4.0 EXECUTIVE DIRECTOR'S REPORT (M. DiFilippo)

4.1 State Championships (Informational)

Due to the regents exam scheduled for Thursday, June 1, the Boys Tennis state championship dates changed to June 2nd, 3rd, and 4th.

4.2 G. Neunder Litigation Update

R. James (NYSPHSAA attorney) is in the process of collecting information for a response to the recent documentation received by Section VI regarding the G. Neunder lawsuit.

4.3 6 Class Concerns (Seeding, Financial)

Certain policies and procedures within Section VI are based on the 5 Class structure. The 6 Class structure will be implemented beginning with 23-24 school year. As a result, Section VI will need to review and make changes to the seeding procedure and the coordination fees structure. The Sectional Intersectional Committee will review the seeding procedure at their February 9th meeting. The Finance Committee will review and make a recommendation on the dues format. In the interim, the current dues format will be used for the 2023-2024 school year.

4.4 Esports

NYSPHSAA is looking at implementing Esports. T. Nelson shared that if 4 schools recognize ESports interscholastically in 4 sections, then NYSPHSAA can recognize it as a sport. Some NYSPHSAA member schools are already offering Esports.

Some Section VI members have expressed concerns about housing Esports under the umbrella of athletics and the challenges therein; others have commented that they are open to investigating Esports because of the benefits and opportunities it brings to the kids who excel in that arena.

Overall, the consensus was that more information is needed. Therefore, council members were asked to place this item on their league meeting agendas to provide feedback to the Section.

M. DiFilippo to send a survey out to member schools regarding Esports.

6.0 **STANDING COMMITTEE REPORTS**

6.1 Combining of Schools Committee (J. Rabey)

6.1.1 Fall 2022 Combined Teams End of Season Reports

The Combining of Schools Committee convened last week. There have been growing concerns in a number of areas with regards to combining of teams. The committee was given five (5) questions to discuss with their respective leagues: 1.) Review of combining of schools for individual sports – is it appropriate or necessary? 2.) Does the current combining of schools formula still work for our schools? 3.) Statewide concern – should we consider setting a hard limit to how many schools can combine? Section VI allows up to four (4) teams with opportunity to appeal. It was noted that this is a huge concern at the state level. For example, Central NY has a 12-team combination in the sport of ice hockey. 4.) Are the deadlines for submission of combining of schools applications appropriate or too aggressive and the impact it has on scheduling? 5.) Is the current process of paperwork for long standing combined teams appropriate or redundant? The committee will reconvene in two weeks. Recommendations for the March 22, 2023 athletic council meeting are anticipated.

6.2 Charter Schools Classification Committee (J. Rabey)

See item 7.2.1

6.3 Finance Committee (B. Fadeley)

6.3.1 **Motion to approve the Treasurer's report** (Appendix A)

CARRIED

Penhollow/House

The fund balance is in good standing. The Girls Ice Hockey, Boys Ice Hockey and Indoor Track school program fees are detailed and separated out on the treasurer's report as they skew the total fund balance.

6.3.2 **Motion to approve the 2023-2024 Section VI Proposed Budget** (Appendix B)

CARRIED

Fallacaro-Dougherty/Lilleck

6.3.3 Cost Sharing of Officials/Mileage Expense

The Finance Committee was asked to review the current data regarding the mileage pay resulting from the most recent collective bargaining agreement. As suspected, the outlier schools expensed the most for the fall 2022 season. The Finance Committee will continue to look at that data through the winter season and thereafter, in an effort to remain fair and consistent, come up with a proposal to spread mileage costs across all school districts.

6.4 Sectional/Intersectional (M. DiFilippo)

6.4.1 **Motion to approve of a 12-run mercy rule after 5 for sectional play in the sport of Softball**

CARRIED

6.4.2 **Motion to approve the proposed 2023 Football Alignments** (Appendix C)

CARRIED

Zirkle/House

It was noted that Allegany-Limestone and Frewsburg are not included in the 2023 football alignments. Both schools are looking to offer 8-man programs and have requested to be included in Section 5's schedule. Section 5 has not yet confirmed. The council was made aware that if they are denied, changes to the Section VI schedule would result.

6.4.3 **Motion to approve of Rifle Sports** Standards (Appendix D)

Brown/Bergman

6.4.4 **Motion to approve to direct J. Roth, Male Representative, and M. Fallacaro-Dougherty, Female Representative, to oppose moving Boys Volleyball to the spring season**

6.4.5 Flag Football Alignments (further discussion)

There are concerns with the number of games etc. in the current Flag Football proposal. The Girls Flag Football Committee meeting is scheduled for this evening at 6pm. M. DiFilippo anticipates an update from that meeting. At that time, the league heads will review the updated information and make a recommendation for direction to their council representatives. M. DiFilippo will conduct an email vote in advance of the February 15 Executive Committee meeting.

6.5 Safety (M. McKenna)

Nothing to report

6.6 Modified Committee (L. Bergman, M. Librock)

6.6.1 Modified Athletics 6th Grade Addition Survey Results (Appendix E)

M. Librock provided a brief analysis regarding the survey conducted inquiring about the interest in the addition of 6th grade to the modified level, which is detailed in Appendix E. There were 61 responses across the section, the majority coming from athletic administrators or athletic directors. The most notable piece of the survey was 60% are in favor of moving forward, 10% completely against, and 30% hesitant in moving forward with adding 6th graders at the modified level. This was sent to the state modified committee, who will tally all the information from all sections. Updates will be provided when available.

