(Highlighted teams were moved up or down)

- Chris Watson (Ken West) proposed we look at the realignment a different way ie) team scoring – averages
- Those present felt it would come out with the same result
- **Please send your “League” team scoring average to Chris and Donna**

6. Other Concerns:

- Judging: Not rewarding the higher-level athletes, but rewarding the intermediate level athlete bringing the scores unreasonably close. Scores from other sections are noticeably higher than Section 6.
- Coaches would like to see a variety of judges for their meets
- Pre-season: We will revisit the qualifying scores
