**Report on changes in Policy or Practice that were implemented:**

Nothing to report

**Problems encountered / concerns:**

1. Encourage & highly recommend to enforce all rules of the game during play
2. Encourage more schools to utilize the lanes for practice for 15 minutes prior to competition
3. Participating schools must follow the NYSPHSAA guidelines & regulations with regards to scoring system
4. Practice site not available or limited time slots for matches
5. Final culminating tournament early release time

**Recommendations for next season:**

1. Longer season of competition prior to final tournament
2. Final culminating tournament with all teams present if possible
3. Establish a Unified Bowling Committee to assist with season logistics
4. Two (2) divisions of play during Tournament (Competitive & Non-Competitive) / Unified Committee will review and give recommendation to AC committee
5. Committee will revisit prior to season the scoring system with regards to Baker Format
