Re-Opening of Interscholastic Athletics Fall 2020 Section VI (NYSPHSAA)

As a result of the special Section VI Executive Committee meeting held on September 11, 2020, it was determined a post card ballot be sent to all member schools regarding the re-opening plan for the Fall 2020 season.

The Section VI Athletic Council will meet Wednesday, September 16, 2020 as originally scheduled, and a portion of the meeting will be dedicated to reviewing the results of the post card ballot.
