Middle Early College - Class C  Continued from Page 1

MEC faced many challenges during its run to winning sectionals. The team defeated a physical Randolph, 57-47, in the semifinals of sectionals and beat a very good Silver Creek 60-51. JOJO Staton scored 29 points during that game followed by Billy Rivera's 17 points. Gary Foster and Brian Johnson controlled the boards and Hakeem Dobbins provided some deep shooting, chipping in 5 points.

In the sectional cross-over game, MEC defeated city rival Olmsted, 65-62. Olmsted made a late 7 point surge to cut the lead, but MEC hung on for victory. The team had balanced scoring from 5 players in double digits. During sectionals, JOJO Staton was named MVP while Gary Foster and Brian Johnson were named to the All Tournament Team.

The road to Glens Falls was difficult for MEC as Early College Prep (Rochester) proved to be a strong competitor. The game was close with a late charge by the Rochester team. However, MEC held its ground with JOJO Staton providing 20 points; Gary Foster with 13 points, 15 rebounds, 5 assists, and 6 blocks; Brian Johnson with 12 points and 11 rebounds; Amir Jemes with 8 points and 6 assists; and a strong performance by Hakeem Dobbins off the bench. The final score was 62-58.

In the NYSPHSAA semi-final game, MEC won 75-51 over Ausable Valley. During that game, Gary foster led the team with 22 points and 12 rebounds; JOJO Staton added 18; Billy Rivera added 14; Amir Jemes added 7 points and played great defense; Lorenzo Truitt had 8 rebounds and 4 points, playing strong inside; and Sophomore State Champions Boys Basketball Hakeem Dobbins scored 4 points.

The team played well in both games. Gary Foster was named the Most Valuable Player (MVP) of the Class C tournament. JOJO Staton and Billy Rivera were named to the All-Tournament Team.

Middle Early College (MEC) finished the season as the NYSPHSAA Boys Basketball Class C Champions with a strong 82-40 win over Haldane. Gary Foster finished with 24 points, 17 rebounds, 4 assists, and 4 blocks to be named player of the game. Joseph “JOJO” Staton finished with 18 points and 5 assists; Billy Rivera finished with 17 points and 9 rebounds; and Amir Jemes played a great defensive game shutting down Haldane's leading scorer and adding 5 assists. Brian Johnson had 13 rebounds and 4 points, dominating inside.

During the Yale Cup season, MEC finished second in a very competitive league, going 11-2, which earned the team the number #1 seeding in Class C2. Eight players made the All-League Team. Gary Foster and Joseph Staton were named to the First Team All Yale Cup. Brian Johnson and Billy Rivera were named to the Second Team, Amir Jemes made Third Team, and Lorenzo Truitt, Sophomores Nader Ngoopos-Kompany and Hakeem Dobbins made Honorable Mention All Yale Cup.

This year had its ups and downs, but the boys reached their ultimate goal of winning the state title.

Kenmore East - Division II

The Kenmore East boys’ hockey team finished the regular season with an overall record of 12-7-1 and a record of 9-6-1 in Federation league play. The Bulldogs won the Division II title edging out Bishop Timon by just one point. The team experienced several high points during the season including a 3-1 win over defending Catholic State Champion Canisius, a win over defending Section VI Champion Williamsville East, and a tie with #1 state ranked St. Joe’s.

The team did very well during the regular season against top-level state competition defeating Pittsford, McQuaid, and Potsdam. The team was led by Captains Cullen Smyth, Trevor Pray, and Anthony Tulipane. Pray and AJ Marinelli finished, tied for the lead in Division I and Division II, scoring each with 14 goals and 15 assists. The goaltending tandem of Brad Hermann and Chase Ford was solid throughout the year, allowing the fewest goals for any team in Division II. After the regular season was completed, Pray, Marinelli, and Smyth received All-Federation and 1st Team Division honors for their performances. Honorable Mention recognition went to Joey Spataro, Hermann, Tulipane, and Sam Balisteri.

In the Section VI play-offs the Bulldogs opened with a 6-0 victory over rival Kenmore West. Hermann recorded the shut-out while Pray had 4 goals and 1 assist. Marinelli had 1 goal and 4 assists. The Bulldogs then played a very determined Williamsville South team in the sectional semi-finals, defeating the Billies, 4-3, in overtime. Cullen Smyth tied the game for the Bulldogs with just 38 seconds left and Pray won the game for the Bulldogs with his second goal of the game 1:05 into overtime. After losing to Williamsville East in the 2014 and 2015 sectional finals, the Bulldogs finally got revenge and defeated the Flames, 5-2, in the sectional final. Pray notched all five goals for the Bulldogs and line mate Marinelli assisted on four of them. Pray was named Section VI Play-Off Most Valuable Player.

Moving on to the state tournament, the Bulldogs hosted St. Lawrence out of Section X in the state quarter-final. The Bulldogs exploded with 3 first-period goals and never looked back as they defeated the Larries, 6-1. Smyth and Spataro had two goals each, while Pray and Marinelli each added one tally. The Bulldogs advanced to the state semi-finals, at Buffalo’s Harbor Center for the first time ever. The Bulldogs took advantage of the home ice as they defeated Lake Placid out of Section VII, 11-0. Marinelli had 4 goals and 4 assists and Pray had 3 goals and 3 assists. Hermann and Ford shared the shut-out in goal. In the State Final, the Bulldogs trailed 1-0 going into the third period against defending State Champion Skaneateles. Russ Riggio tied the game on one of the most beautiful goals of the year. Skaneateles went up again, 2-1, but the Bulldogs replied and made it 2-2 on a power play goal by Pray.

