Sectionals:	TBA		
States:	TBA		Bristol Mountain, Canandaigua, NY

Number of Schools Participating/ Sectional Alignments:

Williamsville is set to have a team for the 16/17 season. Ellicottville will have a team. Gow School participated as a friend/neighbor. Springville may have a team not definite at this time.

Changes in Policy/Practice for the upcoming season: None

Rule Changes for 2015-2016: None

Other Pertinent Data:

It will be great to have another public school with a ski team this coming season with the addition of Williamsville. I have met with the Springville AD and coach and it looks positive that Springville may have a team for this season. With the addition of these schools hopefully other schools will follow.

Respectfully submitted
