**Report on changes in policy or practice that were implemented: NONE**

**Problems encountered/concerns:** A Section VI coach brought non-qualifiers to the State tournament. Those students were housed in our Section hotel without the knowledge of the chairmen. Students caused damage to the hotel room. We will implement a written policy that states “no other students / coaches are to stay in hotel rooms with the listed qualifiers and coaches that we have on our rooming list”.

### **Recommendations:**

**Division 1:** Based on a coaches' poll, the 2 - D1 leagues wish to eliminate the class tournaments for this year as there will only be 20 schools in the division. Sectionals can be a 2-day, double elimination tournament (open qualifier). Every school can enter a maximum of 15 wrestlers. A school can enter 2 wrestlers in the same weight class if the second wrestler has at least 10 varsity wins with a better than .500 win / loss record.

**Division 2:** Reduce the number of class divisions to 2. The class tournaments will have to be a 2-day double elimination qualifier for the Sectionals. Every school can enter a maximum of 15 wrestlers. A school can enter 2 wrestlers into the same weight class if the second wrestler has at least 10 varsity wins with a better than .500 win/loss record. The top 5 wrestlers per weight class will advance to the Sectionals. The Sectional tournament will be a one day 10-man tournament. Any preliminary bouts due to medical wildcards will be wrestled as a single elimination bout. Loser of that bout is out of the tournament.