The teams went to overtime. At 6:20 of the first overtime, Pray batted home the winning goal off a rebound from a shot by Marinelli and the Bulldogs claimed the championship. This was the second state championship for the Bulldogs in five years (2012). Pray was selected as the New York State Division II Player of the Year, State Tournament MVP, and 1st Team All-State. Spataro and Hermann were selected for the All-Tournament First Team and Smyth received First Team All-State honors for his play in the regular season. Marinelli was selected Second Team All-State for his regular season play. Pray had a remarkable 17 goals and 7 assists in 6 play-off games while Marinelli had 6 goals and 16 assists. Coach Kyle Pray was named New York State Division II Coach of the Year.

Girls Gymnastics - State Team

The Section VI Girls Gymnastics team came home from Albany victorious from the NYSPHSAA State Competition on February 27th, 2016. These ten athletes from six different high schools (Frontier, Hamburg, Lancaster, Orchard Park, Williamsville North, and Williamsville South) represented the Section with outstanding results.

The team, comprised of 3 seniors, 2 juniors, 4 freshmen, and 1 eighth grader, came home with the New York State Team title, which they also brought home in 2014. The Section VI team scored 184.375, XI 181.850, III 176.625, I 173.575, VIII 168.725.

Senior Mackenzie Donner from Lancaster and Freshman Zoe Kyriakopoulos of Williamsville North also each came away as State individual champions.

The team started the meet on uneven bars where it seemed they could do no wrong. With only one near miss, the team scored above a 9.00. Our first competitor, Madison Penetrante (WN) started the team off with a stellar routine and hit a 9.45 - the teams highest for that event and placed 3rd for her efforts. Samantha Miller (H) followed with a solid routine for a 9.00, Donner was on a high from floor exercise and scored a 9.50, which ultimately crowned her as floor exercise champion! Kyriakopoulos also performed very well, placing 5th with a 9.30 to tie with teammate Roberson.

With one event left to go, the team, which had bonded over the past few months, was ecstatically cheering each other on! We had watched several other sections struggle on the vault, but we had a good warm-up and were prepared and ready to go. Miller with a 9.00 started us off with a strong start. Vault Specialist, Trinity Tartaro (OP) blew us away with a 9.45 placing 7th, Roberson 9.10, Donner still on a high from floor exercise and vault specialist, scored a 9.55 (5th), and Kyriakopoulos was ready to leave her mark at the state championship by becoming the vault state champion with a score of 9.70!

Both Donner and Kyriakopoulos tied for 2nd in the All-Around (37.45) followed by Gare (6th) and Roberson (7th). The girls were outstanding teammates, including alternate Claire Eichner (H), and demonstrated excellence in the sport of gymnastics.

Sweet Home - Tiana Luton
55 Meter Hurdles

Tiana Luton won the Section Title in the 55 hurdles with a time of 8.36, which was a huge .15 second PR in the event. However, the real story was the next weekend. Tiana went into the state champs seeded 5th, after her semi-final run of 8.29 (another PR), she was seeded 1st going into the final. In the finals, she ran 8.21 for a huge PR, thus acquiring the State title. She sacrificed some races and times earlier in the year, only to have had a breakthrough when it mattered the most!

Bradley Bihler finished his decorated career as a New York State Champion. Brad began his senior year as a three-time state place finisher, having placed 3rd, 4th, and 6th during his freshman, sophomore, and junior years. Coming off his 6th place finish at 126 in 2015, Brad moved up 2 weights to 138 and increased his training and practice regimes. Brad found a lot of success and entered the post season with a 42-2 record. Brad won multiple tournaments throughout the year including Maple Grove, STOWA, NCCC, and placed 5th at the highly competitive Eastern States.

In Albany, Brad used a first round pin, a 7-1 decision in the second round, and 2 decisions in the semi-finals and finals to secure his state championship. With that win, he became the first wrestler to earn a state title from Maple Grove. Brad also finished his career with a school record, 193 wins.

Brad will leave Maple Grove as its most decorated wrestler ever. His success can be attributed to a dedicated work ethic, and a great group of practice partners throughout the years. Brad is interested in continuing his wrestling career at a Division 1 college while studying Business Management.

Two Falconer wrestlers proved that they were worthy all state competitors. One of which, Junior Jake Peru, captured the state title at 182 pounds. It is just the second state wrestling title in Falconer school history. Ironically, Peru is named after Falconer’s only other champion, Jake Schaus, who captured the title at 145 pounds in 1994.

Kellen Devlin finished one of the greatest careers in Section VI wrestling history by winning his third straight NYSPHSAA title in convincing fashion, winning 9-0 over Ryan O’Rourke from Adirondack H.S. He outscored his opponents 45-2 over the course of four matches in Albany. He joins Ryan Needle of Newfane as the only three time champions from Section VI. He also had a third place finish in 2013 before beginning his championship streak as a sophomore.

Devlin finished his career with a record of 259-16. His dominance of Section VI can be seen in his five straight Section VI championships. The only loss in the post season in Section VI came as a seventh grader when he lost in the finals despite entering the match undefeated. He is also a four-time NHSCA All-American, winning a national championship as a Junior in the spring of 2015. He will continue his career at North Carolina State University.

