Report on changes in Policy or Practice that were implemented

Website used by all coaches – 85-90% compliance – some need constant reminders. Change in order of play at Buff. St. and JCC Mon-Thursday. Weekend play followed the same order.

Problems encountered/ concerns

Charter Schools still a concern – all are independents (except CSAT) – will they remain independent, form a league? Talked about the need for Southern Tier Schools (CCAA) to have a pre-season face to face meeting with all varsity boys basketball coaches to go over procedures regarding the Boys website, reporting games, rating of officials, etc. They currently have no meeting and many are not getting the necessary information they need to stay up to date with policies and procedures. Either a separate meeting within their division, or a complete league meeting, similar to those hosted in ECIC, NFL, etc.

Other pertinent data

Some forms were eliminated with use of the website. Streamlined format for evaluation of officials. Will change some of the wording on form E (Officials Recommendation Form) to help with that process. Olean returns to CCAA from independent status. Continuing to rotate order of games for each class during Buff. St. week. Possibility of changing Class C1, C2, and D to Monday/Wednesday triple header games to accommodate the need for girl's teams to use JCC as a host site. Girls would use facility Tues/Thur/Sat. Also, considering moving starting times on Buff St. triple headers on Tuesday and Wednesday from 5:30 to 5:00. Will check with Buff. St. to see if that is a possibility. Concern for late games starting close to 9:00 with current format. Lastly, Oracle Charter School has the wrong BEDS number listed – is listed as 134, making them a D school. Number should be 368 – making them a B2 for boys basketball.

Sectional and Post-Sectional Results

Champions- Class AA- Jamestown

Class A1-	McKinley	(Class A Regional Qualifier)
Class A2-	Cheektowaga	
Class B1-	Olean	(Class B Regional Qualifier)
Class B2-	East

Class C2-	Randolph	
Class D-	Sherman	

Far West Regional Champions-	Class AA	Jamestown	Class C	Middle Early College
	Class B	Olean	Class D	Sherman

Recommendations for next season (including dates/sites)

- 1) Open tournament for Boys Basketball should continue. Participation should remain optional. This season all but 2 schools participated. Sectional dates listed below reflect a change by New York State Championship Week being moved a week later in March.
- 2) Continue to use the "Big East" formula for seeding purposes.
- 3) The production of the program for semi-finals and finals should continue.
- 4) Proposed calendar pending – post season meeting April 30 @ E1B 6:30 pm
- 5) Will review the order of games at Pre-season meeting

Report on changes in Policy or Practice that were implemented

Problems encountered/ concerns

1. Maple Grove – did not opt out by the deadline
2. Seeding of independent schools when there is a tie for power points. Which tie breaker is used? The independents don't have a "league."

Other pertinent data

1. The Committee would like to thank the following schools for hosting sectional semis and finals games this year: Kenmore West, Chautauqua Lake, Jamestown, and Buffalo State
2. Website: The girls' basketball website was success again this season, but is still a work in progress. A number of schools/coaches are not submitting the required information at all and/or in a timely fashion. The committee will be proposing ideas to follow up and correct these issues.

Recommendations for next season & proposed dates/sites

The committee will be meeting in April for the pre-season meeting. Proposals and Dates to follow.

Report on changes in Policy or Practice that were implemented

1. The seeding format used for the 2015 Sectional Tournament will be continued.
2. Thruway Lanes has agreed to lay out the oil pattern to be used at the State Tournament for the Sectional Tournament in order to better prepare the bowlers for the State Tournament. The same pattern will also be used during the practices leading up to the Sectional and State Tournaments.

Problems encountered/ concerns

1. The bowling committee will continue to evaluate the format used to determine the All Section team at the 2015 Sectional Tournament at its summer meeting in view of the responses of the coaches to the new format.
2. The seeding format for the Sectional Tournament will be used again in an effort to qualify more teams rather than individuals to the tournament. Bowling house lane availability will impact the decision.

