INTERSTATE CONTESTS:

- b. *No member school will engage in athletic competition, scrimmage and/or practice with an out-of-state school which is not a member in good standing of its respective state high school athletic association or has not been approved by the respective state association if the school is ineligible to join. Furthermore, member schools will not compete in any interstate contest which is sponsored solely by an outside agency. For dual contests it is the school's responsibility to determine that these criteria are satisfied.*
- d. *A member school planning to participate in an interstate contest involving four or more schools, or any interstate contest which is co-sponsored by an organization other than a member high school, must give notice of entry to the NYSPHSAA, Inc., office so that the school may receive verification that the contest has been sanctioned.*

NOTE: NYSPHSAA will approve events that have non-member schools participating provided there can be no direct competition with a non-member school.
