Jason Przybysz 6/6/22 meeting

Girls' Swimming: Emergency meeting discussion item included girls' swimming class meets to change format not changing next year. No further discussion needed.

Rifle: Discussion rifle going federated vs. currently in ECIC. Discussion Kenmore and possibility of Franklinville combining. May move to federated sport. ECIC has the most teams. Kenmore accepted into ECIC league schedule for rifle. Another league entering with another team promotes the possibility that rifle should be a federated sport.

Boys' Basketball: Discussion of classifications and playoff seeding. Nothing decided. Proposal suggested. Determination of how playoffs are played. Section handbook #1 criteria is the number of wins. Possibly changing to a win percentage. Some playing (10) league games; some playing (12) league games; some playing (16) league games. Others have every contest count. Further discussion to take place in September, 2022 to see if a pilot would work with boys' basketball. Current seeding points a "B" class school playing against an equal class school, power points, incremental games, etc.

Football tie breaker: Seeding criteria, Seeds 1,2,3 go to division winners seeds 4,5,6 go to 2nd place finish; seeds 7,8 go to 3rd place; seed 9 goes to the remaining 3rd place finish; seeds 10-12 go to the 4th place.

Modified No report	Daryl Besant

Chemical Awareness No report	Jason Iwankow
Finance No report	Vinny Dell'Oso
Sportsmanship No report	Sandy Gauthier

Combining of Schools No report	Daryl Besant

Standards/By-Laws	Jason Lehmbeck

Quote for signage--\$149 for a 2' X 3' indoor/outdoor sign. ECIC to purchase one sign for each school and if more needed payment if the responsibility of the school. 12" X 14" is \$100. Cannot be added to current years dues. If one ordered every year aid able on school dues. New logo for wall. Possibly a sticker.

Old Business:

- **All ECIC Handbook & Signage--Follow up Jason Lehmbeck:** See above
- **Priority of officials assigned to games--Agreed "order":** Not enough officials
Provide an official for ECIC teams. Same official to do both a boys/girls modified volleyball back-to-back. Put pressure on officials' organization. This is a crisis situation for all sports. Games without officials hurts participation. Looking at a more efficient path in becoming an official at modified level. Play of a non-league game that is not an ECIC school, these games will be filled last. Others would like the Varsity game that is non-league covered by official. Forced to go outside for non-league games due to not enough players for league vs. non-league games.
Varsity league games covered
Non-league Lakeshore vs. Canisius not covered. Cover non-league and then cover JV or do we cover JV West Seneca vs. Eden 1st and then if any officials left cover the varsity Lakeshore vs. Canisius game.

Need direction on how to fill games with lack of officials. Days given to ECIC are also problem days due to the number of games/officials. 100 officials per sport would be a good goal.

Collect 3-4 people from schools and pay a chaperone pay for modified games. Double header for boys'/girls' volleyball. Not enough officials for modified volleyball or modified soccer, West Seneca and Lake Short would like to find someone officiate a scrimmage for the entire season. Would there be issues with exhausted roster and school finding someone? Issue of having an official and then official being removed to put elsewhere. Lake Shore do not take official to fill other games. Do not remove official from schools with official. Reschedule varsity or JV game if no official available. Suggestion to have 1 varsity/1 JV. Lake Shore no need for 2 on varsity.

Fill all Varsity regardless of who playing if league or non-league, then fill JV and modified.

1. Varsity (fill all)
2. JV
3. Modified

- **ECIC Basketball tourney:** await further discussion
