

**SECTION VI PRE-SEASON REPORT
BOYS BASKETBALL 2009-10
Chairperson: Jim Walker**

- A. Tentative Classifications- (see attached)
- B. Proposed Calendar- (see attached)
- C. Format Change
 - 1. Proposed Brackets- (see attached)
- D. Recommendations-
 - 1. Continue Open Tournament
 - 2. Address competitive questions with format change in brackets.
 - 3. Reject the Finance Committee recommendation suggesting that districts should be responsible for costs associated with participation in the qualifying rounds for Boys Basketball.
 - a. The Finance Committee states unequivocally that the present financial impact on districts is insignificant.
 - b. Districts would be forced to be responsible for costs for qualifying rounds. This will discourage participation.
 - c. Based on the Fund Balance and the average yearly net profit for Boys basketball there is no justification for districts to pay more to participate.
 - 4. Approve Maple Grove High School petition to play an independent Boys Basketball Schedule for the 2009-2010 season.

2010 Section VI Boy's Basketball Championship

ATHLETIC COUNCIL MEETING May 20, 2009 – Agenda Item 12.0

**PRE-SEASON REPORT
SECTION VI GIRLS BASKETBALL 2009-2010
Chairperson: Leo Kaminsky**

FORMAT: Open Tournament with alternating days (up to Semi-Finals) opposite Boys to avoid scheduling conflicts with officials. There is some consideration that the concept of the open tournament be revisited. When we are apprised of the section's decision we will plan accordingly.

DATES:

State Meeting:	10-05-09
Committee Meeting:	to follow state meeting before the start of the season
Seeding Meeting:	02-20-10 Cayuga Heights Elementary School
Sectional Start Date:	02-23-10 (Tuesday)
Finals (except C & D)	At ECC City Campus (Jamestown and/ or Chautauqua Lake)
Regionals:	Section V
State Tournament:	03-19-10 to 03-21-10
Federation Tournament:	03-18-10 to 03-20-10

SITES: Up to semi-finals = host school
Semis to be held at various high schools (still securing sites)

Changes and New Information:

- + Point System Rating Form, Officials Ranking Form, and Non-Preferred Officials Sheet will be done via the internet
- + Five Classifications remain in effect. We will crown seven champions this year(AA, A-1, A-2, B-1, B-2, C, and D)
- + Hudson Valley Community College will host states.

(over)

Clarification from Seeding Meeting with Committee:

- + The committee went on record that there is no need for any coach to attend the seeding meeting. There were no votes opposing this issue.

Action Items:

- + There will be a formal request from the state committee to experiment with two sixteen minute halves for varsity only for next season
- + I want approval to create an assignor similar to the boys' position. This person will not be a participating coach.
- + Based on last year's Finance Committee's report regarding justification of girl's final venue at ECC and this year's attendance and monies collected, I submit that we continue our finals as per this year's venue.

**SECTION VI PRE-SEASON REPORT
BOWLING 2009-2010
Chairpersons: Girls-John Seeley, Boys- Dan Kaplan**

The Sectional Tournament will be held at Thruway Lanes in the latter part of February, 2010. There is some issue over the actual dates due to the Winter Break being scheduled for February 15-19 and the two week gap between the end of Winter Break and the start of the State Competition the weekend of March 5-7, 2010.

It is anticipated that the format for the Section VI Bowling Tournament will use the same format as the previous two seasons. This format does allow for more teams to qualify for the tournament depending on lane availability. The teams that have a .500 record will automatically qualify for the tournament. The remaining teams will be seeded according to their team average. The number of teams in this category that will qualify will be determined by lane availability. The individual league chairpersons in conjunction with the Boys and Girls Section VI Sports Chairs are responsible for making the final decision as to who will qualify.

The same awards procedure for the Section VI Tournament will be used. The first and second place teams in each class (A, B, C, D) will be awarded shields, certificates, and plaques. Each class must have three teams competing at the tournament to receive second place awards.

During the summer of 2009, the Sports Chairs will meet with the Activity Board to update and clarify the bowling standards to be applied to the school teams in Section VI.

During the summer prior to the start of the season a committee made up of representatives from the five leagues and headed by the Sports Chairs will meet to clarify the team format rules and points system used by the various leagues. Unlike the other sports, the five leagues within Section VI (Buffalo, Cattaraugus, Chautauqua, ECIC and NFL) do not follow the same format. This inconsistency needs to be addressed so as to avoid problems when preparing for both the Sectional and State Tournaments.

