Changes in Policy/Practice for the upcoming season

Starting date is Monday, November 9th. Because Easter falls as early as possible on the calendar, we actually lose a week of time this year. First round of sectional play will fall during February break, so administrators should be made aware of that. Many schools have had difficulties in recent years with opening gyms during any vacation or holiday time.

Rule Changes for 2015-16

New York State is now back to a 20 game (max.) regular season schedule for boys and girls varsity and junior varsity basketball. Closely guarded rule put in last year, particularly for perimeter play, will now be enforced in the post area as well.

Other Pertinent Data

Retired Sectional Committee members Rick DeKay, Pete Weishan, and Loren Smith have left the committee but remain active in running the semi-finals and finals at Jamestown Community College during playoff week. Brian Koscielniak (Salamanca) has become the voting member for the CCAA league.

Change in Policy/Practice for 2015-16:

At the July 7, 2015 meeting, the bowling committee agreed to the following modification to the Section Championship schedule:

In recent years, the Boys and Girls Sectional Championships have been held on the Thursday and Friday prior to February break. In 2016, the tournaments will be scheduled on the Wednesday and Thursday prior to February break, leaving the Friday as a “make-up date”.

Rationale: We have had postponements of our Section Championships occur twice in the past five years due to inclement weather. Because February break has immediately followed our originally scheduled tournaments, it was necessary to postpone the championships at least ten days. This puts an incredible strain on athletes and sportchairs in their preparation for the State Championships (which follow shortly thereafter). Due to a recent increase in school closings due to inclement weather, the committee has scheduled the 2016 Sectional Championships on the Wednesday and Thursday prior to February break, leaving Friday as a “make-up date”.

Rule Change for 2015-16:

At our July 7, 2015 meeting, the bowling committee agreed to the following rule change for the 2016 Section Championships, related to individual “pool” bowler representatives from each league:

Beginning in '15-'16, the number of "pool" bowler representatives each league receives for the purpose of qualifying for the "All-Section Team" will be determined by the number of teams in each division, according to the following table:

# of Teams in Division	# of "Pool" Representatives
5 or less	2
6 or 7	3
8 or more	4

Other Pertinent Data:

This past year there has been some talk of schools considering an Alpine Ski Team, such as Orchard Park, East Aurora, and Williamsville. Though I have only been in contact with parent who is working with the Williamsville A,D, and feels it is still a possibility for the 15/16 season. There are many great ski racers that attend public schools in section VI and it is unfortunate that they aren't able to represent their school and section VI at States. We need to work on ways to reduce any possible costs that are deterring schools from starting a team.
