Subject: FA CPR Initial Courses

Share to you staff,

In anticipation of the fall sports season taking place, I will be running NYSED **Initial** FA and CPR classes prior to the start of the fall season. I currently have three classes available. They are on September 2, 9, or 16. Classes will be held at East Aurora. They will begin at 4:00 and run until completion.

Please have anyone that is interested email me directly to register. I am limiting class sizes for obvious reasons but hope that the three dates will help anyone who needs to be certified prior to the start of the season. Once the interested participants email me with the date they would like to attend, I will share more detailed information with them.

Thanks,

Matt Librock

Assistant Principal

Parkdale and East Aurora Middle Schools