Roy-Hart Wrestler Cameron Swick (Sr.) came into the 2015-16 season for the Barker/RH Wrestling team determined to win, and Cameron did just that! Having missed his entire junior wrestling season due to a broken leg that occurred in September, which was followed by a bone infection during his recovery, one can understand where his fight and determination came from. Cameron worked extremely hard throughout the off season—waking up at 6am and working out, wrestled and trained with other NYS champions and coaches during the summer, and his pure DESIRE to compete at his highest level for his final high school year.

Cameron began his 2016 NYSPHSAA championship campaign at the Orchard Park tournament in December 2015 and at the NCCC tournament in January 2016. At these events, Cameron took home 1st place finishes and was named “Most Outstanding Wrestler” at the Orchard Park tournament. His success continued throughout the Niagara Orleans League (NO) wrestling season, where he went undefeated in all of his NO contests, NO All League Tournament, Class C Sectional Tournament, and completed the run with a NYS championship victory in Albany.

Cameron captured the “perfect season” finishing 35-0 and becoming the 3rd New York State Wrestling Champion in Roy-Hart school history, joining Lou Rosselli (1988) and Drew Hull (2013). Congratulations Cameron……………Once A Ram….Always A Ram!

Boys Basketball

Panama - Class D

During the season, the Panthers competed in and won the Prattsburg Christmas Tournament (Section V) with Senior Josh Eddy winning tournament MVP and Senior Jack Payne making the All-Tournament Team.

The Panthers were the epitome of “team basketball”, having 4 seniors average nearly 15 points per game. The Panthers used balanced scoring and intense man to man defense to make their push to the Final Four. Point Guard and Senior Chris Blose scored a team high 417 points this season, making him the 3rd leading scorer for a season in Panama school history. Chris also had 240 rebounds to go with his 120 assists on the season. Shooting Guard and Senior Josh Odell was a three-point specialist. Josh scored 693 points in his career at Panama with 157 made three-pointers. Josh was a 1st Team All-League player and was recognized as a member of the All-State Tournament team, scoring 26 points in the semi-finals at Glens Falls. Jack Payne was another starting senior and guard who had the ability to dribble penetrate a defense and knock down a perimeter shot, making him a dual threat. Jack shot 45 percent from three-point range, shooting a stifling 57 out of 127 attempts from long range. Jack finished the season with 310 points and was named a First Team All-League player.

Senior Josh Eddy led the Panthers with 329 rebounds to go with 341 points. Josh had the ability to control the point and caused many teams to change their offensive game plan with his ability to make them alter shots. Josh garnered First Team All-League player and will play basketball at the collegiate level next year. Lastly, Senior Jarett Yuchnitz was the last member of the starting 5. Jarett's shining moment came when he knocked down a game winning three-pointer to beat league rival Westfield after being down by 20 points with 4 minutes left in the 3rd quarter. Jarett was a key lock down defender and a vital member of the team.

Although, the Panthers were not able to cap off the season with a state championship, they were named Division Champions, Sectional Champions, and Regional Champions. The 2015-2016 Panama Boys Basketball team will go down as one of the most successful in program history.

-Ed Nelson, Coach

Williamsville South - Class A

The Panama Panthers boys’ basketball team ventured into uncharted waters in the 2015-16’ season, as they participated in their first Final Four in school history and ended the season as the #3 ranked team in the state. The boys’ season would eventually end at the hand of a Moriah team who was making their 3rd straight Final Four appearance and ranked #1 in the state, with a 25-0 record. Moriah ended up trimming the Panthers by a score of 62-59. Panama, who finished the year 22-3, had the lead for most of the game and was up 13 points with 4 minutes left, but went cold and surrendered the final 16 points to Moriah in a heart breaking loss at Glens Falls.

Season Recap: After starting out 1-2, the Panthers won 21 consecutive games in route to becoming the most decorated boys team in school history. The Panthers started off the year competing against some very strong non-league opponents in Randolph and Chautauqua Lake, who both had very strong showings at sectionals with Randolph reaching the semi-final game in Class C-2, and Chautauqua Lake losing to Olmsted in the game C-1 final.

Cincinnati Bengals

Sign Joe Licata

This spring, former Williamsville South High School graduate and UB Bulls quarterback signed as a free agent with the Cincinnati Bengals.

“People get infatuated with arm strength but what makes the greats great is anticipation and accuracy, and I think that’s my greatest strength on the field. People want measurables. People want the 6-5 guy who can run a 4.6 and throw the ball through a wall. But there are not a lot of guys who can think the game too.”

Section VI congratulates Joe on all of his accomplishments and wishes him the best with his football career and all of his future endeavors!
Girls Basketball

Panama - Class D

The Lady Panthers finished the season with a record of 21-5, the most victories in a single season in Panama school history. The girls made history by going back-to-back to the State Final Four and upping last year’s trip by reaching the Class D State Championship game.

The Lady Panthers eventually lost a close game to Heuvelton 62-60. The season started by playing a challenging non-division schedule featuring many teams that ended its’ season near or at the top of their division championships. Teams from Class AA through C in New York and Class AA schools from Pennsylvania helped prepare us for our tough division and eventually the Regional Championship.

The first in our journey to the State Final Four was a victory versus Westfield, 71-35. Next was rival Pine Valley in the Class D semi-final at Jamestown Community College with Panama winning, 60-38. In the Section VI final, we played dominate defense holding, at the time, #10 Franklinville team at bay and winning 70-44. On the trip to the Regional final in Rochester, the Lady Panthers held on to a hard fought 56-51 over Section V’s Wheatland-Chili. The magic continued at states and we proudly represented Western New York posting a 46-43 victory in the State Semi-Final over Fort Edward. In the Championship game versus Heuvelton, the Lady Panthers led in the 3rd quarter by 5 points, but could not hang on. Down by as many as 12 points in the fourth, the Lady Panthers mounted a valiant comeback with the final being 62-60.

