Blocking & Evaluation of Officials

1. During the regular season, there will be no non-preferred list of officials (extenuating circumstances will be determined by the League office/Section VI). Preferred lists will only be used for post-season.

Financial Issues

1. The compensation of officials is the responsibility of the host school or the section office.
2. A full fee will be paid to working official(s) when a contest starts but is not completed.
3. If exhausted rosters force any Varsity or Junior Varsity contest to be played without a full contingent of officials, the working official will be compensated an extra 50% of the scheduled fee. If exhausted rosters force any modified contests to be played without a full contingent, then an additional \$10 will be added to the working official's scheduled fee. Adjusted compensation to be made by the host school. Proper notification of exhausted rosters should be made to all involved parties.
4. Form X must be submitted to the Section office by the assigned official(s) within seven calendar days of contest.
5. Officials' organizations OBRs need to receive documentation from the Section office within three business days, of receipt of Form X.
6. Official works shorthanded because of an assigned partners absenteeism, the home school will pay the working official(s) one full fee. All extra payment will be determined via the Form 'X' procedure.
7. Official misses an assignment for an invalid reason: A full contest fee will be assessed and collected by the official's board. One half of all fines will be forwarded to the Section's 'Form X' fund at seasons end. The validity will be determined jointly by the Section Executive Director and the involved OBR. Personal illness or injury to official or immediate family and unavoidable work related responsibilities are examples of valid reasons.

9. Official is asked to cross territorial boundaries for the purpose of fulfilling the obligations of a neighboring unit; he/she will receive a full contest fee from the home school, and a \$20.00 mileage premium from the Officials' Form X Fund. The fee will be automatically awarded with proper notification of the LAA involved. (Please see page 8, *Geographic Area*)
10. When involved schools are not prepared to play at the scheduled starting time officials will be compensated one full fee each. In addition, each working official will receive extra payments, at all levels, determined via the Form 'X' procedure using the following schedule:

12. Once a contest has been assigned, if the host school changes to a scrimmage, officials shall be paid the contest fee.
13. Invoices sent from the Section VI office to officials' organizations, must be done within 30 days of the completion of Sectional final in that sport.
14. Competing schools and involved official(s) are on site but contest does not begin because of unforeseen circumstances (e.g. Weather, power outage, etc.), official(s) will be compensated at ½ fee.

16. In a contest where a school requests the maximum number of officials and that contest is moved to another school's site which does not require the same amount of officials, the original site school will be responsible for payment of officials (ON A SAME DAY CHANGE).
17. A contest is posted on ArbiterSports and one school fails to show. The working official(s) will be compensated one full fee according to that respective sport's fee schedule, providing they are on site.
18. When assigning errors occur, officials will be compensated at ½ base fee.
19. Officials who leave a contest for an invalid reason will not be compensated. Validity will be determined jointly by the Section Executive Director and the involved OBR.
20. When a valid same day cancellation occurs, officials will not be compensated. Every effort to assign them to the rescheduled contest or another at the same level will be made. When an invalid same day cancellation occurs, officials will be compensated one full fee. Validity will be determined jointly by the Section Executive Director and the involved OBR. Outside groups using the facility or unscheduled social functions replacing scheduled athletic events will be considered invalid.
21. If an official is asked to cross territorial boundaries for the purpose of fulfilling a post season (sectional) assignment, a \$20.00 mileage premium will be added directly to his / her fee.
