Report on changes in Policy or Practice that were implemented

The committee decided at the preseason meeting to use home board officials for the pre-quarters and quarterfinal games. This process worked well to avoid the travel and time constraints caused by using the “cross-over” process.

Problems encountered/ concerns

1. A total of 15 teams did not participate in sectionals.
2. Only 3 of the Buffalo schools followed through on their responsibility to complete information on the GBB website. All schools were required to register and complete their team's information throughout the year.

Other pertinent data

1. The Committee would like to thank the following schools for hosting sectional semis and finals games this year: Kenmore West, Clarence, Chautauqua Lake, Jamestown, Sweet Home and NCCC.
2. Website: The girls' basketball website was success, but is still a work in progress. Some glitches in the system caused some extra work for the committee and coaches, but those issues have all been corrected. I will be working with the web administrator to figure out how to fix the independent school issue ragrading counting all their games in their power points.

Recommendations for next season & proposed dates/sites

As a committee we plan to meet in May or June to discuss the Sectional tournament, sites and dates. This information will be included in the preseason report to be submitted before the new date July 1.

1. Committee would like to explore the use of 3 officials on Semi Final games. It would be the responsibility of the officials' organizations to properly train and certify more officials for the 3 man system.
2. Committee will also explore the rating of officials by coaches on individual games on the website.

Report on changes in Policy or Practice that were implemented

1. The seeding format used for the 2013 Sectional Tournament will be continued.
2. Thruway Lanes has agreed to lay out the oil pattern to be used at the State Tournament for the Sectional Tournament in order to better prepare the bowlers for the State Tournament. The same pattern will also be used during the practices leading up to the Sectional and State Tournaments.

Problems encountered/ concerns

1. The bowling committee will continue to evaluate the format used to determine the All Section team at the 2012 Sectional Tournament at its summer meeting in view of the responses of the coaches to the new format.
2. The seeding format for the Sectional Tournament will be reviewed in an effort to qualify more teams rather than individuals to the tournament. Bowling house lane availability will impact situation.

Problems encountered/ concerns

There was concern at our January meeting about the increase in major penalties, misconduct penalties and most especially hits from behind penalties. We asked the referees to continue to be strict with enforcing those penalties and met with the coaches to better educate their kids about the severity of the hits from behind.

Recommendations for next season including proposed calendar

We will continue to discuss whether or not we want to increase the hits from behind penalty as well as other major penalties. One thing we plan to do is to have pre-season meetings with all players and coaches, in which we would have the referees there to demonstrate the hits from behind and make clear what is expected on the ice from the players and coaches. We are hoping this will bring down the number of major penalties.

Next year we will host 2 regional games on Saturday March 2. The Sectional Championships will be Sunday February 24. We are hoping this date will work for the Sabres again. The State Championships will again be in Utica on March 9 and 10. We are looking to start our sectional Play-offs on Wednesday February 16.

Williamsville North and Niagara Wheatfield would like to continue to play in the Large school division for the 2012-13 season. They just completed their 2nd year of a 2 year sectional approval of playing up. Both schools based on the state classification numbers would be small schools again but both want to stay where they are in the Large School Division.

Other pertinent data

We will work with Loren and Timm to try to improve the efficiency of gate receipts coming into the section office and getting the staff paid in a more timely manner.

Report on changes in Policy or Practice that were implemented

The second season of the Western New York Girls Ice Hockey Federation was very successful. The success achieved was due in part due to the fact that the league could build upon the inaugural season and the league directors had much more time to plan for Year 2. Seven teams competed in a 63 game schedule. The teams that were members of the federation for 11-12 were: Williamsville, Kenmore, Lancaster, OP/Frontier, Amherst/Sweet Home, Monsignor Martin, and West Seneca. A Federation Handbook was developed by the participating Athletic Directors to guide league activity. The financial structure of the Federation was similar to the Boys Hockey Federation with dues being forwarded to Loren Ratajczak and invoices for ice, officials and minor officials being paid by him. Rich Gray is the Athletic Director for the girl's ice hockey Federation responsible for finance and he will be working with Loren to provide an official financial report for the 11-12 season. The Executive Board of the Federation met regularly during the season to insure the league was progressing as planned and these official minutes were recorded by Brett Banker. The last meeting of the Executive Board and coaches was held on March 14, 2012.. League coaches also attended this meeting. The All Star Selections were made and the year's activities evaluated. It was decided that only minor changes be made to the Handbook. Also at this meeting Rick Hopkins was elected to replace Jim Rusin as the Girls Ice Hockey sports chairman for the 12-13 season. The Executive board will meet again to discuss the 12-13 season on June 13 at 7pm in Williamsville. At this meeting the league directors will begin planning for the upcoming season. Each league member was asked to bring home ice so next years schedule can be started. Although the official schedule will not be completed until October members were encouraged to begin obtaining ice time