Williamsville North - Class AA

The Williamsville North girls’ basketball team made a historic run to the Class AA State Basketball tournament this season. After losing their entire backcourt to graduation and moving the other two returning starters to different positions, North went on a run for a school record 24 straight wins. Their lone loss of the season came at Hudson Valley Community College to Shenendahowa High School in the state semi-finals.

Along the way, North was the ECIC Division I Champion and the Section VI Class AA Champions winning at Buffalo State College over Orchard Park. It was an important win for the Spartans who were beaten in the previous two sectional finals. That victory allowed North to play in the Far West Regionals against the #3 team in the state, Section V’s Penfield. And to make it even more of a problem, the game was being played in Rochester on Section V turf. No Section VI team had ever won a Class AA regional game against Section V over the past 18 years.

On Saturday March 5th, the Spartans headed to Rochester for what almost everyone thought would be an easy win for Penfield. North’s basketball team had other thoughts. In a game that was mostly controlled by Penfield, the Spartans made every effort to keep the game within reach. They trailed by 8 at the half and by 12 after the break as Penfield scored the first 4 points of the half. A switch to a 2-3 zone helped North close the gap to 4 at the end of the 3rd quarter, thanks in part to a half court 3 pointer by Freshman Audrey Craffey at the buzzer. North continued to chip away at the lead as Ericka Taplin (30 points/16 rebounds) hit 4 of 4 from the foul line in the final 23 seconds of the game to win it for the Spartans by a score of 59-56. North was 24-0 and headed to the state tournament.

A record setting season for Williamsville North: most wins: 24, most wins in a row: 24, and Far West Regional Champions.
Boys Basketball
Niagara Falls - Class AA

The Niagara Falls High School boys’ basketball team finished their Niagara Frontier League season undefeated with a 14-0 record. After a quarter-final victory over rival Niagara Wheatfield, the team headed to Buffalo State. The team moved on after a semi-final victory over Lancaster, and then earned the Section VI Class AA Boys Basketball Championship over Jamestown. A trip to Glens Falls fell short after their season ending loss to Aquinas. The Wolverines ended the season with an overall 18-5 record.

Girls Basketball
Holland - Class C

Holland Central’s Lady Dutchmen repeatedly demonstrated the offensive balance and defensive grit that lead them to the overall Section VI Class C title. Holland was able to showcase their scoring balance in the C2 semi-final game versus Randolph. Kaitlyn Bulega jump started the Holland offense as she drove to the rim on three straight plays and opened up scoring opportunities. Three players from Holland reached double digits including Alicia Massara, knocking down five three-point shots (18 points on the night), while Olivia Schmidt showed off her court sense and basketball knowledge as she finished with 14 points and 9 assists. Cassidy Slocum (14 points) and Julia Grupp limited Randolph’s second chance points as they combined for 23 rebounds.

The C2 finals showcased the fast tempo of Frewsburg against the playmaking and solid defense of Holland. As Holland worked to control tempo and slow down the fast paced Frewsburg on every possession, the defensive intensity for Holland turned into offensive success. Olivia Schmidt demonstrated why she is the three-time ECIC Division IV Player of the Year as she dropped 31 points and added 10 assists in the 58-42 victory. Cassidy Slocum added 14 points for Holland and was vital as a rim protector with 3 blocks. Essential minutes from back-up Guard Kara Schmidt and Reserve Forward Kaitlyn Bulega helped ensure the win.

The victory over Frewsburg earned the Lady Dutchmen the school’s first ever sectional title in basketball.

Holland defeated C1 powerhouse Allegany-Limestone 64-49 in the overall Class C cross-over game. Holland showed off its balance on offense and intensity on defense. Olivia Schmidt dominated the first half scoring as the Lady Dutchmen jumped out to a 28-15 halftime lead. Defensive intensity and rebounding success helped limit the effectiveness of a well-coached Allegany-Limestone team. Allegany-Limestone made adjustments in the second half that forced the Lady Dutchmen into a more balanced attack as Alicia Massara hit five three-pointers in the third quarter. Holland had eight different girls score in the game and played great defense in the paint. Cassidy Slocum, Kaitlyn Bulega, Elizabeth Izydorczak, Cassidy Slocum, Jenna Lewis, Julia Grupp, Madison Scull, Rebecca Clemons, Haley Shanahan, and Assistant Coach Lukas Gill were each instrumental in the Lady Dutchmen’s success. This effort and unselfish play has earned the Lady Dutchmen the school’s first Sectional Title (Class C2) and overall Sectional Title (Class C Overall) and a trip to the Far West Regional Final.
Lake Shore - Class A

The Lake Shore women’s varsity basketball team consisted of one senior, eight juniors, one sophomore, and four 8th graders. The young team ended their season with a remarkable, overall record of 20 - 5 and a league record of 10 - 4. The team won three tournaments during the year, The Hae Jude Tournament, The Waste Management Tournament, and The Depew Wildcats Tournament. The team had quite the playoff run this season yet again, reappearing in the A2 Championship and beating Kenmore East and also knocking off former state champions, Williamsville South in the crossover game to become the overall Class A champions in a come from behind performance. This was the first appearance the team has made in Far West Regionals since 1996.

