Section and Officials Agree to Terms

At approximately 5:30pm today Section VI agreed to an agreement with the WNY Sports Officials. All involved are pleased to be moving forward with Fall Sports on behalf of our member schools and most importantly our student-athletes. We are appreciative of the assistance from Dr. Robert Zayas and Todd Nelson from NYSPHSAA.

Section VI continues to value the work of our Sports Officials on behalf of our student-athletes. We look forward to a momentous year of Sports in Western New York.
