| Todd Nelson | Chris Joyce |
| Chris Watson | |

Staff Reports:

- * Joe Altieri – Explained the Service (10-14 years) and Lifetime passes (15+ years) are due for distribution this year and would use the info on the BVB directory to distribute accordingly. Joe thanked Kathy for her years of service and hard works as she prepares to retire. He explained nominations can be sent to him, a ballot will be developed then sent out. The next coordinator should be prepared to attend the Sport Coordinators Meeting in August as well as the 2018 BVB Tournament Director.
- * Joe Altieri/Todd Nelson – Explained the staff is reviewing the NYSPPHSAA Handbook and wants each committee to be sure their rule waivers are listed. They also explained the Executive Committee has asked all sport committees not using NFHS rules to provide differences in NFHS/NCAA rules and reasons why they should not use NFHS rules and forward to the Executive Committee.
- * Kristen Jadin – Asked for feedback on the Spalding ball. No feedback.

Discussion Items:

- The committee indicated they believed the NCAA VB Rules produces the best game rules for our athletes. If NFHS VB Rules were used we would need 20 additional rule waivers.
- The definition of a scrimmage will include wording that there is no champion, it cannot be bracketed and no win/loss record will be kept.
- The waivers listed in the NYSPPHSAA Handbook will be reviewed and any corrections should be sent to Todd Nelson.
- The 2019 Championship format was shared
- NYSCVOA.org is the website for the officials organization. On the home page click on coaches for access to printable scoresheets, tracking sheets and lineup sheets. Click on fans for a discussion about fan behavior.
- It was decided to leave D1 as 950 and up and D2 as 949 and down. After the numbers approved by the Central Committee are available we will revisit the Divisions.
- Winter Regional for 2018-19 school year is tentatively scheduled for March 2, 2019 in Section 2
- Section 2 noted they will be discussing with their section office for boys volleyball to eventually move to the fall season.
