on the website. Please check the website before coming in.

### Procedural change

Officers of officials organizations should note that there has been a minor change to the fingerprinting policy for new officials. The packets with completed fingerprint cards, money order and consent forms should now be sent to the Section VI office instead of SED. A newly fingerprinted official will be added to the Section website as "Clearance Pending" when the completed packet is received at the Section office. This will ensure that the data sent to SED is complete and accurate, and will expedite the process. The pickup points\* for fingerprint packets have all been supplied with updated packets for new officials. Please discard all old packets.

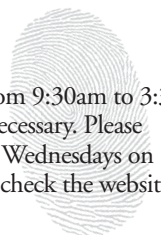

\* Pick-up points for fingerprint packets:

Erie I BOCES reception: 355 Harlem Rd. West Seneca M-Fri 8-4:00

Southwestern Middle School Library, Southwestern Dr., Jamestown M-Fri 8-4:00

Salamanca HS Superintendent's office: 50 Iroquois Dr., Salamanca M-Fri 7-3:30

### GIRLS TENNIS - STATES

Sophomore Lauren Bates from Kenmore West was the only player to win her first round match. She lost in her second match which places her in the top 16 of the state. All the other players lost their first round match which placed them in the consolation round. In the consolation round, seventh grader Tina Miller was the only player to win. She won two matches before being eliminated. The Section VI team was a young and relatively inexperienced team this year compared to last year.

**Section VI Sportsmanship Award winner:** Lindsay Abramo from Orchard Park

# Always a winner...

## Sportsmanship just doesn't happen ... it must be taught!

### Models of Sportsmanship in Action - Fall

The seasonal ALL-WNY Good Sports selections recognize (see page 9) the very best we have to offer. These athletes are members of respective teams that have been recognized for their exemplary conduct as well. Those student athlete's recognized will receive an ALL-WNY Sportsmanship patch and a certificate.

### Random Acts of Good Sportsmanship

Each of us at one time or another has recognized individual acts of good sportsmanship by players, coaches, and or officials that we deem noteworthy. Take the time, forward information noting such to Sportsmanship Coordinator, Douglas Ames, so that he might recognize these individuals and what they represent.

### Supersports

Every community has people who support their local athletes. Over the past two years, Section VI has honored these individuals at a half-time presentation, a booster meeting, or an end of the season banquet. Individuals from the following schools were honored: Alden, Portville, Sweet Home, West Valley, and Wilson. It's a great way to say thank you to those people for their selfless support. If you have someone in mind forward it to Sportsmanship Coordinator, Douglas Ames, at Newfane to book the occasion.

### CCAA Sportsmanship Day – Civility

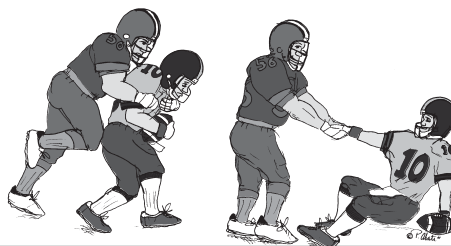

On December 17, 2004, Frewsburg Central hosted the third annual CCAA Sportsmanship Day devoted to the youth. Each district brought four athletes, coaches, and one parent to spread and nurture the message of sportsmanship in your community. Each school honored one person for their continued efforts in promoting sportsmanship within their district. Congratulations and thank you to Frewsburg athletic director, Bob Goold and the administration for their effort. Outstanding performance for a job well done.

### Time out for a sport thought...?

Should you ever allow your players to question officials' calls or decisions?

Have you considered having a prominent official in your sport come to speak to your players about the role of the official?

Have you considered requiring your players to volunteer as officials for a lower level of competition in their sport?

## ...Good Sports Finish First

## Section VI to Host Action on Target Workshop: "Life of an Athlete"

Mr. John Underwood, Founder and Director of the American Athletic Institute, in cooperation with the New York State Public High School Athletic Association and the NYS Chemical Health Committee will present a one-day training workshop at **Daemen College**, 4380 Main Street, Amherst, NY. The workshop will be held on **Monday, January 24, 2005** beginning at 9:00 am. Mr. Underwood has presented numerous programs in school districts, colleges and universities in and around New York. His presentations are always well received and generate a great deal of interest in his materials.

District superintendents, high school and middle school administrators are urged to attend the first two hours during which time Mr. Underwood will present an overview of the new five year program and its potential impact on district-wide athletic programs.

Athletic Directors and others being trained are asked to attend the full day session. Those "teams" from each school district in Section VI who are being trained will be facilitators of Phase One of the program. Districts are encouraged to send 3 to 5 members to participate at the training session. Phase One entitled "The Life of the Athlete" is a program designed to help modified-level student athletes understand the basic purpose of interscholastic athletics, lifestyle of the athlete, training effects and to help them establish a perspective for healthy participation, physically, and emotionally. This program lays the groundwork for establishing clear and consistent boundaries for our programs.

Note: Each district school represented at the workshop will leave with a PowerPoint CD and master copies of all materials needed to present the program at a preseason meeting for middle school student athletes, their parents, and coaches. Register your team by calling the Section VI office 821-7299.

# SCHOLAR/ATHLETE TEAM AWARD PROGRAM

The NYSPHSAA, Inc. believes that the athletic participation of students enhances their academic performances. To support this belief, the Scholar/Athlete Team Award Program was begun in 1991. Varsity teams who earn a 90.0% or higher average during their sport season qualify for the NYSPHSAA award. The Pupil Benefits Plan, Inc. became the co-sponsor of the program in 1995.

## IT'S OFFICIAL...

by Tom Cowan, Section VI, Officials Coordinator (821-7094)

- Florida recently became the 18th state to enact legislation specifically created to protect sports officials during, before, and after contests.

The Florida Senate and House approved a bill to protect sports officials at all levels of competition from threats and assaults as one of its final acts before adjourning its 2004 session on April 30th.

Both houses unanimously passed the Senate version which increases aggravated assault and battery punishments to the felony level.

The law adds the definition of sports officials to an existing provision that already protects numerous other public servants such as elected officials, teachers, Department of Children and Family Services employees and others.

To date New York is not on the list of 18; however, significant research is under way with this effort.

- I was recently confronted with a very legitimate question concerning the promotion of aspiring young officials. Naturally my comments revolved around the five "P's". Successful officials usually demonstrate behavior which is professional, punctual, prepared, polite, and positive.

I would be remiss if I didn't include a personal belief that the accomplished official is usually committed to being an educator at heart. The NYSPHSAA Handbook expresses a belief that all officials should be trained to deal with secondary students at a professional level. Constructive gestures and comments are often perceived as part of the valuable service rendered by officials, especially at the modified level.

- Please note the update of Fingerprinting of Officials on page 5.

*Best wishes for a Happy  
and Healthy New Year!*
