Changes in Policy/Practice for the upcoming season:

1. Work assignments have been an issue. We will continue to offer blackout dates. All schools will have an option by 10/28 to blackout dates they cannot work an event (i.e. they will be travelling to a different meet). If a team does not show up for one of their duties defined sanctions will be put in place.
3. For the league champs: Every meet will once again be combined with the results of each class pulled out from there.
4. Entries:
 - a. Scratch and add early season entries –
 - Will allow changes for every team whose rosters are on time (Rosters are due on Tuesday, 12/11/15 Max 3 changes.
 - Relays can have up to 8 names and beginning to check names at WNY Relays
 - b. Add Relays – Early Season
 - 2ns Relay added in the Tri-Meets
5. Varsity B Meets:

While these meets were well received last year, there currently are not any open dates on the calendar to put these meets. Therefore no varsity B meets will be run this year, and we will revisit this next year.
6. Small School/Large School Divisions”
 - We will be going to 3 classes for events-A, B, and C. Class A will be 875 and up, Class B 600-874, and Class C 599 and below. These classes will be used to score the WNY Relays and the Section 6 Team Champs. WE will not have a team challenge this season.

7. State Meet- The state meet has been moved to the Ocean Breeze facility on Staten Island. The section 6 buses will be departing the WNY area at noon on Thursday prior to the Saturday meet. WE will have practice on Friday at Staten Island.

Rule Changes for 2015-16:

The Jewelry Rule will be in effect throughout New York State.
