- **WRESTLING:** When modified wrestlers compete in two or three bouts in a contest, the time periods are either: three 1-minute periods OR 1st Period – 1 minute, 2nd and 3rd Periods – 1 and ½ minutes.

## Section VI Athletic Council Minutes Page 4 May 19, 2010

State Executive Committee/ Central Committee Reports continued

- **WRESTLING:** An additional, sudden victory, overtime period shall be permitted in modified wrestling. Wrestlers must start in the standing position and the period shall not exceed 30 seconds.
- **BASEBALL/SOFTBALL:** When the team at bat has two outs with the catcher on base, a pinch runner may be used to allow the catcher to get his/her gear on prior to the third out. The pinch runner is a player who is a substitute, or in the case that all substitutes have been used, a player off the bench who is not currently in the lineup. This rule does not change the normal substitution rules and does not overshadow the need to get all players in the lineup; it allows for cutting time off the transition between innings.
- **There was no motion/support for the following SCRIMMAGES** – With sectional/league approval, up to 50% of the maximum number of games permitted for each modified level sport may be contested as scrimmages during the 2010-2011 and 2011-2012 school years.