9.1 NYSPHSAA (T. Nelson & R. Zayas)

- As a result of the Damar Hamlin (Buffalo Bills) medical situation, media reached out to NYSPHSAA to inquire what plan is in place for student athletes in NYS. T. Nelson recommended to highly communicate to schools about the Anyone Can Save a Life Program.
- R. Zayas is proposing to revise current NYSPHSAA meeting structure. Currently, NYSPHSAA meets as a Central Committee in July and the Executive Committee meets in October, February, and May. The intention of the proposal is to increase communication with principals and superintendents where there would an additional meeting of the Central Committee, October and May. The Executive Committee would meet in February. In July, a virtual executive committee meeting would be held. This revised schedule will save the association about \$50,000 a year and those savings could be directed towards recruitment and retention of officials and increasing participation in athletics.

- Starting winter championships next week. T. Nelson noted that this year will be the first ever Girls Wrestling Invitational. Alex Conti and his committee were acknowledged for a great job in promoting Girls Wrestling.

Handbook Committee – Removing the NYSPHSAA Note under Mixed Competition

- Action Item
- Discussion Item
- Informational Item

Action Item
in Feb

Presenter:

Pat Pizzarelli, Handbook Chairperson

Proposal:

The NYSPHSAA Handbook Committee is recommending removing the following NYSPHSAA Note under Mixed Competition regulation in the NYSPHSAA Handbook.

"NYSPHSAA Note: This clause is to meet the need of the exceptionally talented girl".

Effective Start Date:

When approved by the Executive Committee

Rationale:

Mixed Competition is an SED regulation. The NYSPHSAA Note is an opinion by NYSPHSAA on a regulation that we have no jurisdiction over this regulation. This could cause some issues for our member schools and NYSPHSAA if we were challenged on this language.

FOOTBALL – Amend Guidelines for Combined Practices for 11-Man

- Action Item
- Discussion Item
- Informational Item

Action Item

Presenter:

Gary Vanderzee, NYSPHSAA Football Coordinator

Proposal

The NYSPHSAA Football Committee is seeking approval of an amendment to the Combined Practice guidelines for 11-man football.

Effective Start Date

August 19, 2023

Rationale

In 2019 the NYSPHSAA Football State Committee established guidelines for interschool practices. Five items make up the framework of these guidelines. Items d) and e) are being proposed to be revised.

CURRENT GUIDELINES:

- a) Coaches are to instruct their own players.
- b) "Full Live" contact is permitted but not required.
- c) Athletes/Teams may not participate in a combined practice unless they previously completed five (5) days of practice.
- d) While working on team situational aspects, drills may not exceed seven (7) players from either team. This will allow for teams to conduct a 7 v 7 period for skill positions or it may be designed to focus on an inside run package to emphasize offensive/defensive line play.
- e) Schools using more than seven (7) players in a team drill will be in violation of this rule.

PROPOSED CHANGES:

- d) While working on team situational aspects, drills may not exceed a maximum of nine (9) players from either team. This will allow for teams to conduct a 9 v 9 period for skill positions or it may be designed to focus on an inside run package to emphasize offensive/defensive line play.
- ** 8-Man Football teams will only be allowed a maximum of seven (7) players from either team.
- e) 11-Man teams using more than nine (9) players in a team drill will be in violation of this rule.
8-Man teams using more than seven (7) players in a team drill will be in violation of this rule.

The rationale for the request centers on allowing teams to work on inside run play with a full line. Currently, with the 7 v 7 rule in place, a team that uses a tight end with two running backs can't run full line drills. They would need to use 5 linemen plus the tight end and quarterback and they are already at the maximum of 7 without counting the running backs. As a result, teams are forced to go half line and not incorporate any backside linemen. Most teams utilize pulling lineman from the back side when

DATE REVISED: October 3, 2022

New York State Public High School Athletic Association

Executive Committee Meeting – October 19, 2022

executing inside run play. If the rule is modified to read a maximum of 9 players, teams could use 5 linemen, a tight end, and 2 running backs to get a true evaluation and a more productive drill.

When the state committee established these guidelines, the 7 v 7 rule was put in for two reasons:

1. There needed to be a clear distinction that these drills were not actually scrimmages with 11 on 11 so the decision was made to max out at 7 v 7 so it would be clear to all, it was not an 11 on 11 full team scrimmage. We believe modifying this rule will still accomplish that same premise while allowing for a more productive teaching period for athletes. Anyone viewing this period will still note the offense has no wide receivers and the defense has no defensive backs. It will still be evident to all that this is not an 11 on 11 situation.
2. If more than 7 v 7 was permitted, 8-Man teams would have a full line-up thus making it a scrimmage. With that, we would only be asking for this modification be implemented for 11-Man football.

It should also be noted the original decision to max at 7 v 7 had nothing to do with safety. As mentioned, it was simply put in so there was a distinction between the combined practice and a scrimmage. This change would still honor that premise.

