

## ERIE COUNTY INTERSCHOLASTIC CONFERENCE

355 Harlem Road • Building C, • West Seneca, NY 14224

Ph: (716) 821-7262 • Fax: (716) 821-7291 •

Minutes - 10/7/19

Activity Board 10:30 AM Illios

Athletic Directors 11:30 AM Illios

Minutes taken by Larry Jones

All present

### Opening Remarks:

Vinny Dell'Oso

Vinny welcomed the Group.

Take a look at Appendix A submitted by Jamestown for Division meeting discussion about alternative means of scheduling. Should we look to change the language of the constitution to allow other means of aligning and scheduling. The current constitution clearly states “Quality of competition shall not be a factor in divisional alignments.”

### Division Meetings:

Alternative means of Aligning.

Div 1 concerns – (Brin Wild- can teams move to a lower division? Could Jamestown move some sports into CCAA?

(Vin response) - No current language (in Constitution) to consider the proposal.

(Mark) intention to see the interest level from each division

D1 “interested” on looking into it – big task moving forward

D2 (Cauley) – need to be considering how to “restore” teams that were struggling and may be ready to move back up?

Response – Vin – no current language to allow

D3 – Matt L. – look at strategies to have teams go to a “select” division to help restore a program – possibly no post season play - Models from other sports talked about – they may not fit our model.

So D3 has interest? Unsure

D4 – Interested in looking to change language within the constitution to allow a proposal like this to move forward.

Ben Drake – spoke to why the proposal had merit – struggling programs (soccer particularly)

Jamestown has membership in both ECIC and CCAA – Ben should not be “picking and choosing” which sports go where necessarily.

Marissa – agrees, something needs to be looked at - “pilot scheduling” to try new alignments based on competitive level of those specific teams – possibly 1 match within the Division (not two) and the rest of the schedule made with other ECIC teams as well as other leagues.

Mark – A constitution change needs to sit for a meeting, so a proposal could be presented to Athletic council in November but couldn't be voted on until the next Council meeting in January. Language in Constitution **MUST BE CHANGED** in order to even consider changes. No sense in devising alternative models if people are not interested in changing the current constitution.

***MOTION to allow Mark to investigate adding/subtracting additional language in the constitution to allow changes to be made for possible alternative alignments. (Fallacaro-Dougherty, Adams)***  
***Approved 24-3***

**President's Report:**

Vinny Dell'Oso

Approval of Minutes from 9/4/19 (***Fallacaro-Dougherty, Hack***) ***unanimously approved***

Winter Chairman      Boys Basketball - Mark Kensy will continue position seeing that he is coaching at Amherst now  
Boys Bowling – Joe Biondo (OP) only name thus far will be Action item at November AC

Future AD Meeting Locations – Discussion to hold future Director meetings at Illios or BOCES. BOCES would save about \$300 per meeting, has better technology and is more conducive for meetings. Much discussion about not causing problems for Dennis Dipalo. Will look to have secretary's luncheon at Illios.

***Motion to move meetings to BOCES (Librock, Cauley) Approved 13-11-2***

Mod Sports start date for the ECIC will be **11/18**

**Executive Director's Report:**

Mark DiFilippo

Recognizing Chuck - Important to recognize Chuck for his service. How do we do it? What does it look like? Possibly a May golf tournament? Chris Mucica and Pat Cauley will discuss and bring something back to the group

Fall schedules – Soccer officials continue to be a problem. 1 modified official is not a good idea and continue to limit the number of games with one. Anyone who can play night mod games can help, or doubling (girl/boy mod doubleheaders)

Fall champions – Mark is emailing the directors asking for patch orders for divisional champions.

Winter schedules – Site/time defaults – lots of questions about mod winter schedules –Mark explained that time defaults are home school prerogative unless this group wants to make a change. If an opposing school cannot make that time it is the school's responsibility to discuss with the opponent. Default sites were not updated by Mark, so he apologized for some wrong sites. AD's were asked to speak to secretaries about responding to changes/concerns. Please call Mark if there is an issue or conflict. Make sure secretaries are NOT making changes within arbiter.

