ECIC BOYS AND GIRLS SWIMMING STANDARDS

I. In ECIC Championship meets, each school may enter two (2) relays and as many contestants in each individual event as long as they meet the qualifying standards. In every event only four (4) athletes may return for finals and score points. If your team does not have a qualifier you are allowed one regardless of qualifying time.

II. The ECIC Championship meet includes a preliminary session and a finals session which includes a consolation heat and a finals heat in individual events. In the relay events there will be a bonus heat of the TOP 8 “B” relays and then the consolation and final heat of the TOP “A” relays.

III. Awards for the ECIC Championship meet as per recommended of the Awards Committee as approved by the council. Patches will be awarded to the Top 4 finishes in the order of Blue, Red, White and Green. Ribbons will be awarded to 5th - 8th place finishers.

IV. The ECIC Chairman and Meet Committee (Meet Host) for the ECIC Championship will set up the meet and develop meet information for all teams. For girls season the ECIC meet has been decided to be held at Clarence and the Boys ECIC meets will be held at Sweet Home. The diving portion will always be held at the Maryvale HS pool.

V. Exhibition heats of events may be held before or after Varsity meets according to the preference of the home school.

VI. Teams may alternate Varsity and exhibition meet events by total consent of the coaches only with exhibition events coming before varsity events.

VII. The winning team coach is responsible for calling in the results to all the local papers.

VIII. A swimmer or diver may compete in both varsity and the exhibition events lineup on the same day. They can do this as long as they stay within the NFHS rules. 2 Individual and 2 relays or 3 relays and 1 individual or anything less than those two combinations.

IX. The ECIC will keep records for a 25-yard course. We will have ECIC meet records and ECIC overall records. Each division will have separate records and these will be an overall set of records.

X. ECIC records can be set in all National Federation sanctioned meet. This includes dual meets outside the ECIC, Sectional, Inter-Sectional and the New York State Meet.
XI. A new ECIC record, division, or overall, may be sent in any one of the following ways:
   a. A first place time in a dual meet score sheet signed by the referee
   b. Any place other than first in dual meet must have three times and the meet referees verification
   c. Any time in an event with automatic timing when functioning properly
   d. Any place in dual or championship meets where automatic timers have recorded the time and are functioning properly

XII. ECIC Swimming competition shall be conducted under the rules as stated in the National Federation Rule Book, excepted as noted by the sectional policy.

XIII. ECIC meet may be conducted as a team championship. There will be a Class AA and a Class A Champion.