Boys Wrestling – 2023-2024 Weight Classes

ACTION ITEM FEB

- Action Item
- Discussion Item
- Informational Item

Presenter:

Marty Sherman, Boys Wrestling Coordinator

Proposal:

The NYSPHSAA Boys Wrestling Committee is recommending using the following NFHS weight classes plus a NYSPHSAA lower weight. The weight classes would be 101 (NYSPHSAA), 108, 116, 124, 131, 138, 145, 152, 160, 170, 190, 215, 285.

Effective Start Date:

2023-2024 season

Rationale:

The NFHS has given the State Associations the option to select 12, 13, or 14 weight classes. The committee feels that the NFHS 12 weight classes is best suited for NYS. The committee also feels that NYS has had a lower weight class for many decades and many Sections would like to keep a lower weight class.

Proposal Originated:

NYSPHSAA Wrestling Committee

Budgetary Impact:

None, this is in line with the number of weight classes currently being offered.

Notes:

The committee voted 7-4 to approve this recommendation. Sections 2,3,7 and 8 were opposed.

Boys Wrestling – Division Cut-Off Numbers

- Action Item

- Informational Item

Action Item

Presenter:

Marty Sherman, Boys Wrestling Coordinator

Proposal:

The NYSPHSAA Boys Wrestling Committee is recommending that Boys Wrestling become a variation sport and is recommending having the Division cut-off numbers be 600 and above Division 1 and 599 and below being Division 2.

Effective Start Date:

2023-2024 season

Rationale:

The new format to determine the classification cut-off numbers for non-variation sports in two division sports is 40% of the teams in Division 1 and 60% of the teams in Division 2. The Boys Wrestling Committee is concerned with the imbalance of the two Divisions. The Boys Wrestling Committee would like to keep the divisions balanced and the cut-off numbers being 600 and above for Division 1 and 599 and below being Division 2.

GIRLS FLAG FOOTBALL– ESTABLISH A STATE CHAMPIONSHIP IN 2024

- Action Item
- Discussion Item
- Informational Item

Action Item

Presenter:

Joe Altieri, NYSPHSAA Assistant Director
Todd Nelson, NYSPHSAA Assistant Director

Proposal:

The NYSPHSAA Staff and Girls Flag Football Committee is seeking to conduct a state championship starting in spring 2024.

Effective Start Date:

Week #48 in Spring 2024

Rationale:

Due to Girls Flag Football meeting the criteria of six sections with four or more programs, a state championship may be established per the NYSPHSAA Championship Philosophy.

Proposal Originated:

The NYSPHSAA Girls Flag Football Committee met for the first time on September 14, 2022.

Budget Impact:

There will be travel expenses for schools to send a flag football team to a state championship in addition to NYSPHSAA incurring expenses to rent a venue, pay for officials and awards, travel, and also pay for other associated state tournament expenses. Additionally, schools/sections/NYSPHSAA will generate revenue from admissions at local games, Section tournaments and the State Tournament to help offset budgets.

Other

Each section will send a representative to a Regional competition (see proposed regions below) for the right to advance to the State Semifinals/Finals. Teams will be made up of 15-30 players and follow the NFHS Football Rules supplemented by the NYSPHSAA Flag Football rules. They will also adopt all high school sports standards as published in the NYSPHSAA handbook.

The schedule is proposed as follows:

State Semifinals/Finals	Week #48 – Games on Fri & Sat <u>OR</u> Sat & Sun
Regionals	Week #47 – Games on Friday, Saturday or Sunday
Section Tournament	Week #46 – Games days to be determined by the section

Proposed Regions: North Sections: II, III, VII, X South Sections: VIII, XI
 West Sections: V, VI East Sections: I, IV, IX

**tentative; subject to change*

New York State Public High School Athletic Association

Executive Committee Meeting – October 19, 2022

Venues:

Section Tournaments and Regional game sites will be determined by sections. Regional rotations will be set up by the committee and approved by CAC and Executive Committee. The State Semifinals/Finals will be determined by a bid process at least one year prior to the event date, approved by the Executive Committee.

Awards:

Certificates for Regionals, Semi-Finalists and Finals will be distributed. Championship t-shirts, 1st place medals, plaques, Final Four bracket boards and champion boards will be awarded to team champions. Finalists will be awarded medals and plaques. Semi-finalists will receive plaques. Sportsmanship shirts will be awarded to one athlete from each participating State Tournament team. A maximum number of team personnel will be established to allow for a budgeted quantities of awards.

Staff/Officials:

NYSPHSAA Staff will oversee and manage the planning of this event with consultation with the state coordinator and committee. The state coordinator shall oversee gameday operations on the field with assistance from NYSPHSAA and the state committee.

Game officials will be determined using Officials Fees & Policies procedures, established by CAC, and will be similar to girls lacrosse procedures.

Boys Wrestling – Eliminate the NYSPHSAA Honor Weigh-In

- Action Item
- Discussion Item
- Informational Item

Action Item

Presenter:

Marty Sherman, Boys Wrestling Coordinator

Proposal:

The NYSPHSAA Boys Wrestling Committee is recommending eliminating the NYSPHSAA honor weigh-in.