Olean - Class B
The Williamsville North boys’ hockey team won its seventh Section VI ice hockey championship this year with a 1-0 victory over Niagara Wheatfield. Junior Adam Batz scored the eventual game winning goal in the first period, while Junior and Goalkeeper Jake Zurat preserved the shutout. The Spartans completed the season with a 17-5-2 after starting the season with three straight losses. North finished the season ranked sixth in New York State in the large school division. Seniors Dereck Westbrook, Matt Terrance, Jared Cummins, Kyle Wilk, Noah Bachwitz, Nick Tracy, Zach Kurbiel, Mike Kreuz, Anthony Fiorella, Zach Surowiec, Grant Hart, Mike Paolini, and Max Tracy led the Spartans to their most successful season in years.

The newly merged Kenmore/Grand Island girls’ hockey team captured their first sectional title the hard way. After earning the 4th seed in the sectional playoffs, the team put together a string of great hockey to capture the Section VI crown. Kenmore had captured four consecutive sectional titles prior to this season. After downing #5 West Seneca in the quarters, the team upset top-seeded Williamsville, 4-1, and beat back #2 seed Orchard Park/Frontier, 4-2, to earn the slot in the New York State Frozen Four. It was the 4th trip to states for some of the Kenmore girls. The squad downed Canton, 4-3, in the NYS semi-finals before losing in the championship game, 3-2, against 1000 Islands/Alexandria Bay. Goaltender Cara Klopp was named Most Valuable Player of the state final despite the loss. The overall record was 10-6-3-0-1 (the number #1 represents an overtime loss).

Girls Bowling

Depew - Class B

The Depew Wildcats girls’ bowling team won the 2016 Class B Title on February 11, 2016 during sectional competition held at Airport Lanes. The team bowled an opening game of 915, led by Freshman Rachel Wagner’s 239 and Freshman Katie Gasiewicz’s 214 and never looked back on route to the title. The Lady Wildcats bowled consistently throughout the contest with all 6 girls contributing at crucial points over the 6 game tournament. The girls bowled 864 in game 2 led by Senior Sara Snyder’s 200 and another fine game by Rachel Wagner (210). During the final game of the morning session, the girls rolled 861 to finish with a three game total of 2640 total pins, establishing a lead of 231 over second place Springville. The Wildcats were also in 2nd place overall and certainly in the hunt for the 2016 Section VI crown.

In the afternoon session, the team started slowly with a 686 in game 4, but rebounded nicely rolling 847 in game 5 led by Senior Sarah Godfrey’s 200, Rachel Wagner’s 193, and Sara Snyder’s 192. Sarah Godfrey clinched the title in game 6 by rolling a 247 and securing a 209 pin victory. Freshman Cora Stoddard and Junior Samantha Szykowny subbed in and out for each other thru the 6 game tournament. Both contributed timely strikes and marks to keep the quest alive. The Lady Wildcats finished as runner ups for the overall Section VI crown to Orchard Park.

Orchard Park - Class A

This was The Lady Quakers 2nd sectional win in 30 years. The last time they won was in 1986. Coach Brock’s (Jensen) Senior year. The Lady Quakers had a division record of 8-2, which put them in 2nd place behind Division Champions Lancaster. They won the Roy Summers Tournament February 6th, 2016 at Airport Lanes along with the Orchard Park boys’ bowling team.

The team was led by Sophomore and Captain Danielle Milo. Danielle’s Division average was 197.83 (3rd in the division), she bowled a high set 657 (4th in the Division), and a high game 247. Danielle’s total pin fall at sectionals was 1148, 1st overall. Freshman Sarah Radt had a 185 division average, 621 series, and 247 game. Sarah placed 2nd at sectionals with a total pin of 1143. Junior Nicole Rzepka had a 172 division average, 599 series, and 255 game. Nicole was 4th at sectionals with a total pin fall of 1129. Junior Maddie Jensen had a 183 division average, 586 series, and a 256 game. Maddie was 11th at sectionals with a total pin fall of 1085. Junior Nicole Newton rounded out the team with a 177 division average, 567 series, and a 212 game.

The Lady Quakers dominated the field with a total pin fall of 5545. This gave them a 461 pin lead from second place Depew and a 517 pin lead from third place Tonawanda.

Silver Creek - Class D

Winning the Class D Sectional Title at Airport Lanes in Cheektowaga was a very nice finish for a great group of girls. The girls ended up in first place for the regular season with an overall record of 26-6. Our two seniors, Katie Dittiger and Jamie Hehir, have been on the team since they were in the seventh grade, so this sectional title is a special one for them and a tremendous way to finish their bowling career as Black Knights.

Despite a challenging start, the girls rallied back in the third game of the morning set and continued to improve in the afternoon (701-732-789-2222). It was a total team effort! The team was led by Senior Katie Dittiger (1st team all-league) and has been a catalyst for the team's success all year. She was consistent throughout the day with a 154-181-460 in the morning and 155-156-151-463 in the afternoon for a total of 923. Freshman McKenna Steklasa (2nd team all-league) rallied in the afternoon to a team high set of 160-150-208-518, which helped set the tone for the afternoon and finished the day with a 944 total for the 6 games (157 average for the day). Senior Jamie Hehir (2nd team All-League) had a strong showing with a 154-184-490 set in the morning and added a 151-164 in the afternoon to help keep us in the running. Freshman Andrea Olsen (2nd Team All-League) played a big role with 145-159-142-156-821. Andrea is extremely competitive and has been consistent all year. Sophomore Gabby Rivera has been an alternate all year. Since sectionals start 5 instead of 4, she bowled all six games. She exceeded expectations by bowling well above her average (high game 161) and was a major contributing factor to the team win.

