**2014 Review:**

Congratulations to all Section 6, 2014 Champions. I have to thank the staff at Diethrick Park for the use of their stadium. Also I have to Thank Mark Waple and the staff at Lew-Port HS for the use of their facility and also John Forcucci at Niagara Falls HS for the use of their brand new baseball field; Even though we had no representation at the states this year, our regional games and sectionals championship games were very well attended.

**Concerns for 2015:**

- Teams not sending in rosters.
- Possible 2-day State Tournament after 2015.
- Assigning of umpires with rating system for sectional final games. Need to meet with Timm Slade and all umpiring group representatives
- I need the Section to purchase Section 6 Wind Breakers for the Section 6 Baseball Committee to wear during the games so they can be recognized. All other sections have them.

**Report on changes in Policy or Practice that were implemented**

Coaches were asked to email state standard qualifiers prior to sectionals – continues to get better but some still did not adhere to deadlines. Having the cutoff date a day later for scratches seemed to help.

**Problems encountered/concerns**

Late entries for Sectionals is still a concern – but continues to get better. Coaches free entry to the State Meet presented a problem because coaches did not have their AD email the State office with the coaches name.

**Recommendations for next season including proposed dates**

We will continue to impress upon coaches of deadlines and strict adherence to those deadlines as well as how coaches can have free entry to the state meet to coach their athletes.

Proposed Calendar 2014:

<b>TRACK Boys Chairpersons: Paul Ksionzyk (w) 716-375-8042 Girls Chairperson: Walt McLaughlin (w) 716-687-2300x7003</b>		
State Qualifier entry close date	Sun. May 31	2:00 pm
State Qualifier	Fri.-Sat. June 5-6	Niagara Wheatfield High School
States:	Fri.-Sat. June 12-13	SUNY Albany (Section 2)

**Other pertinent data**

The Section VI meet was hosted by Olean. The Olean staff did an outstanding job. The State meet held at Cicero North Syracuse went off very well. We had 121 athletes attend the meet with 52 coaches and the two coordinators for a total of 175. All three busses were filled to or very close to capacity. Due to the numbers, East Aurora also transported 11 athletes, coach, and girls coordinator on a 15 passenger van to and from the state meet. There were numerous personal bests set at the state meet as well as Section records set.

**Problems encountered/ concerns**

As a result of Buffalo's continual failure to fill their 3 slots in singles and doubles, the committee has recommended that some or all of these slots be apportioned to the other four leagues.

*Sectional Seeding Meeting Minutes*

- Date: Sunday, May 18, 2014 @ 9AM  
Place: Southtowns Tennis Club-75 Mid County Drive, Orchard Park, N.Y. 14127  
Roll Call: Rod Beckerink (CCAC) Dan Krolewski (NFL)  
Chris Horgan(NO), Dave Kelly(BUF), Mike Graffeo(Co-Chairperson)  
T. McMahon (Chairperson)  
Absent: Brian Koziol (ECIC)  
Agenda: A. NYSPHSAA –Boys Tennis-Sectional Coordinator’s Conference Call  
Minutes (12/9/13)  
B. Handbook  
1. Update coaches directory  
2. Pictures for Section VI Tennis Handbook due 6/5/14  
C. Commitment to Play (Document – new version) recommended that it be included in all league rules for qualifying tournaments  
D. Continuity-2015- recommendation that Mike Graffeo assume the responsibility of chairperson if the coaching duties of T. McMahon are terminated in the spring of 2015. Additional recommendation that Stephen Sayoc assumes the position of Ass’t Chairperson if that occurs.  
E. Reminder to notify T.Mc Mahon of WNY Sportsmanship Award by 6/5/14  
F. As a result of poor weather last year and this year, we discussed the Sectionals being Monday-Friday thus having the whole week to complete it. We would have the seeding meeting on Saturday @9am if all qualifiers were completed or @ 4pm if not.  
F. As BUF league sent only 2 singles and no doubles teams the singles slot was awarded to ECIC 6 (Eden) with the doubles slots to CCAC 5 (Panama#2), NFL 3(North Tonawanda) and NO 3 (Akron). The committee recommended that in the future BUF notify the chair of their failure to use all their slots so they can be awarded to other leagues in advance of the seeding meeting.  
G. Tournament (May 20-23 at Lancaster High School)  
1. Entry forms  
2. Rules  
a. #10-reminder to coaches

**SECTION VI POST-SEASON REPORT  
Softball 2014  
Chairperson: Jay Hall**

**Report on changes in Policy or Practice that were implemented: only new issue was the no separating of classes. The finals were better games as the two best teams played each other. However the smaller school felt they had no chance of winning a class title. It will be discussed at our preseason meeting in November.**

**We also started the website this season, most people were good about reporting scores. We need to do a better job of rating officials that will help at sectional time**

**Tournament report / concerns**

- The sectional tournament was a relatively smooth tournament this year. The only issue was the weather before sectionals. With teams scrambling to get games in.
- Jamestown agreed to host the Cs and Ds, the field was in good shape, however we had several complaints of the distance to the fields and the restrooms from the field.
- The AA, A and B finals and regionals were held at Niagara Wheatfield. This site was great. The fields were in good shape, bathrooms close and clean and a concession stand open.
- Had some trouble with Western New York umpire assignor. Replacing people with others during sectionals. Will meet with him.

**Recommendations for next season**

- The Cs and Ds in the Southern Tier were extremely well attended. I recommend keeping those games in that area..
- I would recommend Niagara Wheatfield again for the AA, A and B finals again.

