

ECIC BOYS' SWIMMING SPORTS STANDARDS

- I. In ECIC Championship meets, each school may enter a maximum of four entries per event. Two relays per school are permitted. The "A" Relay will score points while the "B" Relay will be exhibition only. No qualifying times are required. In regards to diving and diving safety, divers will be required to have a dual meet minimum 160 point six dive total. For championship meets, in regards to diver safety, the diver's coach will verify the diver has eleven safe dives.
- II. The ECIC Championship meet is a timed finals session only. All relays are seeded according to time. Only "A" relays can score points.
- III. Awards for the ECIC championship meet as per recommended of the Awards Committee as approved by the council. Patches will be awarded to the Top 4 finishes in the order of Blue, Red, White and Green. Ribbons will be awarded to 5th-8th place finishers.
- IV. The ECIC Chairman and Meet Committee (Meet host) for the ECIC Championship will set up the meet and develop meet information for all teams. For boy's season the ECIC championship will be hosted in an ECIC high school pool with a minimum of eight lanes. In the event that an eight-lane pool is not available, an alternate pool will be mutually decided on.
- V. Exhibition heats may be held before or after Varsity meets according to the preference of the home school.
- VI. Teams may alternate Varsity Exhibition meet events by consent of the coaches only with exhibition events coming before varsity events.
- VII. The ECIC will keep records for a 25-yard course. Each division will have separate ECIC Meet records and overall set of records.
- VIII. ECIC records can be set in all National Federation sanctioned meets. This includes dual meets outside the ECIC, Sectional, Inter-Sectional and New York State Meet.
- IX. A new ECIC record, division, or overall, may be set in any one of the following ways:
 - a. A first-place time in a dual meet score sheet signed by the referee
 - b. Any place other than first in dual meet must have three times and the meet referee's verification.
 - c. Any place in dual or championship meets where automatic timers have recorded the time and are functioning properly.
 - d. Any time in an event with automatic timing when functioning properly.
- X. ECIC Swimming competition shall be conducted under the rules as stated in the National Federation Rule Book, excepted as noted by sectional policy.
