

An invitation to join Raider Nation

Director of Athletics and Physical Education

Horseheads Central School District

The Horseheads Central School District is seeking a dynamic leader for our athletic and physical education programs with a commitment to meet and exceed the needs of our students and the standards of our district.

The Director of Athletics and Physical Education will be responsible for planning, developing, promoting, and evaluating both our competitive sports program and our robust physical education curriculum. Student participation in interscholastic athletics is strong and growing, averaging 500+ in the fall season, 300+ in the winter, and 400+ in the spring. Our physical education program continues its implementation of the 2020 New York State Physical Education Learning Standards.

The leader of these programs must have the ability to work proactively and communicate effectively with diverse groups including students, coaches, teachers, administrators, parents, outside organizations, and other athletic directors. The director must be highly visible both during the day and after school.

- Starting date on or about September 1, 2021
- Competitive salary/benefits based upon experience
- New York State Certification required (SDA or SDL)
- Prior successful administrative experience preferred but not required
- Physical education certification preferred but not required