Audit report – Auditors have everything (paperwork) in hand – They will report to the Executive Committee in November.

NYSAAA Dues –Please notify Mark once you have registered. He will send a reminder with link. Deadline to register 10/31/19

ECIC Individual Golf Championships – Moved from Elma to Tan Tara (aeration of greens at Elma). Discussion about new Individual qualifying standards. Changes recently made may hurt overall status of ECIC golf with fewer players qualifying for Championship. Changes were made to improve the

level of play at the ECIC Championship and pair it down. No changes right now but coaches and AD's can look to make changes at the post season meeting on Oct. 28.

Excelsior Meeting - Mark met with Excelsior about training services for ECIC Championships. Looking for contracted services for the future but for now Excelsior would prefer the trainers are covered under the school they are working for or a separate MOU would have to be created. Mark will work with AD's for coverage of ECIC's.

Mod Volleyball email – issues with referee's – 2 tosses on serves. 5 “unreturned” serves(?) intent of rule to not have 1 player serving all 20 serves in a match. Coaches need to agree before matches on interpretation of the rule.

### **Activity Board:**

Fall Modified Coaches Meetings at Cheektowaga – poor attendance. Need to improve for future.

Winter Coaches Section Meetings – ECIC Chairs will meet on those days prior to or immediately following. 10/19 B & G Bowling @Cheektowaga HS, 10/23 G Ice Hockey @South, 11/6 Indoor Track @WS West, 11/7 Rifle @Ken East, B Ice Hockey @BOCES, 11/9 B Swim @UB, B Basketball @Depew, Cheer and Wrestling @BOCES, 11/23 G Basketball @BOCES.

Winter Modified Coaches meetings -Nov 14<sup>th</sup> at BOCES

Spring Modified Alignments - See attached divisional alignments combine 7/8 and 7,8,9 as well as separated. Be ready to vote which option you prefer

Modified B & G Lacrosse -do we want to go ECIC? See alignments for both

### **Section VI/NYSPHSAA report:**

Marisa Fallacaro, Vinny Dell'Oso,

Dave Hack

NYSPHSAA items for voting

See Appendix C

Committee reports – Brian Wild said the state is working on a document educating us on overuse injuries. Discussed Emergency Action Plans being on site.

Unified is looking for a waiver on the age and grade requirement.

### **Old Business:**

Fall ECIC Championships –

See Appendix D

Wednesday is deadline for registrations

### **New Business:**

Sport Chairman job description/expectations

See Appendix E

Mark would like to formalize and approve in November

Combining of schools Frontier/Lackawanna Track – Action item

### **Executive Session: Motion to move into Executive Session (Hickson, Cauley) Approved**

*Action Items: Give Direction to Reps on how to vote on NYSPHSAA Items Appendix C*

#1 Swimming/Diving judges

**Approved 22-2**

#2 Boys Soccer regional rotation

**Approved 24-0**

#3 Wrestling 99lb

**Denied**

#4 One Wrestling try

**Approved 22-2**

#5 Wrestling 5 bout

**Approved 23-1**

#6 Wrestling body scale

**Approved 24-0**

#7 Eliminate metal cleats softball

**Approved 23-1**

#8 Eliminate softball tie breaker

**Approved 24-0**

#9 Baseball run rule

**Denied 24-0**

**Motion to Approve Combination Frontier/Lackawanna (Adams, Wheaton) Approved**

**Motion to exit Executive Session (Fallacaro-Dougherty, Cauley) Approved**

**Good of the Order:**

**Next meeting Date: Nov 4th**

Appendix C 1 of 6

**NYSPHSAA DISCUSSION ITEMS:**

**1. SWIMMING & DIVING – NUMBER OF JUDGES REQUIRED TO QUALIFY FOR THE STATE CHAMPIONSHIP IN AN 11 DIVE DUAL MEET**

  X   Discussion Item

**Presenter:** Peter Hugo, NYSPHSAA Boys Swimming & Diving State Coordinator

Diane Hicks-Hughes, NYSPHSAA Girls Swimming & Diving State Coordinator

**Proposal:** In an 11 Dive Dual Meet there must be a minimum of 5 judges in order for the scores to qualify the athlete for the State Championship.