As a coach, you cannot really ask for a better bunch of kids to work with and I could not be happier about their success. Katie and Jamie were terrific leaders and will certainly leave big shoes to fill when they graduate this year, but I look forward to the opportunity to coach McKenna, Andrea, and Gabby over the next few years as well as the other girls that will be working to earn a starting position moving forward.

Williamsville East - Tim Finley
1 M Diving

Junior Timmy Finley's season got off to a good start. In December, he broke Hamburg's pool record in Williamsville East's first dual meet. His success continued as he broke the 35 year old pool record at Williamsville East, re-setting his own pool record at Transit Middle school (East's typical home pool) twice throughout the season.

He took first at ECIC Championships with a score of 451.60, qualifying him for the NYS Championship meet. Refusing to let up, he was also crowned Class A and Section VI Champion in February with a score 514.05, also a new school record for 11 dives. Timmy capped his season off with his third appearance at the NYS Championship meet in March with a career high 11th place finish.

Hamburg - 200 Yard Freestyle Relay
Michael Maurer, Cody Wittmeyer, Luke Kennedy, Kyle Griffin

Only adding one new swimmer, the Bulldog 200 Free Relay team improved on time by 5 seconds from last year's second place team to place first at this year's Section VI championships. The same four swimmers that made up the winning Medley Relay swam in the 200 Free Relay (Kennedy, Wittmeyer, Maurer, Griffin). The team set the Hamburg school record, Hamburg pool record, and Sweet Home pool record this year. Along with winning the Section VI Championship, the Bulldog 200 Free Relay was undefeated all season, including big wins at the ECIC and Class A championship meets. At the NYS Championship meet, the Bulldogs placed fourth.

-Andy Godios, Coach

Hamburg - 200 Yard Medley Relay
Michael Maurer, Cody Wittmeyer, Luke Kennedy, Kyle Griffin

Members of the Medley Relay for Hamburg in 2015-16 were Michael Maurer, Luke Kennedy, Cody Wittmeyer, and Kyle Griffin. The quartet successfully defended their ECIC Class A and Section VI titles from the 2014-2015 season. The Hamburg Medley Relay team has won 28 consecutive Section VI races dating back to last year. This year, the team recorded the second fastest time in Section VI history at the NYS championship meet. The Bulldogs placed second at the state championships by 2 tenths of a second. The team set the Hamburg school record, Hamburg pool record, Sweet Home pool record, and Frontier pool record this season. All four members qualified for states in their portion of this relay (Maurer-back, Kennedy: breast, Wittmeyer- fly, Griffin- free).

-Andy Godios, Coach

Hamburg - Luke Kennedy
100 Yard Breaststroke

Luke Kennedy set a personal best time at sectionals by nearly 2 seconds. He swam away with the Section VI title by winning the breaststroke by about 5 seconds. His time of 57.92 was only 4 tenths of a second off the Section VI record. At the Section VI championships, Luke broke the Hamburg school record that stood for nearly 30 years. Luke also set the Hamburg and Frontier pool records during the regular season in breaststroke. Luke placed second in the breast at the ECIC and Class A championships to Matt Marsh of Jamestown. Luke was also a member of the champion Medley and 200 Free Relay teams of Hamburg.

Hamburg - Michael Maurer
200 IM

Maurer was the defending Section VI champion in the IM. He recorded a time that was 3 seconds faster than his winning time from the 2014-2015 season. At sectionals, Maurer broke the Hamburg school record that stood for nearly 30 years. Maurer dominated this event all year while winning at the ECIC and Class A championship meets. At the Section VI championship, Maurer won by about half the length of the pool. Along with the IM, Maurer competed in the Medley Relay, 200 Free Relay, and Backstroke at the NYS championship meet. Michael Maurer also holds the school record in the Backstroke.

Sectional Champions

Hamburg - Division I Small Schools

The girls had a very impressive season. They won first place at Fall and Winter Erie County Interscholastic Conference Championships. They won first place and grand champions at the Fredonia Cheerleading competition. They placed 3rd overall at Nationals in Disney World. They placed 8th overall at the first ever NYS cheerleading championship. Erica Giannicchi won the leadership award at the state championship. We are all very proud of all of their hard work and dedication.

West Seneca East
Division II Large Schools

This season was the beginning of a new era for Cheerleading in New York State. Teams compete in competitions throughout each season in order to showcase their talents and be awarded trophies and other awards. This season, each Varsity team needed to compete in 2 events in order to participate in the Section VI Championship. The West Seneca East team was able to achieve their ultimate goal by being named the Division 2 (Small School) Large (Large Team) Sectional Champions. This title afforded them the opportunity to compete at the very first NY State Cheerleading Championship in Syracuse where they competed against teams from the entire state. I am so proud of them for their hard work and dedication to the sport this season.

West Seneca West
Division I Large Schools

West Seneca West’s (WSW) varsity cheerleading team made history by winning the school’s first ever Section VI cheerleading championship. The team scored a 111.75 out of a possible 120. Out of all D1 and D2 schools, across all divisions, large, small, and coed; the WSW team earned the highest score of the entire Section VI championship. West Seneca West’s varsity cheerleaders represented both West Seneca and Section VI extremely well at the NYSPHSAA state championship on March 5th, 2016 when they were one of two Section VI teams that had advanced to finals, ultimately taking fourth place overall in the D1 large division. The team had an incredible season earning an ECIC title, a Section VI title, taking fourth place at the state level, and placing second at the national level. West Seneca West’s cheerleading team consisted of 25 incredibly talented athletes of which, the coaches; myself, Stephanie Babcock, and Erika Murphy, would like to congratulate on an outstanding season.

