- 1) Kevin Beale proposed the A and B split and the committee was unanimous in proposing it to the section. There is no additional game as it would eliminate a pre-quarter and add a final crossover game. Also there would not be any additional cost to the section (patches) as each split winner would earn a blue patch and the winner of the crossover would only earn the right to play in the regional game
- 2) The start date was discussed and each rep agreed that there should be 1 universal start date (8/23). The only coach aware of their own league participating vs. section V is Akron (Chuck Pfohl...Akron head coach.....who was present at the mtg.) and Wilson who both play Labor day weekend which allows the 10 team, 8 individual practices. Also, no team has an advantage of starting earlier than another team in another league.
- 3) The committee has asked the chairman to meet with Timm Slade and discuss the sportsmanship policy. They have been asked by their individual leagues coaches to have the existing policy changed to starting over for sectional play.
- 4) Preliminary work has been done to obtain neutral sites for semi-finals. Hamburg and Southwestern have showed great interest. Dave Thomas has not yet been contacted in regards to All High. The understanding is that there will be no cost for semi's but Hamburg will charge for the FINALS and REGIONALS.