**Effective Start Date:**

2019-2020 school year

**Rationale:** This allows the high and low scores to be dropped and the middle three scores to be used for qualifying for the State Championship. This is the current process for all 11 Dive Championship events.

**Proposal Originated:** Boys and Girls Swimming and Diving Committees

**Budgetary Impact:** If schools chose to do an 11 dive dual meet AND wanted the scores to count toward qualifying for the State Championship there would be a cost to add two more judges to the meet.

**Notes:** Schools have the choice to either have a 6 dive dual meet or an 11 dive dual meet. An athlete cannot qualify for the State Championship with a 6 dive dual meet.

**2. BOYS SOCCER – NEW 6-YEAR REGIONAL ROTATION 2020-2025**

  X   Discussion Item

**Presenter:** Mike Andrew, NYSPHSAA Boys Soccer State Coordinator

**Proposal:** The NYSPHSAA Boys Soccer Committee is seeking approval of a new regional rotation for six years beginning in the fall of 2020 and ending with the 2025 fall soccer season.

**Effective Start Date:** Fall 2020

**Rationale:** Approval of this proposal would allow us to extend the previous six-year rotation with no significant change for the next six years. We have in the past adjusted and

**Appendix C 2 of 6**

corrected any and all problems as they have arisen, generally caused by the occasional typo.

**Proposal Originated:** NYSPHSAA Boys Soccer Committee February 2019

**Budgetary Impact:** None

**Notes:** The committee voted unanimously in favor of this proposal during their winter meeting.

**3. WRESTLING – ELIMINATE 99LB WEIGHT CLASS IN DUAL MEETS, TOURNAMENTS,  
AND STATE CHAMPIONSHIPS**

Discussion Item

**Presenter:** Marty Sherman, NYSPHSAA Wrestling State Coordinator

**Proposal:** The NYSPHSAA Wrestling Committee is seeking approval to eliminate the 99lb weight class for all Dual Meet and Dual Meet Tournaments, including the Dual Meet State Championship. This will be a 2-year experiment.

**Effective Start Date:** Winter 2020 - 2021

**Rationale:** Each year there are a considerable number of forfeits in dual meet events because one team or neither team has a 99lb competitor. This proposal will address the lack of competitors in this weight class and forfeits that have become frequent in dual meets.

**Proposal Originated:** NYSPHSAA Wrestling Committee May 2019

**Budgetary Impact:** None

**Notes:** The Wrestling Committee voted unanimously in favor of this proposal.

**4. WRESTLING – CONDUCT ONE NYSPHSAA/FEDERATION WRESTLING  
TOURNAMENT**

Discussion Item

**Presenter:** Marty Sherman, NYSPHSAA Wrestling State Coordinator

## Appendix C     3 of 6

**Proposal:** The NYSPHSAA Wrestling Committee is seeking approval to conduct the NYSPHSAA/Federation Wrestling Tournament as one tournament. In this proposal, eight places in all weight classes would be recognized with medals.

**Effective Start Date:** Winter 2019 – 2020

**Rationale:** Presently, the event is considered two tournaments in one and administrators, coaches and athletes feel strongly that this feels like one tournament and have expressed this to the wrestling committee. Approval of this proposal would create just one tournament for all competitors and eliminate confusion in the awards presentation, which now is two presentations for each weight class. The rationale for increasing awarding eight places is because we currently wrestle back to eight places in several weight classes to accommodate the Federation tournament. It would be consistent and uniform to recognize eight places for all weight classes in this new proposal.

**Proposal Originated:** NYSPHSAA Wrestling Committee May 2019

**Budgetary Impact:** Both the NYSPHSAA and Federations will share in the cost of the medals. A new medal would be designed with recognition of all four associations participating in the event.

