13. INTERSTATE CONTESTS:

Sanctioning is a means of encouraging well-managed competition. The sanctioning program has the primary purpose of protecting the welfare of high school students. A secondary purpose of the sanctioning program is to protect the existing programs sponsored by member schools. Schools may obtain information regarding the sanctioning process and print Application for Sanction forms (NYSPPHSAA or NFHS applications) from the [NYSPPHSAA web site](#).

- a. When schools schedule interscholastic contests with schools in other states, each school will observe its own state regulations and standards of eligibility.
- b. No member school will engage in athletic competition, scrimmage and/or practice with an out-of-state school which is not a member in good standing of its respective state high school athletic association or has not been approved by the respective state association if the school is ineligible to join. Furthermore, member schools will not compete in any interstate contest which is sponsored solely by an outside agency. For dual contests, it is the school's responsibility to determine that these criteria are satisfied.
- c. A member school wishing to host a contest involving an out-of-state school must file an application for Sanction for any contest involving four or more schools, or any contest involving three or more states. Timeline, application fee and application form information is available on the NYSPPHSAA web site, <http://www.nyspphsaa.org>.
- d. A member school planning to participate in an interstate contest involving four or more schools, or any interstate contest which is co-sponsored by an organization other than a member high school, must give notice of entry to the NYSPPHSAA, Inc., office so that the school may receive verification that the contest has been sanctioned.

NOTE: Failure to comply with the above regulation may cause a team or individuals to be ineligible from that date of participation for the remainder of that sport season.

Additional Information for Sanctioning: <http://www.nyspphsaa.org/ADs-Coaches/Sanctioning>

SANCTIONING of interstate and international contests is carried out by the National Federation to curb abuses which might result without such a program. Applications for sanction are carefully reviewed to assure that students will not be exploited and that certain programs are not overemphasized to the expense of others.
