

## Boys/Girls Bowling Post-Season Report 2016-2017

### Report on changes in Policy or Practice:

1. The 2018 NYSPHSAA Championships are scheduled to take place one week later than usual due to the tournament being held at the OnCenter in Syracuse, NY (the site of the 2018 USBC National Championships beginning in late March and running through July.) The USBC has agreed to allow the NYSPHSAA to hold their 2018 Championships on the lanes being used for the USBC Tournament, however the lanes will not be ready until the second weekend in March. This will be a special and exciting event for all involved.
  
2. NYSPHSAA has approved a third division for the State Championships beginning in 2017-2018. There will now be separate divisions for large schools and small schools. This means that Section VI will be sending a second school team to States. In preparation for this, Classes will need to be realigned for Sectional competition. All schools that qualify as "large school" according to NYSPHSAA bowling will be assigned to Classes A and B (split evenly). All schools considered "small schools" will be assigned to Classes C and D (again, split evenly).