Effective Start Date:

2023-2024 season

Rationale:

Currently teams are allowed to weigh-in in the morning of a match and if the students make the weight for a particular weight class, they are given a 3lb allowance for the mat side weigh-in during the evening match. The honor weigh-ins are required to be monitored by a school administrator or their designee. There are doubts in most Sections that an administrator is monitoring the honor weigh-ins. If the 1.5% weight loss plan is approved, the practice of honor weigh-ins would allow students to keep fluctuating during the season which is not in the best interest of the student.

Boys Wrestling – NFHS 1.5 % Weight Loss Plan

- Action Item
- Discussion Item
- Informational Item

Action Item

Presenter:

Marty Sherman, Boys Wrestling Coordinator

Proposal:

The NYSPHSAA Boys Wrestling Committee is recommending following the NFHS 1.5% weight loss plan.

Effective Start Date:

2023-2024 season

Rationale:

Currently wrestlers are certified to a minimum wrestling weight and must weigh in 50% of their matches at the weight in which they want to compete in the post season. The 1.5% weight loss plan sets up a weight loss plan for the wrestler in which they can only lose 1.5% of their body weight each week. The plan can be given to the wrestler at the beginning of the season so they can know exactly what the minimum weight they can weigh in each week. If the student weighs in more than the minimum weight for the week the plan is recalculated. The wrestler and the coach can monitor the plan each week during the season. The 1.5% weight loss plan would replace the 50% rule.

ACTION ITEM

Presenter:

Jim Rose, Modified Co-Coordinator

Proposal:

The NYSPHSAA Modified Committee is recommending changing the following language in the NYSPHSAA Handbook under the sport of soccer. “ a mouthpiece shall (replace with may) be worn by the soccer goalie for protective purposes”.

Effective Start Date:

2023-2024 season

Rationale:

From youth soccer all the way to professional soccer the only level that requires goalies to wear a mouth guard is the NYSPHSAA modified level. The Modified Committee feels that this should be a choice made by the school and the player. This falls in line with a change we made a few years ago regarding the soft headgear for modified soccer goalies.

ACTION ITEM

Presenter:

Jim Rose, Modified Co-Coordinator

Proposal:

The NYSPHSAA Modified Committee is recommending increasing the maximum number of events for a track athlete from 3 to 4 providing one of the 4 is a relay. The are also recommending eliminating the distance restrictions in the modified Track and Field regulation.

Effective Start Date:

2023-2024 season

Rationale:

This change would allow for more participation for our modified athletes. Many schools were struggling to fill relay teams because of the restriction of 3 events. The committee also feels the restriction to the distance run by the modified athletes is not needed and coaches should be able to put students in events they feel are appropriate.

TABLED to
DISCUSS in FEB
POSSIBLE ACTION in MAY

Presenter:
Todd Nelson, NYSPHSAA Assistant Director

Proposal:
The NYSPHSAA Sportsmanship Committee is recommending adding the following NYSPHSAA Sportsmanship Spectator Regulations to the Handbook.

“Any negative, inappropriate, derogatory comments or actions that brings direct attention to a supervisor or school administrator by a spectator or group of spectators are required to be addressed by the host school, Sectional or NYSPHSAA representative in the following non-sequential order depending on the comments or behavior:

- First warning – Directing the spectator or group of spectators to refrain from any negative comments or actions.
- Second warning – A personal discussion with the spectators or group of spectators on the above NYSPHSAA expectations and reminding the spectators or group of spectators of the next step, removal of the game or event, will be utilized if the behavior continues.
- Removal from the contest – The spectator or group of spectators will be directed to leave the facility for the remainder of the game or event. If spectators or group of spectators refuse to leave the game or event, play will be stopped until they vacate the premise.

Penalty for being removed from a game or event: Any spectator removed from a game or event will have a minimum penalty of completing the NFHS Parent Credential course or a one game suspension before they are allowed to attend any interscholastic event, home or away. Once the course is completed the spectator will provide a certificate of completion to the athletic department office. Schools are required to communicate with the offending spectator on the NYSPHSAA Sportsmanship Spectator Expectations.

- Depending on the severity of the behavior/comments or future disqualifications by the offending spectator NYSPHSAA and the Section may get directly involved in the situation.

Note: A school may take any or all these actions during or after an interscholastic contest.

Effective Start Date:

B. Official selection for state championships.

1. Discussion of how many officials at the State Tournament, what to do in the case of an official being injured or called away due to a family emergency. Bev submitted a proposal to have a back up official from the host section when available or within 100 miles.
2. T.Nelson made a statement that this committee has the final decision as to what officials work the state tournament.
3. Discussed going from 9 to 10 officials, having the ability to call a backup official from the host site. Todd suggested so we don't get caught trying to find another official that we just bring a 10th official from the host site.
 - 2 from the host site
 - 1 from each other section
 - Selection of the 10th Official - Discussion about if there was not another official available from the host site to go with the next best official from any section. It was agreed by all that the best officials should be selected.
4. MOTION BY K.Hutteman - Request to have a 10th official at the NYSPHSAA Tournament
 - Second: B. Sellers
 - Motion passes 9-0
5. Rating of Officials
 - We need to be more conscience of our officials groups and how they are rated and how often
 - Reiterate the process - Each coordinator will ask for recommendations from the officials group, with that said, the coordinator has the final recommendation. Bev suggested that each coordinator work with their officials group and coaches about the rating of officials.
6. Fees of the State Tournament: Established by taking an average of all the nine sections.

