\* Approval of November 2013 minutes

\* NYSPHAA staff who participated:

Bob Stulmaker

\* **2013 tournament report**

- Tournament a huge success despite loss of 3rd field due to vandalism
- Finances were very similar to last year
- Middletown volunteers were outstanding behind Pete Ferguson, Tony Martelli and Jim Osborne leadership
- Looking to resolve issue with fans who don't pay and watch through the fences
- HOF dinner attendance is lacking....new ideas (breakfast, cocktail hour, etc.)

\* All sections asked to update records for Harry Duckworth who keeps the NYS records

\* Yellow/Red card report (see attachment)

\* Referee concerns Neil Edkins

- Scoreboard horn not effective
- Hashmarks need to be 10 yards from corner not 11
- Team and coaching areas need to be more definitive
- Football goal posts, if they swivel then turn them away from playing field

\* Appears we will have a face to face mtg in early June or late May

\* New rotations for NYS tournament are complete but will not be finalized until BEDS are published

\* Brine has not lived up to its contract...No ball bags, no shoes distributed to state committee members, no sportsmanship awards to sectional teams who received no cards, etc.