Sam Peterman won the indoor track and field 1500 Meter Section Championship. Sam, currently a junior, won her 1st 1500 Meter section title, and her 3rd individual section championship as she won the 1000 Meters her freshman and sophomore year. In the race, where Sam ran 4:43.19, she set the school record. During the race, she stayed relaxed throughout the 1st 600 meters, and then took the lead at that point. She steadily increased her margin during the rest of the race to win by 10 seconds.

Sweet Home - Tirzah Peters
Shot Put

Tirzah Peters climbed the Section VI shot put rankings throughout the year. After winning the unseeded section of her first major shot put competition at Dartmouth, she set her sights on winning the Section VI title. Tirzah did not waste any time that day as her first throw was her winning throw of 36'7.25, which was also the farthest throw in Section VI this season.

Rifle

Alden - Air Rifle

Sophomore Kiersten Mucha from Lancaster High School’s’ rifle team shot a 99 and 7 centers in the prone position during sectionals helping her claim the first place title. Kiersten went on with the team to the State Championships at West Point competing in the .22 cal smallbore competition as well as shot as a Section VI alternate for air rifle.
Lancaster Team - .22 Caliber

Lancaster High School’s varsity rifle team recently competed in the NYSPHSAA .22 caliber three position small bore rifle championship match at West Point United States Military Academy on Saturday, February 26th. The team comprised of Justin Collins (senior), Eric Koeth (junior), Kiersten Mucha (sophomore), Mason Kowalski (sophomore), and Alex Hangen (8th grader) returned home with the second place title only falling short to Central Square from Section III.

The overall makeup of the Lancaster team is diverse among grade levels giving the Legends depth for future seasons. Solid and reliable performances from Justin Collins, Eric Koeth, and Mason Kowalski provided a firm scoring platform as new comer Alex Hangen an eighth grader at Lancaster Middle School also added valuable points for the team. Leading and providing the extra edge for the Legends was rifle dynamo Kiersten Mucha, scoring 263 out of 300.

Going to West Point was a first for the entire team including Coach Leif Johnson. It has been a number of years since the team has competed in the state championships. Determination, perseverance, and a touch of humbleness seemed to be the right ingredients for the team this year as they had to overcome powerhouses Clarence, and last year’s State Champion, Alden, at the Section IV Rifle Championships.

Competing in the state championships this year was bittersweet as this was the last year New York State will host the .22 caliber competition. Due to lack of availability and increase cost of .22 caliber ammunition, schools across the state have been transforming their marksmanship sports programs from .22 caliber to air rifle, resulting in less schools participating in the small bore competition. As small bore vanishes from schools across the state, there has been an increase in interest in air rifle including local schools such as Holland (who added a team this year) as well as Pioneer (who is planning to add a team to Section VI next season).

As the Legends of three position small bore fades away into the sports history books, new Legends have risen and as we have seen this season, they are more than ready to write new stories.

Kenmore - Morgan DiMaria
Air Rifle

Sharpshooter Morgan DiMaria (Kenmore East) captured the sectional title in Air Rifle and by doing so, placed herself on the state team for the second year in a row. Last season, Morgan shot her way onto the state team by virtue of her outstanding regular season score added to the results at the sectional championships. Last year’s state meet culminated with her finishing in the Top Ten in New York State.

This season, DiMaria kept improving her many skills and registered the highest average on the Kenmore team. Along the way, she set school records for highest single target (standing air) and for highest aggregate score (standing air). For these accomplishments, and more, she was named the MVP of the Kenmore team.

Lackawanna High School Receives Golden Football for Super Bowl 50

As part of the nationwide Super Bowl 50 celebration, the NFL started the Super Bowl High School Honor Roll program to acknowledge schools and communities that have directly influenced Super Bowl history and impacted the game for the better. More than 2,000 high schools and roughly 3,000 players and coaches were recognized this season.

Lackawanna High School was given a Wilson Golden Football for Philadelphia Eagles Quarterback Ron Jaworski who graduated from the school in 1969. Jaworski led Philadelphia to Super Bowl XV after the 1980 season, when he was honored as NFL Player of the Year by UPI, won the Bert Bell Award as the Maxwell Football Club’s professional player of the year, the Dunlop Award as the professional athlete of the year, and made the Pro Bowl.

Mr. Jaworski was inducted into Lackawanna’s Sports Hall of Fame with its inaugural class in 2012. The Lackawanna High School Athletic Department congratulates Ron Jaworski for his successes with NFL Football and other business venues.

Community Service Award
Dick Gallagher

Section VI would like to honor Mr. Richard J. Gallagher (Dick) as our 2016 community service recipient. We are grateful for all the years of service, time, and energy that he continues to put forward to the youth in our community.

Mr. Gallagher who is a social worker by trade has made it his mission to devote much of his life mentoring, guiding, and promoting the youth in WNY. He retired in 2010 as the Executive Director of Alcohol and Drug Dependency Services, Inc., a position he held for almost 30 years. Dick Co-founded Kids Escaping Drugs and has been heavily involved with that organization. His professional career has been well decorated with many awards and as a member of many committees. Some of the Accolades are Social worker of the year, John DeLuca Award for outstanding services to alcoholic people and their families in NY, WNY Chemical Dependency Lifetime Achievement Award, FBI Director’s Community Leadership award, just to name a few.