B. Consistency in training

7. This is truly a situation all over the state - The state does not tell them what to train on nor dictate training because they are independent contractors.
8. Training workshop from neighboring Sections - Grouping Sections to have Training Sessions

B. ALL-STATE Criteria

9. All-State selection/numbers - Number allowed this is an award given by the Field Hockey committee, not the state association.

Discussion about whether all schools that played field hockey in NY should be considered for selection even if they were private, catholic, or charter schools. Rename the award specific to the area. Ex Nassau County FH coaches Assoc. All State Award, therefore, no mention of NYSPHSAA. Kristen suggested talking to Julie Clark about possibly co-sponsoring this award. After much discussion this was tabled.

B. Max Field Hockey: a nationwide group that has a national tournament. Bev suggested the group should go and look at the site could be a possible site to list the all state selections.

- E. **Classification numbers:** Bev stated that the numbers were sent out in October. After changes to schools playing in what class the numbers stand at A=62, B=75, C=72 Total teams=209. A question was asked about changing the numbers to make each class equal. This change would not be in effect until 2024. Bev will play with the numbers and send them out for approval from the section coordinators. Needs to be proposed to the CAC in April, Exec. Committee in May and voted on in July.
- F. **Section Reports/Concerns:** Section 2 is concerned about the training of officials by officials that are not the best to be rating other officials.
- G. **NFHS rules:** Concern voiced about stopping the clock on corners. Adding time to the game and losing the time to play JV games. The goalie must wear a wraparound throat protector. Can also wear a plastic shield.
- H. **Modified:** Barb F. stated that playing overtime at the modified level is great. Also told FHC they have any other changes or concerns to contact her. Bev said if your section is playing OT please inform the officials group at the beginning of the season.
- I. **Miscellaneous:** Bev thanked Nicky and Sue/Rebecca for the bids they submitted from their sections. Bev thanked Deb Ferry for all her work with the state championship games. Bev thanked everyone for all the work they did within their sections for field hockey.

NYSPHSAA GIRLS & BOYS TENNIS
State Committee Meetings
December 12, 2022
MEETING MINUTES

JOINT COMMITTEE MEETING (11:00 am)

ATTENDEES:

NYSPHSAA: Dr. Robert Zayas, Joe Altieri, Todd Nelson, Kristen Jadin, Chris Watson, Chris, Joyce,

COMMITTEES: Coordinators from committees attended this meeting between the boys and girls individual committee meetings. See names under minutes of each committee meeting.

1. **Welcome** by NYSPHSAA
2. **UTR - Jonathan Hicks**

The committee asked numerous questions of the platform to better use as a tool for seeding. UTR's Jonathan Hicks agreed with the Girls' Committee view that using the singles UTR rating of the members of a doubles team would usually be more accurate than the doubles UTR rating since the UTR doubles rating could be based upon results created with a variety of doubles partners. UTR can provide information in a variety of formats as per the needs of NYSPHSAA.

3. NYSPHSAA Reports

Joe Altieri, Assistant Director

- Explained NYSPHSAA four primary goals in its new strategic plan: Increase student participation, Official Recruiting & Retention, DEI, Long Term Financial Stability
- Hall of Fame - All submissions required to be online - Deadline Jan 29, 2023. Nominations can be submitted for athletes, coaches, officials, administrators or contributors.

Todd Nelson, Assistant Director

Classification cut-off options for state team championships were explained by Todd Nelson. All coordinators were requested to have their updated sectional lists of schools competing in girls' tennis submitted to Todd by December 16. A girls' tennis committee meeting will be scheduled the first week of January 2023 to discuss which classification option will be recommended for the team championships once Todd shares the updated statewide school participation numbers with the committee.

Kristen Jadin, Assistant Director

Awards - Kristen will work with coordinators on where to ship balls and Regional plaques. She will also work with the coordinators on the Operations Packets for each sport.

4. Joint Committee Business

- Coaching on court has been restricted to one coach per team at the individual and state tournaments, but four days prior to this year's state team championships, the state office opted to have additional board approved coaches allowed on individual courts. There have been concerns raised by the committee which will have to be further looked at and addressed. NYSPHSAA will also have an internal conversation about the policy.
- The seeding of the teams for the team championship semifinals is an option that needs to be further considered as a method to provide the fairest means to guarantee that the top teams face each other in the finals. The criteria and process for creating the seeding must be further researched by the committees.

GIRLS COMMITTEE MEETING (12:15 pm)

ATTENDEES:

NYSPHSAA: Dr. Robert Zayas, Joe Altieri, Todd Nelson, Kristen Jadin, Chris Watson, Chris, Joyce, Joe de Guzman. Section Coordinators: Quan Huynh (1), Deb Murray (2), Todd Hicks (3), Colleen Hanzas (4), Joe Thyroff (5), Kristin Janese (6), Seth Spoor (7), Shai Fisher (8), Tutu Gupta (9). Mark Mensch (11) Absent with notice.