The officiating for the Girls Federation games was excellent, with the league getting many compliments from the officials for the quality of play. Anyone who attended a girl's hockey game was impressed by the quality of play and the commitment of the girls involved. One change for the 12-13 season will be a league decision on what officials are chosen to officiate playoff games. List will be developed to insure the best officiating possible is assigned.

There was no charge to attend girls league games for the 11-12 season because many of the games occurred at odd times. Gate was charged at the Section VI championship game. Both of these issues will be reviewed by the Executive Board in June. A determining factor will be the quality of the ice time for games the Federation puts together.

Problems encountered/ concerns

If there was one problem that existed for the 11-12 season it was the time game ice is being scheduled. Many games had early starts which resulted in players having to be dismissed early from school. This problem must be solved. The Federation Athletic Directors will continue to obtain better ice for the upcoming season.

Another concern the league encountered was scheduling a Section VI Championship Game. Because the league is Federated and the Monsignor Martin team is involved, all league members felt strongly that a Federation Playoff should be held. It was. In that game, which was conducted on Friday March 2, the Monsignor Martin Association defeated West Seneca 2-1 to win the Federation Playoffs. On Tuesday March 6 the Section VI Championship game was held and Kenmore beat West Seneca 2-1 to take the Section VI title.

Recommendations for next season including proposed calendar

The 2012-13 Girls Ice Hockey Federation season will begin Oct 29, 2012. The Federation Playoffs will occur Feb 25-March 1, 2012 with the Section VI Championship game occurring on March 5, 2012.

Report on changes in Policy or Practice that were implemented:

1. The amount of athletes per Boy's & Girl's Teams will not exceed 70 members/gender
2. The six division format seemed to work very well once again.
3. Division Meets took place during the month of December and part of January.
4. The Varsity Team Challenged Type Meet was once again run.
5. The 9th & 10th Grade Championships were run once again.
6. The League Championships were scored and split into two groups – Large/Small Schools.
8. The Section VI – Indoor Track & Field State Qualifier Championships were run on a Thursday which seemed to work well for everyone.
9. Throwers were given four throws instead of three with the exception of the League/State Qualifier & Throwers Meet – Three throws with the Top Eight going to the Finals for an additional three more throws.
10. Weather Proposal – If the NYS Thruway & Fredonia State College is Open – Then the Meet goes on – No Meets were canceled this year.
11. Hurdle Responsibility will be added along with slitting up the Long & Triple Jump Duties – This also seemed to work very well.
12. Three Boys Section VI Records were broken as well as Two Girls Records – Jailyn Twitty from Amherst in the Long/Triple Jumps – Wayne Gordon from Sweet Home re-broke his own record in the 55 Meter Dash and Mikayla Pearce from Maryvale in both the Long/Triple Jumps as well.

Problems encountered/ concerns:

We know that running the State Qualifier Championships on a Thursday was of some concern for just Dunkirk – Fredonia – Jamestown. All other schools were on Winter Break.

Recommendations for next season

Team Championships will now go to only one entry plus any sectional qualifiers who meet a standard.

Other pertinent data

1. Trainers were of no concern this year – Thanks to Lisa Stonebreaker thru Athletic Care.
2. Floor Mats at both Fredonia State & Buffalo State College were provided for adequate floor mates in the High Jump & Pole Vault.
3. The Triple Jump was contested first in Meets followed by the Long Jump – This really alleviated the concerns that we had with way to many jumpers in the Long Jump.
4. We worked with six officials at Regular Meets.
5. Section VI – Security – Four to Five were needed at Fredonia State College throughout the season and only two were needed at Buffalo State College.
6. Girls in the Long Jump were jumping off an eight foot board unless they met a standard of 15' 0".
7. Boys in the Long Jump will be jumping off a twelve-foot board.
8. An Emergency Evacuation Plan will need to be added to the Hand-Book for next season.

