The baseball committee has decided to split Class A and B this year because of the number of schools that actually participate in sectionals in classes A and B. We chose not to C's because of the number of schools that actually participate.

Changes in Policy/Practice for the upcoming season This is the 3rd year for our Section 6 Website .It is now **mandatory** for all schools to enter rosters by **April 1st** and league game results within **24 hours after the game** or they risk not being allowed to participate in sectionals

- Section VI Golf Website: <http://www.section6golf.com/>
- Contract securing River Oaks GC, May Sectional Qualifier: Pending
- **The Boy's Golf Qualifier falls on the 3rd Monday of May, every year. This date typically conflicts with Baseball Sectionals. This has affected some of our top players at the Boy's Golf Qualifier. Recommend/Request that Baseball Sectionals be moved off of that date as Baseball has multiple dates for their playoffs. Boy's Golf Sectionals will always be the 3rd Monday of May. It is not fair for athletes who compete in both Golf and Baseball to have to choose. In my humble opinion, it is incumbent upon the Section and it's chairs to work out a solution on behalf of potential Golf/Baseball athletes. Boy's golf has one date, it's the same every year. Baseball should not conflict with this date as it is avoidable with prior planning.**

The division alignment and schedule will be determined at the next committee meeting in the next 3 weeks.

Rule Changes for 2014-15:

Perhaps the most noteworthy change was for the one rule that will not become a requirement until 2017 - that all games must be officiated by at least two US Lacrosse rated officials.

Rule references are from the 2014 US Lacrosse Women's Rule Book:

Rule 2, Section 5: The ball shall be yellow or bright orange in color and must meet the current NOCSAE lacrosse ball standard at the time of manufacture.

Rule 2, Section 8: Mouthpieces shall cover the leading arch. This adjustment allows for a player whose leading arch is at her bottom teeth to wear a mouth guard on the bottom.

Rule 2, Section 13: Legal player numbers are 0-99. A team may not have both 1 and 01, 2 and 02, etc. Those are considered the same number. Also, beginning in the 2017-18 school year, double-zero, 01, 02, 03, etc. will no longer be legal numbers.

Rule 3, Section 7: Cameras in goal cages may now be used with some restrictions.

Rule 3, Section 10: Beginning January 1, 2017, the game *must* be officiated by at least two US Lacrosse rated officials. Three officials are recommended.

Rule 5, Section 2: To clarify draw positioning, the wording was adjusted to state that opponents on the draw must each stand with one foot toeing the line and both feet must be on the same side.

Rule 5, Section 28: The number of stick check requests shall be two.

Rule 5, Section 28: When an illegal stick is found after a goal, the restart shall be at the center.

Rule 6, Section 1m: Adjusted the definition of Forcing Through to eliminate the words "in such a way as to cause her own crosse to contact her body."

Rule 6, Section 1s/w: Consolidation of "Detaining" and "Holding" foul.

Rule 7, Section 25: The goalkeeper may return to her goal circle if she has moved outside the goal circle during the slow whistle (flag raised) and has not fouled.

Rule 7, Section 35: When a suspended or ejected player (one who is no longer eligible to return to play for that game) reenters the game, it shall be Coach Misconduct.

Class A and B will be the only Classes split this season. This will be reviewed after season with a formula to be worked on to determine when to split classes.

Changes in Policy/Practice for the upcoming season

1. Update on Computer Program: All division chairman let Jay know when their preseason league meeting are and Chris, Dennis and or Jay will come and explain the program and how it works to all your coaches. Have them bring their IPADS or electronic device they will be using with them that night. All games should be reported within 24 hours. Jay and Dennis will put all schedules on web site. Reporting stats are HIGHLY RECOMMENDED (this helps players with college placement) You may turn in a preferred and non-preferred list by May 8th. It will only be accepted if you have rated officials on our web site. If your umpire group has their own, you still must do ours!!!!

2. Umpire Assignment for all sectional games: All coaches are still required to send in their preferred and non-preferred list. Jay will assign all umpires for sectionals, regionals and state tournament. If umpire is not available that is selected an umpire from a different association may be used.

3. No coin toss unless during crossovers both teams are seeded the same.

4. Location for section Finals and Regionals: TBA we are evaluating all options including having everything at Sunshine Park again.