1. Welcome by Coordinator Chris Horgan

2. Committee Business

- Presentation of sportsmanship winners will occur at the beginning of the individual and team championships; and winners may be determined earlier to provide recognition in the programs.
- Committee was unanimously in favor of adopting digital participation certificates at the state tournaments. Joe Altieri will record this as he continues to survey all committees.
- For the team championships, the teams' starting line-ups will be announced and introduced by team captains prior to going on court.
- The staff and committee unanimously voted to recommend the bid from SPORTIME Schenectady to host the 2024-26 NYSPHSAA Individual Championships.
- The committee and staff unanimously voted to re-bidding the 2024-26 team championship. Joe Altieri has scheduled the re-bid meeting on Tuesday, January 24 at 1:00 PM.

Meeting adjourned at 12:52 pm

Minutes respectfully submitted by Chris Horgan, State Coordinator

2022-2023 Coaches Sportsmanship Nomination: N/A

Report on changes in Policy or Practice that were implemented:

1.) **Problems encountered/concerns:**

Twenty coaches voted in our poll. The current vote was 13-7 to federate. However, there were discrepancies in league voting to Confederate. See the league vote below:

Buffalo	1 yes	2 no
NFL	1 yes	4 no
ECIC 1	4 yes	0 no
ECIC 2	4 yes	0 no
ECIC 3	3 yes	2 no

This should be a topic to be discussed by AD's and their coaches. It is suggested that each section rep should represent their league's position at the athletic council for discussion and then see if this would be a viable change. It is suggested that if this proposal moves forward for the upcoming year that it be a 2 year trial and then revisited as to its merits.

Other pertinent data:

All WNY/All Star Selection Meeting Monday 11-20-23 Site TBA

Boys Volleyball Committee Proposals for the 2023 season:

1.) **Sent Vote to State on Possibility to Switch Boys Vball to the Spring Season**

I took a vote at the year end Boys Vball Meeting and the coaches overwhelmingly voted to stay as a Fall Sport due to facility problems in the spring, loss of coaches and athletes to other sport commitments, our schools being so much smaller than other parts of the state lowering the possible pool of players, and the interference with USA club volleyball participation.

3.) Proposal to Change Power Point Tie Breakers for WNY Boys Vball

Rational for the change was to eliminate a tie by a coin toss. Remove Divisional wins as a tie breaker because of the differing number of teams in divisions.

We would like to propose ties in Power Points for seeding be as follows...

1. Head-to-head in the division
2. Set percentage head-to-head in division
3. Set percentage in division
4. Point percentage in division
5. Coin flip

Sectional Intersectional has voted to table this item until the February meeting.

4.) A suggestion...That the NYSPHSAA/Section VI Sportsmanship Pledge be read at all matches after the Pledge to the Flag...

Sportsmanship Pledge

The New York State Public High School Athletic Association requires officials to enforce all sportsmanship rules for athletes and coaches. We will not tolerate negative statements or actions between opposing players, especially trash-talking, taunting, or baiting of opponents, including racial or discriminatory comments or slurs. If such comments are heard or actions seen, a penalty will be assessed immediately. We have been instructed not to issue warnings. Let today's contest reflect mutual respect.

Sectional Intersectional Recommends that Leagues police this item.

- Eric Valley (Medina), Glen Graham (Cleveland Hill), Ty Harper (CSP)

Report on changes in Policy or Practice that were implemented:

- The first practice of the season was moved from Monday August 22 to Saturday August 20. This provided an extra day for teams to prepare for their first games. It also allowed the section to open up the season on Thursday September 1.

Problems encountered/concerns:

- Low number of officials forced Thursday/Saturday games in most weeks.
- Frewsburg forfeited a regular season game, citing insufficient numbers.
- Bennett was forced to forfeit four regular season games for playing with an ineligible player per Section VI executive.
- The Far West regional games hosted by Section V, were affected by a significant snow storm that hit WNY. Section V chose to host the games on Monday November 21 at home schools. Lackawanna was unable to travel on Monday to Attica, so the game was moved to Tuesday November 22 at Batavia. All games were played.

Other pertinent data:

- The football committee would like to congratulate the Bennett Tigers and Head Coach Steve McDuffie on winning the New York State Class AA Football Championship.
- Congratulations to the Lackawanna Steelers for winning the Far West Regional and advancing to the state semifinals.
- We would like to congratulate Bennett, Jamestown, Iroquois, Lackawanna, and Randolph on winning sectional titles.

- Thanks are extended to the federation committee and the following people who worked very hard for the athletes of Section VI:
 - o Communications and support – Beth Fadeley and Pauline Turski
 - o Website – Matt Todaro
 - o WNY Athletics
 - o Officials – Dan Finucane and Al Feser (assigners)

- The only recommendation that the football committee is making at this time, is to keep the start of the season on Saturday (or even Friday) for the 2023 season. That would be a decision at the state level.

***2023 Proposed Alignments:** (**federated sports alignments must be submitted within the post season report of the prior season*)

2022 POST- SEASON REPORT Girls Swimming & Diving December 28, 2022

The Section Committee (*League Chairs and At-Large Members*) met virtually on December 7 to review the season and discuss recommendations for the 2023 season to better prepare the contents of this report

2022-2023 Coaches Sportsmanship Nomination:

The committee unanimously nominated Gavin Christopher Miller, coach of the Williamsville East team for the Coaches Sportsmanship award.

Report on changes in Policy or Practice that were implemented:

- There were no changes to policy or practice exercise during the Fall 2022 season. The season mirrored the traditional pre-COVID format of 2019.

