Changes in Policy/Practice for the upcoming season

We need to address the issue of Sectional Team Champions. Currently the Sectional Team Champion is determined by the best overall season record and there is no team competition at the sectional meet, just individual place finishers are determined. This year Williamsville South and Clarence were Sectional Co-Champions, there currently is no tie-breaker in place. 3 possible proposals:

1. Keep it the same
2. Create a tie-breaker, for example highest team score determines the winner and breaks the tie
3. Sectional Team Champions are determined at the Sectional Championships with a team competition. So there will be a season champion determined by overall record and a sectional team champion determined at sectionals.
