Report on changes in Policy or Practice that were implemented

The “Big East” formula was used for seeding purposes. It was well accepted.

Problems encountered/ concerns

None

Recommendations for next season

- 1) Open tournament for Boys Basketball should continue. Participation should remain optional. This season all but 4 schools participated.
- 2) Continue to use the “Big East” formula for seeding purposes.
- 3) The production of the program for semi-finals and finals should continue even though it is a tremendous amount of work for the Chairman. The net cost to the section was minimal.

Other pertinent data NA

Financial summary (receipts/expenditures):

- 1) Final financial report (separate attachment) is complete. The report shows net profits for semi-final, finals and regionals were very strong.
- 2) Pre-Quarter and Quarter finals results may be somewhat weak. A severe storm caused some postponements. Travel restrictions caused poor attendance at many sites.

Sectional and Post-Sectional Results

Champions-	Class AA-	Jamestown
	Class A1-	Williamsville South
	Class A2-	Buffalo East
	Class B1-	Olean
	Class B2-	Akron
	Class C-	O.T.C.
	Class D-	Maple Grove
Regional Qualifiers-	Class A-	Williamsville South
	Class B-	Olean

Far West Regional Champions-	Class C:	O.T.C.
	Class D:	Maple Grove
 NYSPHSAA Champions-	Class D:	Maple Grove

Respectfully submitted 4/30/2010,

Report on changes in Policy or Practice that were implemented

1. This year we fully used the Arbiter and a full time assignor. I believe everything worked very well. I did encounter some difficulties with Officials Board #39. That board has a policy that prohibits any member from working a second game in the same round even though it is a different classification. This issue was addressed by Mr. Slade, however, Board #39 did not heed his recommendations. As a result, officials from other boards were assigned to those games. We are charged with assigning the best available officials to each game and need help in having Board #39 change their policy.
2. Girls Basketball did not publish a program booklet for sectionals. The unanimous(5-0) vote at the seeding meeting confirmed that we would publish a simple program that included only rosters, etc. This situation will be addressed with Mr. Slade during the month of May.

Problems encountered/ concerns

1. I would recommend that the section adopt the state policy regarding admissions. That policy states, "For purposes of admissions 16 participants and five bench personnel(coaches, statisticians, athletic directors, other school administrators and any other persons associated with the team) will comprise the traveling squad and will be admitted to the tournament. All other participants or bench personnel will be charged admission."The number of extra free admissions has become out of hand.
2. A total of 17 teams did not participate in sectionals.

Recommendations for next season

As a committee we plan to meet earlier in the year to address venues. We will be hosting regionals next year and want to secure the best possible venues for our tournament.

Other pertinent data

1. A sincere thank you goes out to the following high schools for hosting: Williamsville East, Chautauqua Lake, Jamestown. Lockport, and West Seneca East.
2. Media coverage has increased this year.
3. I await the state's decision that would change girls basketball rules from the NCAA's to the Federations even though my committee voted (5-0) to maintain the present NCAA rules.

Financial summary (receipts/expenditures):

Net revenues increased by 43.9% compared to 2007-2008 when we did not hold regionals.

NET 2009-2010:	\$8,830.10
NET 2007-2008:	- 6,137.72

Net Gain from last similar non regional year: \$2,692.38

ECIC	Darrell Brocato	Maryvale
	Samantha Garson	Williamsville East
NFL	Lauren Rutherford	Lew Port
	Tyler Skoczylas	N. Tonawanda

Report on changes in Policy or Practice that were implemented

1. More bowling teams were added to the Sectional Tournament for both the boys and girls based on lane availability.
2. Teams were seeded by division on alternating lanes. Division A and Division B teams competed against each other and Division C and Division D teams competed against each other in the morning round of play. Coaches felt this would allow for more competitive play with athletes from schools of similar size. In the afternoon portion of the tournament, teams were seeded by how they finished in the morning regardless of division. Consensus of the coaches at the end of the tournament was to **continue with the format in 2011**.
3. State Tournament directors sent a directive to all sectional chairpersons stating the lane oil pattern that would be used at the State Tournament. This was decided at the March, 2009 Chairpersons meeting in Rochester as a way to have the bowlers better prepared to bowl on conditions not used during the regular season and at sectional team tournaments.

Problems encountered/ concerns

- The bowling committee will evaluate the format used at the 2010 Sectional Tournament at its summer meeting in view of the responses of the coaches to the new format.
- The bowling committee will also discuss the new state ruling that Baker Format may be used only at the Sectional Tournament if the Section committee agrees. It was decided not to use it during the 2010 Sectional Tournament as there was not sufficient time for input from either the coaches or the committee.

Recommendations for next season

Recommendations pending meeting of the bowling committee in July.

Ice Hockey	Division 1	Frontier	Mike Dombrowski
	Division 2	Ken West	Mike Sorrentino
	Division 3	Wms. E	Sean Mahon
	Division 4	Hamburg	Shawn Needham

Report on changes in Policy or Practice that were implemented

1. New teams this past year Lewiston Porter and North Tonawanda which brought us up to 24 teams in 4 divisions. Final League and Overall Standings are below.
2. 2nd year of sectional play with 3 Sectional Champions went very well. Sectional championships were held at HSBC Arena courtesy of the Buffalo Sabres. Canisius, Williamsville North, and Amherst were our sectional Champs and State Representatives.
3. Williamsville North our Large school representative lost to Suffern in the regional game and Amherst our Small school representative lost to Plattsburgh.
4. The sectional payment of bills and collection of dues seemed to be successful. Final numbers still have not been determined. The Sectionals were not a “money maker” due to the fact that our preliminary games were played in the afternoon over the February break and the finals there was no gate collected due to the agreement with the Buffalo Sabres. Once Loren gets us the final numbers, I am expecting to break even.