**Notes:** The Wrestling Committee voted unanimously in favor of this proposal

### **5. WRESTLING – WAIVER FOR FIVE-BOUT NFHS RULE IN POSTSEASON**

  X   Discussion Item

**Presenter:** Marty Sherman, NYSPHSAA Wrestling State Coordinator

**Proposal:** The NYSPHSAA Wrestling Committee is seeking approval for a waiver for the NFHS five-bout rule in the postseason. This would allow competitors to wrestle in a sixth bout during individual postseason tournaments.

**Effective Start Date:** Winter 2019 – 2020

**Rationale:** Currently, sections are conducting two-day tournaments to determine placements of wrestlers. This proposal would eliminate a two-day tournament and allow sections to conduct only a one-day tournament, thus saving a significant amount of money on officials, venue rental, travel and more. Furthermore, a wrestler has the potential to compete for a maximum of 30 minutes in a dual meet tournament. This proposal would allow for potentially just two additional minutes of wrestling.

**Proposal Originated:** NYSPHSAA Wrestling Committee May 2019

## Appendix C      4 of 6

**Budgetary Impact:** A significant savings to sections and schools on officials, venue rental, travel, and more.

**Notes:** The Wrestling Committee voted unanimously in favor of this proposal. This proposal will go to Safety Committee in the fall of 2019.

### **6. WRESTLING – USE OF INBODY SCALE FOR THE NYSPHSAA WEIGHT CERTIFICATION PROGRAM**

X Discussion Item

**Presenter:** Marty Sherman, NYSPHSAA Wrestling State Coordinator

**Proposal:** To require all Sections to use the InBody Scale for the NYSPHSAA Wrestling Weight Certification Program.

**Effective Start Date:** 2020-2021 season

#### **Rationale:**

To provide a consistent method of measurement for all wrestlers in NYS. The current form of measurement of skin folds is subject to the assessor ability and consistency of taking these measurements. The InBody scale would eliminate the inconsistencies in the current process.

**Proposal Originated:** NYSPHSAA Wrestling and Wrestling Advisory Committees

**Budgetary Impact:** Each Section would have to provide an InBody Scale at each Centralized Assessment Sites. The current cost of the Scale is \$1500.00.

**Notes:** The Wrestling Committee, Wrestling Advisory Committee, and Section Executive Directors took part in a presentation by the NWCA on the use and function of the InBody Scale.

### **7. SOFTBALL – ELIMINATION OF THE EXISTING WAIVER BANNING METAL CLEATS**

X Discussion Item

**Presenter:** Cathy Allen, NYSPHSAA Softball State Coordinator

**Proposal:** The elimination of the waiver banning metal cleats for High School Softball players.

## Appendix C      5 of 6

**Effective Start Date:** Spring 2020

**Rationale:** After much discussion, it is evident that more coaches and administrators feel that the rules held by the NFHS and USA Softball permitting the use of metal cleats should be followed and that there is not sufficient data to prove that molded cleats offer a safer option. As a caveat to this proposal, the committee recommends maintaining the waiver for Modified Softball.

**Proposal Originated:** It was brought to the committee's attention in 2018 that an Office of Civil Rights complaint had been filed by a travel coach in western New York. The committee, at that time, voted to continue with the waiver pending surveys of coaches and administrators in their specific sections. Upon returning to the table in June 2019, the committee was informed that there was a viable complaint and that the OCR was taking aggressive action against the NYSPHSAA. Again, after a heated debate, the committee shared their individual survey results and subsequently voted unanimously to void the waiver and recommend the use of metal cleats at the High School level only and to continue to accept the waiver on metal cleats for Modified Softball.

**Budgetary Impact:** There is no perceived budgetary impact to the NYSPHSAA, Sections or schools. The purchase of metal cleats is the choice and responsibility of the parent or guardian.

### **8. SOFTBALL – ELIMINATION OF INTERNATIONAL TIEBREAKER FOR REGIONAL CONTESTS**

X Discussion Item

**Presenter:** Cathy Allen, NYSPHSAA Softball State Coordinator

**Proposal:** The Softball Committee is seeking approval to eliminate the International Tie Breaker Rule for all Regional contests permanently starting with the 2020 season. This was previously a two-year experiment for the 2018 and 2019 spring seasons.