**Other pertinent data**

- Handbook-nothing to change.
- Bids for the 2014-2016 were awarded to Section II, Moreau Park.
- Discussion at state level on the increase of injuries from batted balls. A survey to all coaches has been distributed.
- Safety committee may be looking at banning composite bats and/or mandating face masks for infielders. No face masks for defensive players are safety rated yet.
- Injury survey: <http://www.youtube.com/watch?v=WMgAkuRozFM>.

**Problems encountered/ concerns**

The weather was an issue this season, therefore some teams did not play all 16 scheduled games. All scheduled league games were played. If the weather continues to be an issue, maybe we implement a make-up date on Sundays at schools that have turf. So any games that get cancelled that week would be made up on that Sunday. Mon. games @ 9am, Tues. @ 11am, Wed @ 1pm, Thurs @ 3pm, Fri @ 5pm, Sat. @ 7pm.

**Problems encountered/ concerns**

We had one player stay with their parents at a hotel for the entire weekend.

Most players went out to dinner on Saturday with their parents instead of eating at the dining hall.

**Recommendations for next season including post-season calendar**

Adopt a policy regarding the necessity for each player to have a coach or school representative on site during the entire time of the State Championship including at night in the dorm. If the coaches or representatives are all male then there needs to be at least one female (matron) at the dorm to represent Section VI.

Discuss adopting a policy about the players leaving to eat with their parents or staying in a hotel with them.

**Report on changes in Policy or Practice that were implemented**

The Diamond Hawk GC venue was lost on May 7. The reason given was that, “it was no longer financially viable for them to close their course down to host the event”. Sectionals was scheduled for May 19<sup>th</sup>. Thankfully, River Oaks Golf Club, Grand Island came to the rescue and offered to host the event. The cost per person increased from \$15 to \$20 per player and coach. They also asked for \$10 per cart issued as they have gas carts, not electric. Carts are vital to the event as coaches both mark and forecaddie for their assigned groups, drive players back to tees, on and off the course, etc. As the Section VI Sportchair, it is my position that \$20 (plus \$10 for cart) is extremely reasonable, especially since every paid person received lunch included in the fee. \$20-30 is at least a 50% discount on greens fees pretty much anywhere you can go play at a course comparable to the championship quality of River Oaks GC. At this price point, courses aren’t shutting their courses down to make money, they do it to give back to the public HS Boy’s Golf community.

**Problems encountered/ concerns**

In regards to the Section VI Transportation Policy for Boy’s Golf - as the Boy’s Golf Sportchair, my main concern is that each of the 9 boy’s on the Section VI State Golf Team has adequate transportation at States – every day of the championship. This means players are able to be moved from their Dorms to the Golf Course in a safe and efficient manner. Some district(s) this year allegedly interpreted the existing policy as being satisfied by simply dropping the player off for registration and picking the player up at the conclusion of the championship. Initially, it became known to me through the involved districts’ coaches, that the coach(s) were not permitted to transport their player and that alternative transportation was not planned for outside of dropping off and picking up. Naturally, this became my concern of mine, not because of the means of transportation but when it was known that I’d have no way to get the player to the course because the involved district(s) didn’t provide adequate transportation. If the coach wasn’t allowed to drive the player, how could I or another coach be permitted to as well? It is also my opinion that school districts should not by default assume that it is the parent(s) responsibility to transport the player to and from the dorms, restaurant(s) for lunches and the golf course. Currently, the parent is not required to be present for any portion of the championship, but a certified coach from each district is required for every minute a player is present for the event. How could we transport a player if their parent were not present and this was their only means of transportation as designated by their district? Given that the coach is required to accompany his/her player to the championship (and not the parents), it would stand to reason that the most economical and efficient way to transport players would be to have coaches approved and/or certified by their districts to drive their players at the Boy’s Golf State Championship. Paying one driver (or many drivers) to lodge 3 nights, meals and salary for 4 days is unquestionably more costly than allowing each certified, district approved coach to transport his/her player(s) especially since the coach has to be there anyway. To certify coach drivers, districts may simply set up a drug/urine test, run the coach’s

license through the DMV and sit the coach through a DMV training video for certification. This can easily be done between Sectionals and States as was done by district(s) this year. The preferred/suggested means of transportation is purely my opinion for the reasons stated. Due to the issues I encountered with district interpretations of the Section VI transportation policy, it is my suggestion that the transportation policy be clarified to additionally state that each district is required to provide transportation every day their player is in attendance at the championship venue (to and from the dorms and golf course, restaurants for lunches, etc). In addition, it should also state that it is not the responsibility of the parents to transport the players for any portion of the championship. If it is known that a district will not be providing adequate transportation at states, the Boy's Golf Sportchair should call up an alternate from a different district who will provide adequate transportation. It was my belief (all the way until the afternoon before we left for states) that players may be dropped off at Cornell this year with no approved way of getting from the dorms to the golf course. Some districts were saying their parents would be there Saturday and planned to bring the driver home Friday evening assuming the parents would be responsible for the rest of the weekend transportation needs. I knew from actually speaking with the parents they weren't planning to get down to Cornell until that afternoon at the earliest. We would have had no way to get the player to the golf course Saturday morning. Again, if the player's coach could not drive their own player, how could I as the Section VI Sportchair allow that player to ride with myself or another coach?

I would not want to place myself or any other coach in a position of liability and transport a player against their district's policy. I was shocked that I even had to deal with this as to me, the existing policy is clear. It seems however, that it needs to be clarified so that it is not an issue next year. Somehow we almost lost sight of what's best for the kids, who earned their place at the Boy's Golf State Championship. There are 572 school districts in NYS that participate in Boy's Golf – over 8,000 players. Our (9) boy's represent the top 1/10<sup>th</sup> of 1% of public HS golfers in all of NYS. Boy's Golf is unlike any other sport in NYSPHSAA – it is unique and should in my opinion, be viewed as such.