Problems encountered/ concerns

Next year we will be mandated to classify by the numbers. Ice Hockey will use the # of 1100 as the dividing number for Large and Small schools. Still lots of concern throughout the State Ice Hockey Committee in regards to this.

Recommendations for next season

We are looking to remove St. Francis from the league due to the fact they have not put in their best team since 1999. The team that plays in our league is their 2nd team and they were giving until the 2010-11 season to put in their best team or pull out. Nichols has voluntarily left due to this but St. Francis is not planning to leave peacefully.

**SECTION VI Indoor Track
2010 POST-SEASON AND 2011 PRE-SEASON REPORT
Chairpersons: Peter Szymanski (Boys) and Emilio Mancino (Girls)
May 2010**

All WNY Sportsmanship Winners

Boys Indoor Track		David Aoun	Lancaster
Girls Indoor Track		Katie Niblock	Sweet Home

Report on changes in Policy or Practice that were implemented:

We're looking into the possibility of hosting the Section VI State Qualifier Championships at RIT in Section V during the 2011 Indoor Season. Further Details will be given to Timm Slade down the road.

Problems encountered/ concerns:

- The Indoor Track & Field Conduct Expectations that all coaches get from the beginning of the season to read to all their athletes will now also be given to all of the Athletic Directors.
- We will need to notify Buffalo State and especially Fredonia State that their cleaning staff will need to empty the garbage cans more often.
- Sound System at Fredonia State wasn't working that well at the State Qualifier Championships. This cannot happen since this is our 'Biggest Meet' of the Year!! I will let Fredonia State know of this situation and have them make sure that they check their system on a regular basis.
- The Finishing Line Officials at the State Qualifier Championships unfortunately made a huge mistake in the Girls 3,000 Meter Run. They missed counted the number of laps, having all girls run one less lap.

Recommendations for next season:

- Jim Zubler from Frontier High School has decided to step down as one of the Indoor Track & Field Committee Members. There is too much on his plate between X-Country, Outdoor and his Summer Program. Hence, **Brian Lombardo from Sweet Home** was elected as the 'New' representative to take over Jim Zubler's responsibilities. Also, since Jim Zubler was a voting member for the ECIC, Kevin Carriero will now be the 'New' voting member for the ECIC.
- We're looking at adding the Distance Medley Relay & Sprint Medley Relay at Buffalo State College for the early part of the season only. This would replace the 4 x 800 and/or 4 x 400 Meter Relay. We're just trying to make the early part of the season a little bit different.
- As of right now, we are having all girls going off the 8' board in the Long Jump. We have decided that any girl who meets the Sectional Standard in the Long Jump will be allowed to jump off either board (8' or 12' board). This is not an issue for the boys.
- Because of the official's mistake in the Girls 3,000 Meter Run at the State Qualifier Championships, we will now institute a Coaches Box on the floor for those teams that have an athlete involved in that event for both the 3,000 and 3,200 Meter runs. This will help the officials and vice-versa. Note: The Finishing Line Officials would have final say.
- Also, we are going to assign a committee member to help with the officials at the Team and State Qualifier Championships in all Field Events.
- Scoring at the Team Challenge and the Team Championships will now be scored in terms of Large/Small Schools.

Other pertinent data:

We're looking into the possibility of hosting the Section VI State Qualifier Championships at RIT (8 lane 200 meter track) in Section V during the 2011 Indoor Season. It is a better facility and a faster track for our athletes. Further Details will be given to Timm Slade down the road. RIT is the same distance for the majority of the teams in the northern part of the section. We are also inquiring with RIT regarding costs/fees for the event. The only concern will be officials. If RIT is in Section 5 would the officials need to be Section 5 officials?

Report on changes in Policy or Practice that were implemented

Problems encountered/ concerns

Other pertinent data

Participation: 391 swimmers and 24 divers from 46 schools competed in the 2010 Section VI Championships

State Championship Update

- 2010 State Championship Meet was held at the ECC Aquatic Center on February 26-27, 2010
- Section VI qualified 45 swimmers and 3 divers from 18 schools to compete at the state championships
- 2011 State Championships will tentatively be held at the Nassau County Aquatic Center, East Meadow Long Island, March 4-5, 2011

Recommendations for next season

- Continue awarding patches by class (A, B, C/ D)
- Continue to support funding the meet at ECC (Burt Flickinger Aquatic Center)
- Continue to explore alternative dates to conduct meet (possible mid week to reduce rental costs)
- Continue In-Season qualifying for the NYS Championships
- Pursue changing the current meet format to three separate class championships (A,B,C/D)
- Explore the possibility of a separate state qualifying meet in addition to class meets
- Qualifying times will be studied and adjusted as appropriate to better meet the needs and talents of our Section VI athletes

Report on changes in Policy or Practice that were implemented: N/A

Problems encountered/ concerns N/A

Recommendations for next season

We would like to explore starting a weight class sponsorship (\$100 per weight class) at Section 6 Championships. For two divisions, we could potentially generate \$3000.

Other pertinent data N/A
