FUTURE ITEMS FOR CONSIDERATION/INTEREST:

Despite major construction at the USTA Billie Jean King National Tennis Center to build a retractable roof above Arthur Ashe Stadium, the 2016 New York State PHSAA/FSSAA Boys Tennis Championships took place at the NTC, held on June 2nd-4th at the indoor facility. Outstanding competition and sportsmanship highlighted the 3-day tournament indoors *and* special provision of the Grandstand and Louie Armstrong stadium courts, not part of the construction. The commitment, hospitality and high interest of all staff at the USTA in hosting the NYSPHSAA Championship, even during its extreme physical transformation, has contributed to its success and moral.

CURRENT ISSUES IMPACTING SPORT:

Currently, the PSAL competes in the PHSAA State Tournament for the FSSAA Championship medals. Any PHSAA athlete eliminated by a non-PHSAA member prior to the final four, do not have equal opportunity to compete for their state championship (as medals are awarded for 1st-4th places). Future PHSAA Championships will be limited to PHSAA athletes as proposed for 2017. A separate FSSAA Championship will be determined and needs consideration for scoring impacted by the number of matches per day by all competitors to provide equal competition impacted by the number of associations who participate. The Boys Tennis Committee continues to work together to provide a PHSAA and FSSAA Boys State Championship that prioritizes a fair and equitable opportunity for its member athletes. The professionalism of the NYSPHSAA Staff, tournament volunteers, USTA tournament referee Carl Richko, athletic trainer Joe Abruzzo, and tournament souvenir vendors Don and Yvonne Knaititis, have also made a positive impact by their commitment and service to NYSPHSAA Boys Tennis.
