**WNY Virtual/Zoom Conference
College Football Recruiting Night
Buffalo/So. Tier/Niagara Frontier area
Tuesday, December 7th, 2021
6:00PM - 9:00PM**

• COACHES ONLY •

• NO PLAYERS •

• NO PARENTS •

Following the success with our February 10th Virtual Recruiting night, and the cooperation and interaction between college football coaches and potential recruits everywhere, we are doing this virtual event again. The manner of recruiting for colleges has been creative and ever changing due to the pandemic. In conducting this event via Zoom, our intention is to efficiently and conveniently expose the high quality seniors from our area, as well as the underclassmen student-athletes, to as many college football coaches as possible. The present landscape of recruiting has been effected by so many factors; NCAA eligibility extensions and academic requirements being changed for the 2021-22 and 2022-23 academic years, among them. More and more often the college recruiting process happens digitally. The WNYAFA commitment to helping student-athletes connect with college coaches through their high school coach has prompted it to sponsor this Virtual Zoom recruiting event on TUESDAY, DECEMBER 7TH, 2021, FROM 6PM TO 9 PM.

For High School Coaches:

Please reply ASAP as to your commitment to participate in this recruiting night on December 7th.

Email reply to: WNYFootballCollegerecruiting@gmail.com

You will receive an Excel information sheet within a few days of your confirmation to fill out as completely as possible for prospective College coaches to view. On the night of the event you will be given a time period to virtually address details of your recruitable players to all the participating college coaches on the Zoom conference call. Conference ID address and password will be sent to you. This virtual event will be promoted through local media to help encourage and support our local HS football student athletes in spite of the unprecedented times.

Let's make this a success --- together!