Financial summary (receipts/expenditures):

Loren Ratajczak can inform the appropriate people on this subject. Loren handled all of the finances this year and it seemed to work out extremely well.

**SECTION VI POST-SEASON REPORT
BOYS SWIMMING 2011-12
Co-Chairpersons: James Graczyk and Al Fritzinger
May 2012**

All-WNY Sportsmanship Winners

Class A	Andrew Marsh (12)	Jamestown HS
Class B	Alec Toth (12)	Starpoint HS
Class C	Josh Beabout (12)	Royalton Hartland HS
All WNY	Kevin Turner (12)	Williamsville East HS

Report on changes in Policy or Practice that were implemented

- League meets were conducted this season as in the past.
- Three Sectional Class Championship Meets (Class A,B,C) were conducted again this season (Feb 10 &11) with the same format as the 2010-2011 season. Maryvale HS once again did an outstanding job and graciously hosted both the swimming and diving events. A timed final format was utilized.
- The following week, a State Qualifying Meet was held at Clarence High School (February 17&18). The top 24 qualifiers in each event competed in the meet at Clarence. A prelim/final format was employed. Thank you to Clarence HS and all those involved in doing a fantastic job.
- The class meet format once again allowed the top four finishers in each event, in each class, to be recognized formally as the Section patches were awarded.
- For both sectional meets, qualifying times were adjusted based on last year's results. Qualifying times will be studied and adjusted for the 2012-2013 season as appropriate.

Problems encountered/ concerns

- Spectator seating was less of an issue in the both the class championships and the state qualifier meets this season due to readjusted class alignments and faster qualifying times.
- There was some confusion on the wording in the Section Handbook concerning the Class Meet format that needs to be clarified for next season – Al Fritzinger, Jim Graczyk and the committee will improve upon that. The format was exactly the same as last year but several concerns did surface.

Other pertinent data

Class Tournaments at Maryvale High School (February 10-11, 2012)

- Class A - 17 schools, approximately 110 swimmers and divers competed
- Class B - 22 schools, approximately 115 swimmers and divers competed
- Class C - 20 schools, approximately 105 swimmers and divers competed

State Qualifying Meet at Clarence/Maryvale High School (February 17-18, 2012)

- 41 schools attended, approximately 150 swimmers and divers competed

State Championship Update

- 2012 State Championship Meet was held ECC on March 2-3, 2012
- Section VI qualified 49 swimmers and 5 divers from 21 schools to compete at the state championships
- 2013 State Championships are tentatively scheduled be hosted by Section 5 at the new aquatic center adjacent to Webster High School, March 1&2, 2013

Recommendations for next season including proposed calendar

- Continue awarding patches by class (A, B, C) for the Section Class Championships Meets

- Continue to support funding meets at ECC (Burt Flickinger Aquatic Center) if dates are available
- Qualifying times will be studied and adjusted as appropriate to better meet the needs and talents of our Section VI athletes
- Continue to explore whether to implement timed final vs. prelim/final meet formats at the Class and the State qualifying meets
- Provide funding to provide a hospitality room for coaches at both the class meets and the state qualifier meets.

May 2012

All-WNY Sportsmanship Winners

DIVISION	SCHOOL	INDIVIDUAL
Large School	Kenmore West	Dylan Caruana
Small School	Pioneer	Tony Locke

Report on changes in Policy or Practice that were implemented:

Full wrestle backs in the Div 2 tournament with 12 men, instead of losing first round you were out. Sponsorship of the weight classes generated money to help run the qualifiers

Problems encountered/ concerns

With the full wrestle backs some athletes could not wrestle for 3rd – 5th place.
 The onsite skin checks still create problems at each site. Needs to be addressed

Recommendations for next season including proposed calendar

We would like to waive the 5 match rule in the post season to help run tournaments easier.