Recommendations for next season including dates/sites

**SECTION VI POST-SEASON REPORT
Boys Ice Hockey 2013-14
Chairperson: Mark DiFilippo
May 2014**

All WNY Sportsmanship Winners

Ice Hockey	Division 1	St. Joe's	Paul LoVullo
	Division 2	Kenmore East	Brandon Smith
	Division 3	Grand Island	Jack Boyko

Report on changes in Policy or Practice that were implemented

This year we went from a 5 divisional format to 3 Divisions of like ability. During the regular season play the scores of our games were much closer and there were no blow-outs. In addition we saw penalty minutes and the number of major penalties go down. I attribute a lot of the penalty reduction to the new format.

Problems encountered/ concerns

Only negative with the new divisional make-up was the seeding for sectionals for small schools. The small schools did not play a common schedule. On paper Division 2 was stronger than Division 3 so many of the D2 coaches felt their games should be weighted more than the D3 games.

Recommendations for next season including proposed calendar

There will be more discussion as to whether or not to stay with the same divisional alignments or not and if so how to seed for sectionals.

Other pertinent data

We are hoping that scheduling will be a little easier with the opening of Harbour Center downtown. We will have a regular ice time there during the regular season. Also we are in talks with them to bid for the State Tournament for 2016-18.

Sectional and Post-Sectional Results

All WNY Sportsmanship Winners

Lauren Pray - Kenmore

Report on changes in Policy or Practice that were implemented

The fourth season of the Western New York Girls Ice Hockey Federation was very successful. The league expanded for the first time with the addition of two more schools. Iroquois combined with Lancaster and the team made it to the Sectional Final and Federation Final. It was quite the turnaround for Lancaster which did not win a game in it's first three seasons. A competitive Nichols team also joined giving the Federation 8 teams, the other members being Amherst/Sweethome, Frontier/Orchard Park, Kenmore, Monsignor Martin, West Seneca, and Williamsville. Teams played each other twice for a total of 14 regular season league games. The final standings were as close as they've ever been with 4 points separating the top 5 teams. The competitive games continued in the playoff games with a number of close thrilling games. Kenmore won the Sectional title and Federation Championship by identical 2-1 scores, both against Lancaster/Iroquois. The Section VI Girls Ice Hockey Handbook was updated by the participating Athletic Directors to guide league activity and make coaches aware of rule changes, dates, and procedures. The financial structure of the Federation remains similar to the Boys Hockey Federation with dues being forwarded to Don Scholla and invoices for ice, officials and minor officials being paid by him. Rich Gray remains the Athletic Director for the girl's ice hockey Federation responsible for finance and he will continue to work with Don to provide an official financial report for the 13-14 season. The Executive Board of the Federation met regularly during the season to insure the league was progressing as planned and these official minutes were recorded by Brett Banker. The last meeting of the Executive Board and coaches was held on Mon. March 10, 2014. League coaches also attended this meeting. The Executive board will meet again to discuss the 14-15 season on June 17 at 7pm in Williamsville South HS. At this meeting the league directors will begin planning for the upcoming season. Each league member was asked to bring home ice so next years schedule can be started. Although the official schedule will not be completed until October members were encouraged to begin obtaining ice time

The officiating for the Girls Federation games was again consistent, with the league getting many compliments from the officials for the quality of play and sportsmanship. It's the first season where there was not one major penalty or game suspension handed out. This in part is attributed to the respect the players and coaches all have for one another. Games were well attended and there was again no charge to attend girls' league games for the 13-14 regular season but there was a fee for the Sectional Championship Game.

Problems encountered/ concerns

The major challenge of the 2013-14 season was the rescheduling of games cancelled by the winter weather we all experienced. The schedule was condensed to the point where a team was going to have to play 4 games in a row, with the last one being the championship game. There was a concern for the health of the players for this team and a decision was made to make the games up after the season because they didn't affect the sectional standings. When it was apparent this was not possible games were later forfeited as a results. The reschedule policy and a point system to be put in if teams cannot complete the regular season will be looked at by the Executive Committee at the June meeting.

