### **Number of Schools Participating/Sectional Alignments**

- Three individual Class Championship Meets (A, B, C) will once again be conducted utilizing the same meet format as the 2016 season.
- Classes may need to be adjusted based on the most recent BEDS report. An attempt will be made to equalize the three classes.
- Following the Class Championships, a separate Section VI Championship meet will occur to determine state qualifiers.

### **Changes in Policy/Practice for the upcoming season**

- The tentative plan is to host the swimming events of the class championship meets at three different sites - diving will be held at one central location so divers are all competing on the same board.
- Class and Sectional qualifying times will once again be studied and adjusted as appropriate but times are anticipated to be similar to the 2016 season.