**Effective Start Date:** Spring 2020

**Rationale:** The same International Tie Breaker Rule waiver is in place for State Semifinals and Finals. This proposal would be extended to Regional play while allowing Sections to keep it in their Sectional championships. In spite of the one outlier this season (20 innings), there is no way to assume that the ITR would have ended the game earlier, therefore, Section chairs would be directed to allow sufficient time to complete contests, anticipating extended games. (Recommend 2 ½ to 3 hours). The ITR was instituted to halt the pitcher-

## Appendix C      6 of 6

dominated games in the 1980's and was done at a time where the pitching rubber was at 40' and the equipment limited ball flight and EVO. With the move to a 43' mound and the addition of composite bats, the game has changed dramatically, and the offense is in the forefront. In fact, we have added a mercy rule in recent years as a means to control games that get out of hand on one side. Therefore, the game should be played as it was meant to be without adding artificial offense.

**Proposal Originated:** NYSPHSAA Softball Committee in June 2017

**Budget Impact:** None

**Notes:** NYSPHSAA Softball Committee unanimously voted in favor of this

### **9. BASEBALL – ADOPT GAME ENDING PROCEDURE RUN RULE**

X Discussion Item

**Presenter:** Al Roy, NYSPHSAA Baseball State Coordinator

**Proposal:** The NYSPHSAA Baseball Committee is seeking approval for State adoption, with section & league approval, a game ending procedure run rule. This run rule was in place for a two-year experiment and would continue as stated that the game will end when there is a run differential of 10 runs after 5 innings (or 4 ½ if the home team is winning).

**Effective Start Date:** Spring 2020

**Rationale:** Currently, NYSPHSAA hasn't permanently adopted a game ending procedure. The NFHS rule, Section 2 Article 4 states ..."by mutual agreement of the opposing coaches and the umpire-in-chief, any remaining play may be shortened or the game terminated." The game ending run rule procedure being proposed will provide consistency when a game can end. This run rule will save on pitch counts and the number of pitchers that are used in games when there is a lack of competitiveness. A run rule will improve the quality of high school baseball. This rule was approved as a two-year trial for the 2018 and 2019 spring seasons. At the Baseball Committee meeting held on June 14, 2019 the rule was discussed and voted 9-2 in favor of keeping it.

**Proposal Originated:** NYSPHSAA State Baseball Committee, June 2019

## ECIC Chairperson Job Description

### Pre-Season Duties

- Contact/Meet with Executive Director and/or AD Liaison.
- Confirm Date of Pre-season meeting and send communication to coaches.
- Facilitate Pre-season Meeting.
- Provide updated coaches directory to Executive Director

### During Season

- Keep records/scores of league contests
- Confirm Post season meeting date with Executive Director and coaches.
- Remind coaches of All-star selection process and any other post season procedures for ECIC championships or Sectionals.
- Contact Executive Director or AD Liaison if questions or concerns come up.

### Post Season

- Facilitate Post season meeting – prepare agenda.
- Follow procedures to select All League Teams.
- Prepare post season report for Executive Director.
- Schedule Meeting with Executive Director.
- Communicate with Executive Director to prepare next year's schedule.

### Sample Pre-Season Agenda

- Introduction of New Coaches.
- Update Directory.
- Distribute ECIC standards.
- Discuss any changes from last year – new rules not discussed at Section wide meeting.
- Review any sport specific procedures – example reporting scores/contacting media, etc.
- Introduce rules interpreter if no section meeting takes place.
- Review ECIC Championship information or Sectional information not covered at section meeting.
- Review League All-Star Selection process.
- Set Post Season meeting date

### Sample Post-Season Agenda

- Review the season.
- Make sure Records/stats are accurate and properly reported/posted.
- Select League All-Stars.
- Discuss any problems/changes that need to be addressed.
- Discuss scheduling/calendar/alignments for the following year.