Recommendations for next season including proposed calendar

The 2014-15 Girls Ice Hockey Federation season will begin Oct 28, 2014. The first games can be held Mon. November 18. The Section VI Championship game will be held Weds. Feb. 4, 2015. The Federation Playoffs will occur Mon. Feb 9 - Fri. Feb. 13, 2015. The Executive Committee will consider expanding the sectional playoffs to include all 6 public schools not just the top 2. The committee will also look at a 3-point system for games where a regulation win is worth 3 points, and overtime win 2 points, a tie 1.5 points, and an overtime loss one point. This system is used by the other the girl's league in the state as well as college leagues and at the Olympics. It insures 3 points are awarded even for curfewed game.

Financial summary (receipts/expenditures):

To be submitted by Rich Gray and Don Scholla at a later date.

Sectional and Post-Sectional Results

Section VI Girls Ice Hockey champion was Kenmore. They defeated Lancaster/Iroquois 2-1 in the Sectional final at the Northtown Center on Feb. 5. Kenmore lost to Potsdam in the State semifinals. Kenmore defeated Lancaster/Iroquois 2-1 in double overtime in the Federation Championship Feb. 14. The first time a team has won both titles in the same year.

Post-Season

Agenda

3/6/14

1. **Bus Schedule** for states-tabled due to Cornell no longer having contract-won't know site until **9/7/2014 – State Committee Meeting**
2. **FRESH/SOPH CHAMPS:**
 - Biggest problem was handbook said finals and we decided to switch. People said we could have handled it, would it work in the future?
 - Can we have 6 throws for everyone was mentioned, however it is noted that all kids could be their end of year meet.
 - Meet was small because of the weekend,.
 - Vote for 4 jumps, no finals- vote passed 7-0
 - For shot put there will be each gender and grade level will get finals—3 in trials, 3 in finals.
Team Challenge will be discussed-if we have at pre-season meeting.
3. **Future of WNY Relays:**
 - Mentioned want Fredonia for qualifying for sectionals.
 - Some mentioned they like WNY Relays for fun but need to see the schedule.

Again tabled until we see the schedule and amount of days at Fredonia

4. **TEAM CHAMPS:**

- SHOT PUT-We can make the argument that every event would be better by not dividing small and large school
- Long Jump-How can we have trials and finals with both—comparing long and triple with shot has been an age old question. Can we do finals in one and not the other. Can we have a minimum mark to even enter 1 jumper to save time-you still get two with standard? It was mentioned should we just go to one jumper enter. Other ideas-can we not measure jumps at a certain standard.
- VOTES- SHOT WILL GO TO TRIALS AND FINALS-OF EACH SIZE SCHOOL, VOTE PASSED 8-0
- VOTES- 8-0-LONG/TRIPLE WILL ACCEPT ONLY TOP 12 IN BOTH SMALL/LARGE AND THEN RUN TRIALS AND FINALS..

5. **SECTIONAL BREAKFAST:**

- Most sentiment seems to enjoy the sectional breakfast. That will remain next year-vote was 8-0.

6. **SEEDING PROCEDURES:**

- At sectionals- relays advancement to finals. Time or place.
- There are only 4 lanes, with a two heat final-we have a fast vs. slow heat. What if there are 5 heats? You still would take 4 fastest winners. What about re-seeding if we are going fast slow since the #1 seed is running against the weaker team. Should we re-designate the seeding of relays to help offset this (top 8 seeds in 1st two heats). This leads into should we have relay standards for sectionals?
- Having relays that can get in auto it could help younger struggling programs,, or are we wasting time allowing slower teams that should not be in a championship meet. Earning your spot means different things.
- VOTE ON STANDARDS- no Standard-5 Standard-3
- VOTE BY COMMITTEE WILL BE TIME OR PLACE-Keep as top 4 times in one heat, next 4 times in the other heat. However when seeding the top 8 seeds will be in the last two heats-and therefore should run the fastest times.
- TOP 8 TIMES TO THE FINAL. VOTE PASSED 8-0

7. **300 METERS:**

- Can we run the 300 in lanes at Fredonia. Issues with everyone having major interference on the turn by the LJ. Is this even possible?