When he is not working helping people with chemical addictions, he is promoting the athletes in Section VI. Dick Gallagher has been a household name to WNY athletes since 1983 when he became editor and publisher of WNY High School Sports. Since then he has contributed to our athletes as a member of the NY State Sports Writers Association, member of the Ilio DiPaolo Scholarship Committee, member of the WNY Scholar Athlete committee, Coordinator of WNY High School Football Banquets, and member of the Buffalo News Football Polls.

Dick is the member of three Hall of Fames - UB Athletics, Buffalo News, and Greater Buffalo Sports. His charitable work has earned him numerous honors from youth leagues and various community organizations, such as Buffalo News Citizen of the year, WNY and NY State Football Coaches Associations, Amherst Avenue of Athletes, Village of Williamsville Service to youth award, Niagara PAL Sportsperson of the Year, and many others.

This is just a brief synopsis of the many more accolades, honors, committees, and services that Mr. Gallagher has been a part of here in WNY over his lifetime. The gratitude and appreciation that the Athletic Directors, School Personnel, Parents and most importantly the student athletes have for Dick cannot be sufficiently done is this short write-up. On behalf of all the athletes in WNY, the Athletic Directors of Section VI thank Mr. Richard J. Gallagher for his countless hours to our programs. Congratulations as the NYSSAA Community Service recipient.

Athletic Administrator of the Year
Jim Graczyk - Pioneer Central Schools

After graduating from the University of Buffalo in 1985, Jim Graczyk started his educational career teaching Physical Education at the Elmwood Franklin School in Buffalo, NY. He taught and learned there for three successful years. After earning his Master's Degree in Exceptional Education from Buffalo State College (1988), he moved to North Tonawanda High School and taught Special Education for a year before returning to his alma mater, the City of Buffalo Public Schools. In Buffalo, he spent nine years as a Physical Education teacher at Grover Cleveland High School and as Assistant Principal at Bennett High School. In 1999, he advanced to Pioneer Central Schools in Yorkshire, NY as Director of Physical Education, Health, and Athletics. Pioneer is a member of the Erie County Interscholastic League (ECIC) and Section VI. Jim serves as the Athletic Directors Association President. At the league level, he has been a member of the Activity Board, Finance Committee and Anniversary Banquet Committee, he also served as President of the ECIC Athletic Council from 2012-2014.

For Section VI he has served on the Finance and Sectional/Intersectional Committees. Currently, he co-chairs the Sportsmanship and Boys Swimming Committees, is on the chairperson nominating committee, and is a member of the Section VI Executive Committee, and Athletic Council. At the state level, he represents Section VI as the Boys Representative to the Central Committee and the Championship Philosophy Committee.

Throughout his career, Jim has been very active in coaching, leadership, and service, and he has always created opportunities for students to participate and be active. He coached football, cross country, swimming and tennis in both city and suburban districts. While at Grover Cleveland HS, he built a highly competitive swim program in the City of Buffalo league. It is there that he learned just how much athletics can be a positive influence, from strong connections forged in a team setting to lifelong attitudes and skills. He saw students involved in all aspects of the team -- participant, teammate, scorekeeper, manager, announcer, and cheerleader-- and all had an important role in a successful team. He experienced, too, how a person can become a truly significant influence in a student athlete's life; one honor that Jim holds dear is being asked by a former student athlete to walk her down the aisle on her wedding day. It's moments like this that we realize how lucky we are to be in our chosen profession.

The Chapter VI Athletic Administrators are proud to award Jim Graczyk the 2016 Chapter VI Athletic Administrator of the Year.

Why/How did you choose athletics/education? I always enjoyed athletics and working with student athletes.
In the winter of 1970, immediately preceding the sectional basketball playoffs, a crisis brought Gerald “Jerry” Baldelli to the doors of the Section VI Athletic Council when the President and Basketball Chairman, William “Bill” Rodiek, a goliath among sectional officials for several years, died unexpectedly. Jerry had recently handed the reigns of the Frontier Central basketball program over to his junior varsity coach and was devoting his full efforts to teaching and part-time administrative duties. His athletic director, Laurens “Joe” Dietz, a long serving sectional volunteer in various capacities was persuasive in getting him to become part of a sectional basketball committee that would conduct the upcoming playoffs with the quality, efficiency, and success that the Section was accustomed to under Mr. Rodiek.

Jerry then became Basketball Chairman and served in that capacity for six years followed by 14 more years as Assistant Basketball Chairman. In 1975, he was chosen Principals’ Representative to the Central Committee and retained that position for 10 years. In 1985, he was appointed chairman of the Extended Eligibility Committee along with representatives throughout the Section, i.e. Joe Dietz, Dan Hagen, Bob Woodard, Edmund Maroone, Mary Byrnes Foyle, Dorcas Smith, and George Johengen.

After 45 years of service to Section VI, Jerry will step down from the Extended Eligibility Chairman position as of June 30, 2016.

Section VI wishes to express its heartfelt appreciation to Jerry for his role in the successes of the Section over the years and his dedication to student athletes.

As one can see from the program, Jerry was the Central Committee’s Principal Representative while serving on the Basketball Committee. He continued to serve as the representative until he was appointed an Assistant Superintendent for Personnel Services; at which time, he was no longer eligible for the Principal’s Representative position, but the Section VI President at the time (Nunzio Maiorano) from Medina appointed Jerry and several others to the Extended Eligibility Committee (30 years ago).