At the time of this pre-season report it is anticipated that the same individuals will represent their respective leagues and committees as in 2008-2009. Voting members are indicated with an **asterisk***:

Finances:

Loren Ratajczak can inform the appropriate people on this subject. Loren handled all of the finances this year and it seemed to work out extremely well.

Note – We did save the Section some money in that there were three meets cancelled because of the weather during the middle & end of December – December 19th & 20th, 2008 at Buffalo State College and Wednesday, December 31, 2008 at Fredonia State College.

Income	-	T-Shirts (1/21, 2/16, 3/01)	Net:	\$
	-	Gate: (1/21 – 9th & 10th Grade Championships)	Net:	\$
	-	Gate: (2/16 – League Championships)	Net:	\$
	-	Gate: (3/01 – Section Championships)	Net:	\$
			Programs:	\$

Fredonia Situation:

Mancino and myself along with the Section VI Administration made sure that we had adequate supervision that was led by Sue Dronckowski. This was the first time that we felt we needed to make some changes in regards to sufficient control of the Fredonia State Indoor Track & Field Facility as well as having supervision provided at the Sports Arena at Buffalo State College. We all felt that it was the best for all parties concerned and was well received by all of the coaches and athletes.

In order to control the amount of people at such Indoor Facilities our Section VI – Indoor Track & Field Committee meet back on Wednesday, April 1, 2009 at 6:30 PM for a Post-Season Meeting and came up with a game plan for the upcoming 2009 – '10 Indoor Track & Field Season.

1. The amount of athletes per Boy's & Girl's Team will not exceed 70 members per meet.
2. There will be six divisions instead of the normal four that has been used for the past six years or so.
3. Division Meets will take place during the month of December along with three weekend dates in January.
4. See attached proposal.
5. The WNY Relays will be eliminated and replaced by a Varsity Team Challenged Type Meet.
6. The 9th & 10th Grade Championships will now be split into two groups – Large/Small Schools.
7. The League Championships will also be split into two groups – Large/Small Schools.
8. The Section VI – Indoor Track & Field State Qualifier Championships may go to a Boy/Girl Meet only.
9. In the Long Jump in particular – the 1st Jump will be measured followed by a 2nd & 3rd jump to meet a standard.
10. Throwers will now get four throws instead of three with the exception of Leagues/State Qualifier & Throwers Meet – Three Throws with the Top Eight going to the Finals for an additional three more throws.
11. Weather Proposal – If Thruway & Fredonia State College is Open – Then Meet is on.
12. Hurdle Responsibility will be added along with splitting up the Long & Triple Jump Duties.

Mancino and I felt that everything went as smooth as can be expected. Refer to Pre-Season Report – 2008 – '09. All meet results and such were sent in to all people concerned in a very quick and timely manner. Emilio Mancino did the Girls Top Ten List and I did the Boys Top Ten List and such.

Other Items:

1. Trainers were a major concern especially during the early part of the season – this issue needs to be corrected.
2. Floor Mats at both Fredonia State & Buffalo State Colleges will need to provide adequate floor mats in the High Jump & Pole Vault.
3. An Emergency Evaluation Plan will be added to the Hand-Book.
4. Girls in the Long Jump will be jumping off an eight foot board.
5. Boys in the Long Jump will be jumping off a twelve foot board.
6. The Triple Jump will be contested first in Meets followed by the Long Jump.
7. Triple Jump Boards - Girls – 20' – 24' and/or 28' - Boys – 28' – 32' and/or 36'
8. Only six officials will be needed at regular meets – we eliminated one official.
9. Section VI – Security – three or four will only be needed.

As of now there are currently 32 schools from Section VI that participate in Indoor Track & Field as well as Canisius, St. Joe's and St. Francis bringing our boys numbers up to 35 total schools and 32 total girl schools. We do not feel at this time that Canisius, St. Joe's nor St. Francis need to be out even though our numbers might increase slightly. All three schools performed their responsibilities and such throughout the 2008 – '09 Indoor Season in a timely and efficient manner.

Sincerely,

Pete Szymanski, Boy's Section VI – Indoor Track & Field Chairman
Emilio Mancino, Girl's Section VI – Indoor Track & Field Chairman