8. **SCRATCHES ONLY FOR MEETS:**

- In the past coaches wanted the ability to fill the slot. Which meets? All of them? It helps for organization and to post all the results on a needed basis. Relays cards for early meets. What about replacing a kid if 3 kids get hurt at leagues and don't run. If you need to change a relay name at league champs has to be approved by the chairman. This will help Dan and others get full results out easier. No computer entries for the triple meet weekends. We need to make sure any national/state qualifier gets the credit they deserve so people can trace results if need be. This will help Dan and others get full results out easier. VOTE APPROVED FOR SCRATCHES ONLY AT ALL MEETS-SCORED MEETS RELAY CHANGES WITH CHAIRMAN/COMMITTEE APPROVAL.

9. **ROSTERS:**

- John in the middle of the season had to put names on a roster. John types in the roster into the computer. If they are not in the computer, they are not on their roster and therefore are ineligible for the meet. VOTE APPROVED.

10. **COACHING BOXES:**

- Is this really a problem seem to be the sentiment. This is an issue as everyone abused it as they bounced from coaches box to coaches box and abused the process. Some think at Team Champs there should be no coaches on the floor. At team champs we have non-committee working the events and therefore coaches are on the floor. There is lap counting issues and do we need to have committee only working at leagues?
- The current movement is to not allow coaches on the floor at team champs. MUST HAVE A COACHING BOX FOR SECTION 6 COACHES AT POLE VAULT.
GET RID OF COACHES ON THE FLOOR AT TEAM CHAMPS: VOTES: 7-1

11. **LONG TRIPLE BOARDS DO WE NEED SHORTER ONES:**

- Committee feels that event goes too long anyways and keep everything as is.

12. **TRI DIVISIONAL FORMAT:**

- Emilio saw DE 4 times never saw an A. Pete and Brian will re-look at schedule assignments. The tri-divisional was also a late change and groups were randomly assigned. Entries will stay at what they were this year-we will change the handbook.

13. **SECURITY:**

- **Sue Dronkowski** has **resigned** as the **Head of Section VI – Indoor Track & Field Security– Ed Grzywna** will be the **New Section VI – Indoor Track & Field Security** contact person.

14. **END OF YEAR VOTING:**

- Should it be just committee. By just committee are we making ourselves the target. Should we just have committee vote for coach and coaches for athletes. Coaches must nominate their athletes for MVP of the league and MVP of the season within 24 hours of the League Champs ending.
VOTE-8-0

Financial summary (receipts/expenditures):

Don Scholla can inform the appropriate people on this subject. Don handled all of the finances this year and it seemed to work out extremely well.

ATHLETIC COUNCIL MEETING May 14, 2014 – Agenda item 10.0

SECTION VI POST-SEASON REPORT
Wrestling 2013-14
Co-Chairpersons: Mike DeBarbieri and Israel Martinez
May 2014

All-WNY Sportsmanship Winners

DIVISION	SCHOOL	INDIVIDUAL
Large School	Williamsville North	John Freda
Small School	Fredonia	Dakota Gardner

Report on changes in Policy or Practice that were implemented:

Section 6 tournaments were seeded using a point based system that reflects the NYSPHSAA process. We want to expand the seeding to the class level for 2014-15. System is outlined in the handbook.

Problems encountered/ concerns

1. Skin problems continue to be an issue at post season events. Is it possible / practical to have skin specialists / dermatologists assigned to each region of our section where student athletes can have their NYSPHSAA skin form completed? We need more consistency with how the athletes are being screened by their family practitioners.
2. Can we get temporary / movable plastic fencing to put around the mats at our championship event? We still have too many traffic issues with coaches and/or spectators attempting to stand alongside the mats during competition. If we have our championships at UB next year, it will be a tremendous help in running a smooth / safe event.

Recommendations for next season including proposed calendar

1. We need to look at delaying the start of wrestling practice in Section 6 later. Scheduled start date is November 10. Can we change it to November 12?
2. Scheduling officials for post season continues to be an issue. Section 6 committee will meet and develop an updated policy that outlines the process for selecting officials for the post season.

Wrestling Co-Chairs Mike DeBarbieri (c 378-1190 & Israel Martinez (c 628-0664		
Weight Certification	Starting Nov. 15 – 19th	TBA
