#### Report on changes in Policy or Practice that were implemented:

- Section 6 t-shirts were paid for through a Connors & Ferris donation.
- Website was used this year. All schools submitted a standard roster form which worked very well. Website provided very good information all year. Our hopes are to expand even more.

#### Problems encountered/ concerns:

- The Opt-Out Policy made it very difficult to schedule 9<sup>th</sup> games for every school. Coaches are unable to scout opponents and some schools are left without games.
- There is concern over the fact that we will not receive BEDS numbers until late January. This will put us behind in the scheduling process.

#### Recommendations for next season & proposed dates/sites:

At this time I would suggest keeping these weekends reserved.
