

**NEW YORK STATE
PUBLIC HIGH SCHOOL ATHLETIC ASSOCIATION
SECTION VI Girl's Golf
COMMITMENT TO COMPETE**

Congratulations on your fine athletic achievement and earning the right to represent your school and Section VI in the NYSPHSAA Girl's Golf State Tournament!

This competition is both an individual and team golf tournament. Section VI participation in the tournament typically includes a mandatory Friday check-in with mandatory team practice sessions both Friday and Saturday of the tournament. Official tournament rounds are played over two days (Sunday and Monday), 36 holes total. Any withdrawal of a player for reasons other than an injury or illness, affects the Section VI State Team and the integrity of this fine tournament. Should a player withdraw at any time during Section VI's participation in the tournament, it directly affects our team's ability to compete preventing us from dropping a high score from our daily team total. It would be better for us to take an alternate committed to the entire weekend, in place of a state qualifier that withdraws for reasons other than injury, illness or emergency.

By signing this document, you agree to honor your commitment as well as the other Section VI State Qualifiers by committing to play the entire tournament, including the team check-ins, practices, meetings and meals unless you are unable to continue because of an injury, illness or emergency.

Failure to honor your commitment to participate in the tournament for reasons other than injury, illness or emergency will result in ineligibility for next season's Section VI Qualifying Tournament. This incident will also be reported to the student's school administration.
