

## **ATHLETIC COUNCIL MEETING March 21, 2012 – Agenda item 8.2**

### **2012 NYSPHSAA Girls Tennis Committee Meeting January 23, 2012**

Tennis State Meeting Summary:

- We held a conference call on Monday, January 23 from 2:30-4:15. All section chairs were present.
- Topic 1:  
Suggestions wanted on how to bring in more revenue at sectional tournaments and/or ways to save money at sectional tournaments
- Topic 2:  
Changing the format of State tournament to a “staggered start” as opposed to all participants arriving in the am. Currently, everyone arrives at 8:30 and there is a great deal of waiting to go on court and congestion in the club. Proposed singles in the am and doubles in the pm. Official vote to come....
- Topic 3:  
Proposed change in seeding format to avoid sectional champions, who are not seeded in the overall top 8, playing a seeded player. More discussion to come.....
- Topic 4:  
Sectional chairs seemed opposed to allowing other federations to join the tennis championships, which seems to be a possibility. More discussion to come...

Thank you,  
Michael Venditti
