

## Cheerleading Post-Season Report 2016-2017

**All-WNY Sportsmanship Winners:**

**Report on changes in policy or practice that were implemented:**

- Section VI will approve one (1) Outside Agency and one (1) League competition on the same day. This is to insure that Officials are available for each competition.
- For Outside Agency contests, the host school is responsible for payment of officials as per their contract.

**Problems encountered/concerns:**

- Rule violations of member schools - NFHS Spirit Book throughout competitive winter season. Concerns from Athletic Directors that coach should not be emailing their concerns to Section VI Coordinator. Some coaches were told mid-season that they would receive disciplinary action from Athletic Director if they reported another school

**Recommendations for next season including proposed calendar:**

- Section VI has previously approved to allow 10% of each Cheerleading Division to move on to the State Championships after Sectional Finals. This is determined by having the Sectional Winner in each Division move on to the State Competition. If there are more than 10 in a Division then it will be the Sectional winner plus the school or schools with the next highest scores.
  - RECOMMENDATION: We would like to divide Division 2 Small (BEDS 750 or less) into classifications (B, C, D) of equal numbers, send the winner of each classification and the additional team(s) will be determined by the next highest scores within the entire division. (See attached spreadsheet for further information).