Problems encountered/concerns:

- Problems: There were no problems during the fall 2022 season.
- Concerns:
 - A. The swim committee discussed the season format at length. After extensive research from other sections across the state, it was evident that Section VI has a long standing tradition of competing within the various athletic leagues (BPS, CCAA, ECIC, NFL, and NO,) throughout the regular season. This practice is not common throughout the other sections. The vast majority of teams in the state swim their regular season within their *class* of their Section, rather than leagues. Within Section VI, the post season league meet and/or championship has a history that continues to be supported by their leagues. With that format, there is limited flexibility for post-season competition.
 - B. Many of the leagues would like to increase their number of dual and/or double dual meets due to decrease in meets due to combined schools teams. See Committee proposal 1.
 - C. Committee members discussed that the State Qualifier meet portrays two very different philosophies
 1. a last change opportunity to qualify for the State Championship meet competing against other athletes of similar abilities
 - a. As a coach, I may “stack” my relays then to get 2 or 3 relay teams to the state meet.
 - b. This may potentially sacrifice my fastest swimmers who could also have an opportunity to be crowned Sectional Champion in a second individual event.
 - c. Ultimately, this opens the doors for more athletes to qualify for the state meet and better represent Section VI.

2. a Sectional Championship
 - a. similar format to wrestling, track events, etc.
 3. Is there a way to unite and/or accommodate these philosophies?
- D. The committee spoke about which meet has the greatest emphasis -
1. the Class Championships
 2. the Section State Qualifier meet
 3. With that then, the greater emphasis should have a prelims/finals format.
 4. Regardless, the sequence of meets should progress in both competitiveness and energy.
- E. The Executive Director noted that Individual Sports (Swimming/Diving, Wrestling, Track & Field, etc.) are inconsistent with Championship awards (patches, plaques, etc.).
1. Nate Bourke will be surveying these sports to see what and where they give out certain awards in an attempt to streamline the process for future seasons.

Other pertinent data:

- Each swim section must submit one official to be the representative of that Section to the NYSPHSAA Championship meet.
- With the state meet being in Webster, NY in 2023, Section VI may have more representatives based upon geography.
- The committee presented four names. Nate will see which, if any of those four, would be interested in being the formal representative.
- Complete Results for schools who participated in the fall are online at:
<https://www.swimcloud.com/country/usa/prep/state/ny/section/NY-Sec-VI/>

Girls Swimming Committee Proposals for the 2023 season: *All following Girls Swimming proposals were tabled at the January 12, 2023 Sectional Intersectional Committee meeting.

*(*any proposals for a change in policy or practice must be submitted on the post season report of the season prior to requested implementation. All proposals are held to the governance process: sport committee approval, Sectional Intersectional Committee (and/or Finance Committee) review and recommendation, Athletic Council action item)*

- Each league expressed an interest in having the opportunity to have cross league competition days built into the 2023 schedule based upon the 2022 rankings and of course geography. We will begin a draft of pairings in the event that we move forward with this opportunity to add one or two more dual meets to the Fall 2023 schedules.
- There was a discussion about having more Thursday night dual meet options.
- 2023 Proposed Schedule
 1. The Section VI meets penciled in below are based upon facility availability.
5:30 pm starts are recommended based upon transportation challenges of school districts.
 2. The Class meets penciled in below are based upon facility availability.
5:30 pm starts are recommended based upon transportation challenges of school districts.
 3. The committee is looking at ways to merge the Class and Section meet to give more time for training.
 4. Cross-Over Meets could be double dual meets based upon host facility
 5. ECIC has 7 or 8 dual meets based upon number of teams within divisions
 6. NFL has 6 dual meets
 7. BPS dual meets TBA
 8. CCAA has 9 teams, and 3-4 divisional meets and a few crossover meets.

Report on changes in Policy or Practice that were implemented

Sectional Tournament: The tournament was held at Miller Tennis Center in Williamsville, NY and ran smoothly with no problems. With 8 courts, the tournament is able to be run in less time and more efficiently. Viewing is great at MTC.

Representation from each league broke down as follows:

NFL - 3 singles and 3 doubles

CCAA - 3 singles and 4 doubles

ECIC - 7 singles and 7 doubles

BPS - 3 singles and 2 doubles

*** Due to BPS only able to send 2 representatives for doubles, CCAA sent an extra to fill the bye. A fair rotation will be used if this happens again in the future.

State Individual Tournament: Transportation and meal policy continues to go well. The tournament was held at SPORTIME Schenectady and players stayed at the Crowne Plaza Albany - The Desmond again. The State implemented the format which eliminated the consolation rounds and awarded medals to 1st-8th place. A couple parents voiced their opinion that they still preferred the consolation rounds.

State Team Tournament: Held at the National Tennis Center in NYC on Friday November 5th. Our Division 1 champions, Clarence will represent Section VI this year. Coach Alex Chambers has reported that he is all set and good to go. I will update upon their return with results.

Problems encountered/ concerns/notations

Regular Season –

No problems. Most coaches voiced their concerns that the UTR Score Reporting site was not as beneficial as the former score reporting site of Rick Schneider. Since this is a state mandate, there is not much we can do about it. The change will take some time to get used to.

