Report on changes in Policy or Practice that were implemented:

- Section 6 took over ticket sales at most post-season events and that seemed to work very well.
- All High Stadium was used for the first time to host the Far West Regional Games. I would like to thank Aubrey Lloyd and the City of Buffalo Staff for all of their support. They went above and beyond to make this a successful event.

Problems encountered/ concerns:

- We will make a couple of changes at Ralph Wilson Stadium.
 1. The program sellers will be relocated in an effort to increase sales.
 2. We will continue to work at ways to prepare for the media requests that arise. Adam Stoltman did an outstanding job of keeping this organized, but we would like to come up with a method to reduce last minute requests.
- All WNY Football Team Selections. I realize this has nothing to do with Section 6, but the people in the community may not. Many of the selections this year, as in the past, question the credibility of the process. **Is there a need for us to address this issue?**

Recommendations for next season & proposed dates/sites:

At this time I would suggest keeping the same weekends reserved.

Recommendations for next season & proposed dates

- Propose that 6 officials be assigned to the sectional championships. This would make the meet run more efficiently
- In addition to giving sectional patches to the top four place winners, we also give out ribbons for places five through eight. I am now out of ribbons and will need to order more ribbons for next season.
- As of right now there is no Regional meet next year. The Syracuse section did not field any teams this year so therefore we cannot have a regional meet.

Problems encountered/ concerns

1. Niagara Orleans scheduled league games on the Friday before the seeding mtg. Jim Conley and Joe Caprio (AD-Akron) have assured the section chairman that this will not occur next year.
2. Website issues:
 - a. Some schools were not entering accurate statistics (goals, assists, cards) so as not to have opposing teams know who their best players are. League chairs will stress this at their preseason meetings next year. If still a problem, they will notify Chris Durr and he will speak with AD and Coach at the individual schools.
3. City of Buffalo Schools:
 - a. Only two schools participated in Sectionals (City Honors and DaVinci). These were the only teams to enter their information on the website (required). Jason Mann (CH) and Jim Connors (DaVinci) have volunteered to be representatives on the committee for Buffalo.
 - b. None of the other Buffalo schools followed through on their responsibility to notify the Section Chair about Non-Participation. These schools should have been seeded. Sectional Committee made a decision to only seed City Honors and DaVinci.
4. Four Tie-breaker coin flips occurred in Class AA, A, and D.
5. Sectional Committee recommends continuing the policy of not allowing schools to practice on Finals sites.
 - a. Accessibility is the key issue
6. Section V Chairman has proposed that Section VI consider hosting the regionals back at GCC in 2011. The regionals were held there this year. Section Chairman will discuss concerns with committee and Timm Slade.

Recommendations for next season & proposed dates/sites

Section Chairman will update the 2011 calendar after the State Pre Season Meeting January 10 and consulting with Todd Marquardt. (Data in yellow is 2010 information)

Report on changes in Policy or Practice that were implemented Our coaches have voted to keep the same format that we have had in previous years rather than move to a classification meet and a state qualifier meet that the boys are implementing. The fall season does not run into scheduling problems at ECC during November.

Problems encountered/ concerns

The committee would like to move the starting time of the swimming prelims up an hour to allow schools that have greater distances to travel to arrive home at an earlier time. Sportsmanship awards were not distributed this year.

Report on changes in Policy or Practice that were implemented NA

Problems encountered/ concerns

The only area of concern was not being able to get the entire block of 6 courts from The Village Glen for the Sectional Tournament. I've already begun trying to fix this for next year. Eastside Racquet Club is again overcharging for court time (practice session).

Recommendations for next season & proposed dates

1. We would like to hold our Section 6 tournament at either The Village Glen or Miller Tennis Center in Williamsville on October 28th & 29th. It is my goal to obtain a venue that can provide an entire block of courts for our tournament. Start times for both Friday and Saturday will be determined at a future date.
2. The State tournament will be held November 5th-7th in Syracuse. I have already secured a block of rooms (double beds) at the Embassy Suites for next year at a rate of 139.00 per room, with approval from Loren.
3. The league chairpersons would like the Team Championships to be part of the regular schedule that comes out in the spring. The schedule could indicate when the 1st round, 2nd round and 3rd round matches would be played. This would make transportation much easier to arrange for the visiting teams. I would be happy to work with whoever makes up the schedules for the ECIC and NFL to assure correct dates. We tried to get this done this year, but were not completely successful. **Is there any possibility of starting our league matches earlier than Friday of the first week of school?**
4. I would also strongly recommend some contingency plan be added to the current transportation to State Tournament policy. There may be a situation arise in which an athletes coach and parent are unable to drive them to Syracuse. A back-up plan should be placed in effect that would allow for travel and the athlete to participate in the tournament.

States:	Sat.-Mon. Nov. 5-7	Eastside Racquet Club, Syracuse (Section 3) 9:00am

Other pertinent data

The seeding meeting was held Sunday, October 24th at Aman's Diner at 10AM. All league chairpersons were in attendance this year. Like last year, the seedings and tournament draw were completed at this meeting with input from everyone present. We were all in agreement it was a fair

draw and allowed the draw to be available to all coaches and players immediately following the meeting. This procedure seems to work well.

Financial summary (receipts/expenditures):

Financial Report to be submitted by Loren Ratajczak.

Sectional and Post-Sectional Results

1. The Section 6 Tournament was held at The Village Glen October 29th & 30th. The tournament started at 11:30am on Friday, and at 3pm on Saturday. The first day concluded at approximately 7pm and the second day concluded at 7:30pm. The tournament ran very well, with many positive comments from all involved. The top 4 finishers were as follows, with the top 3 going on to the State Tournament.

Singles

1. Disha Yellayi – Williamsville East
2. Taylor Cole – East Aurora
3. Ashley Chevallier - Alden
4. Rachel Mole - Frewsburg

Doubles

1. Justine Brennan/Karli Hollins – Orchard Park
2. Alex Rowen/Sydney Siembida – Williamsville East
3. Holly Jelonek/Pamela Eck - Clarence
4. Allie Diamond/Mollie Diamond – Kenmore West

2. The State Tournament was held in Syracuse November 6th- 8th. Each school and coach were responsible for getting their athletes to the State Tournament. This procedure seemed to go very well and made for a less hectic weekend from my perspective. It was very nice having each coach there to help supervise their athletes. I tried keeping the team together as much as possible (i.e. practice, room proximity, breakfast & dinner). The individual results are as follows:

- Disha Yellayi – lost 1st round to #5 seed, won 1st round consolation, lost 2nd round consolation.
- Taylor Cole – lost 1st round, won 1st round consolation, lost 2nd round consolation.
- Ashley Chevallier – lost 1st round, received bye 1st round consolation, lost 2nd round consolation.
- Justine Brennan/Karli Hollins – lost 1st round, received bye 1st round consolation, lost 2nd round consolation.
- Alex Rowen/Sydney Siembida – lost 1st round, lost 1st round consolation.
- Holly Jelonek/Pamela Eck – lost 1st round, won 1st round consolation, lost 2nd round consolation.
- **Holly Jelonek was voted by her teammates our Sportsmanship winner.**

It was a fun but hectic 3 days for all involved. The girls were well behaved throughout the entire trip. The transportation policy worked out very well in its third year and I would recommend continuing with this policy next year. It is not perfect, but I do think it is an improvement from the past practice. All players were driven by parents as I remember.
