It is important that we recognize and thank, ALL of our Sport Chairs! All of our chairs have worked extra hard this year to change, adapt, modify, and think outside of the box, to give all of our kids an opportunity to compete. Although our seasons looked extremely different, we should show our appreciation to the men and women who have put our kids first to make a season happen. Every game, match, event that takes place is a gift and we know the athletes in Section VI appreciate every opportunity they are given. Thank you for your patience, cooperation, and support with getting through this year.