Individual Sectionals – The tournament ran smoothly. No issues to be reported. BPS only sent 2 reps out of the 3 allotted for doubles. CCAA sent an extra doubles to fill the bye.

Team Sectionals -

42 teams out of 54 opted out of the tournament. Other sections that have been running the tournament for years have almost 100% participation.

- Due to the high number of opt outs, the format was modified and changed a handful of times to accommodate.
- Neutral sites may be considered for the future.
- League Schedulers need to take into consideration the weather when putting together matches and the 6 match requirement to participate in the Team Sectional Tournament.
- Format may be modified to a top 8 Division 1 and top 8 division 2 teams qualify format.

States – Tournament ran smoothly. Start times were given that staggered singles and doubles matches and the use of all 8 courts helped the flow of the tournament.

There was a miscommunication between NYSPHSAA and the hotel and breakfast was NOT included in our stay. We did not find out until about 11pm on Wednesday, the night we arrived. Not much could be done so players had to eat breakfast at the hotel and bill to the chairperson's room. Hopefully, there will be arrangements made for next year as we will be at the same hotel again.

The host hotel was about a 15-25 minutes drive to the courts depending on traffic with tolls each way.

The players seemed to have a blast and represented their schools and Section VI with class. It was a great showing. Players continued to support each other and represent even after they were eliminated from the tournament.

Recommendations for next season & proposed dates

1. We would like to hold our Section 6 tournament on October 13th and 14th, 2023 in the Northtowns. This is still a week earlier than normal in order to make room for the team(s) that will advance to regionals this year. I will be in contact with Todd Miller from MTC shortly. My goal is to provide a venue that can provide an entire block of courts for our tournament. Start times for Friday and Saturday will be 12PM noon and 3PM ideally as they have been in the past.
2. ****The Team Regionals match will be held in Section V on Saturday October 21st, 2023 pending confirmation from Section V.**
3. The State Individual Tournament will again be a Thursday – Saturday tournament to match the boys. It will remain week 17 of the Standard Calendar of Weeks for NYSPHSAA and will be held 10/26-10/28 at SPORTIME Schenectady. The committee will meet again in December 2022 to go over any other details. I intend to secure a block of rooms at Crowne Plaza Albany - The Desmond.
4. The State Team Tournament will be held November 3rd, 2023 at the National Tennis Center in NYC.
5. The dates/locations for the Section VI Team Sectional Tournament would ideally be held on Saturday September 23rd(Round 1), Tuesday September 26th(Quarterfinals) and Saturday October 7th(Semis/Finals). Winning Division 1 and Division 2 teams will play against Section V on Saturday October 21st in Section V. If we change the format to top 8 teams, we may eliminate the first date.

Team Regionals:	Saturday October 21st, 2023	Section V - TBD
Team States:	Friday November 3rd, 2023	National Tennis Center, NYC

Other pertinent data

The seeding meeting was held Sunday, October 9th at Zoes. The NFL, ECIC, CCAA and BPS leagues were all represented. The seedings and tournament draw were completed at this meeting with input from everyone present (Jamie Sposato, Paul Biddle, John Lemar and Chris Meszaros). We were all in agreement it was a fair draw and allowed the draw to be available to all immediately following the meeting. This procedure seems to work well.

The committee would like to propose a top 8 teams bracket for Team Sectionals.

4. **The State Individual Tournament** was held at SPORTIME Schenectady October 27th – October 29th, 2022. Each school and coach was responsible for getting their athletes to the State Tournament. This procedure works well. As always, it was very nice having each coach there to help supervise their athletes and to assist in them getting lunch on their own each day. I tried keeping the team together as

much as possible (i.e. practice, room proximity, breakfast & dinner). The individual results are as follows:

- **Julia Laspro(#7 seed overall- volted on by State Committee) – Won** 1st round 6-4,6-4 (Anselma Petrie - Eastchester, Section 1), **Won** 2nd round 6-0, 6-0 (Samantha Dalmolen - Binghamton, Section 4), **Lost** Quarterfinal match 6-3, 6-2 (Victoria Matos - Longwood, Section 11 - # 2 seed overall), **Lost** medals consolation round 6-0, 6-3 (Nina Wiese - Garden City, Section 8 - #6 seed overall),**Lost** to Isabella Sha 6-4, 6-4 - Friends Academy, Section 8 - #1 Seed overall)

Report on changes in Policy or Practice that were implemented:

Sectional Championships 8th Runner Participation: This was the first season a team could enter an 8th runner participant at the Sectional Championships. This added participant was a great additional opportunity for every cross country team in Section 6 and added valuable experience for that individual. With many sections in NYS allowing 8-10 participants at their Section Championship Meet, this was a positive step for Section 6 keeping up with state participation norms.

Problems encountered/concerns:

Sectionals at Alden: Due to some construction and subsequent course changes at Alden, we needed to make some last minute improvements prior to Sectionals. A big thank you to the Alden administration and grounds crew for working with us to provide the best experience and venue possible for the event.

It is our desire and recommendation to continue to pursue returning to Elma Meadows Golf Course for our Section Championship Meet in the future. It is a challenging, neutral course that is spectator friendly. In short, it is one of the best courses in NY State and if and when the opportunity presents itself to return to that venue we would recommend that asap.
